Respected Sir,

Greeting and wishes from St. Joseph's College of Arts and Science, (Autonomous). We wish to send our B.Sc., Microbiology (II Year) student **Anusha R (A21MBE56)** to your esteemed laboratory for training in Microbiology, as it will enrich their learning skills. Kindly help them to learn the techniques from your laboratory. In this regard I request you to kindly give permission and train our students.

Thank you,

Dr. J. Jayaprakash

DEPARTMENT OF ZOOLOGY

STUDENTS INTERNSHIP REPORT

2022-2023

Title of the Event : Internship Training In Marine Biodiversity and Bioprospecting

Date : 03.04.2023 to 07.04.2023

Institution : Centre of Advanced Study in Marine Biology
Faculty of Marine Sciences
Annamalai University
Parangipettai-608502

As a part of the curriculum, our II B.Sc. Zoology Students were sent to an Internship training programme to the Centre of Advanced Study in Marine Biology, Faculty of Marine Sciences, Annamalai University, Parangipettai from 3rd April 2023 to 7th April 2023. In this Internship program they have got a practical knowledge of operating various instruments like Electrophoresis, Laminar air flow chambers, autoclave, Spectroscopy etc. They have gained a wide knowledge of ornamental fish culturing practices, their feeding methods, disease identification, prevention and treatment methods of diseases in ornamental fish culture. They were also trained to culture micro algae like *Chlorella*, *Nostoc*, *Spirulina* etc. They were taught about the culture media preparation of microbes and antimicrobial activity analysis methods. They also learned the technologies and methods involved in crab fattening. They were inculcated with the basic concepts of coral reefs and its DNA sequencing procedure. Finally they were given Kayaking practice and the safety measures to be followed during kayaking.

Auditorium

Kayaking in Vellar Estuary in front of CAS in Marine Biology

Fish culture tank

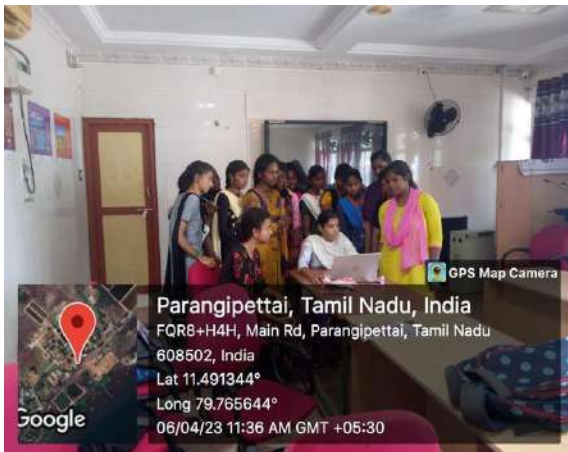

Culturing of Bacteria

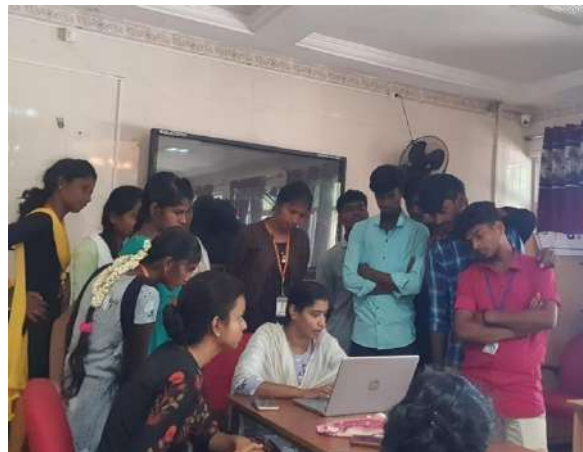

Microalgae culture system

Crab fattening technique

Learning Coral reefs and its DNA sequence procedure

No. of Students Participated	25
Date(s)	26-12-2022 to 30-04-2023
Company Details:	<ol style="list-style-type: none">1. Vikime Multi Research Services, Cuddalore2. Viki Informatic, Cuddalore3. JP Infotech, Puducherry4. Cloudlogic Technologies, Puducherry

The II M.Sc Computer Science (Shift-I) students from 2021-2023 Batch in the PG and Research Department of Computer Science at St. Joseph's College of Arts and Science (Autonomous), Cuddalore-1, actively participated in an internship program from various companies. The internship program assists our students in enhancing their practical knowledge in the industry/company association with the curriculum. Our students gained practical experience and a better understanding of their field through the Internship program.

These activities included:

- **Project Work:** Students were proactively involved in real projects, where they utilized their programming skills to create software solutions.
- **Training:** The training enabled them to develop proficiency in the software industry.
- **Industrial Exposure:** Students were exposed to the best practices, work flows, and quality standards employed in the software development industry through the internship.

REPORT ON INTERNSHIP PROGRAMME

Report Title	Internship
Class	II B.Sc Computer Science – 'A' (Shift-I)
No. of Students Participated	47
Date(s)	20-12-2022 to 31-05-2023
Company Details:	1.ORMATRIX, Cuddalore 2. Capital Honda Aadit Auto Company, Cuddalore 3. MACX Technologies, Cuddalore 4.Three Baboons Technologies 5.Samcore Solution, Trichy 6.Hi-Tech Machineries, Puducherry

The II B.Sc Computer Science 'A' (Shift-I) students from 2021-2024 Batch in the PG and Research Department of Computer Science at St. Joseph's College of Arts and Science (Autonomous), Cuddalore-1, actively participated in an internship program from various companies. The internship program assists our students in enhancing their practical knowledge in the industry/company association with the curriculum. Our students gained practical experience and a better understanding of their field through the Internship program.

These activities included:

- **Project Work:** Students were proactively involved in real projects, where they utilized their programming skills to create software solutions.
- **Training:** The training enabled them to develop proficiency in the software industry.
- **Industrial Exposure:** Students were exposed to the best practices, work flows, and quality standards employed in the software development industry through the internship.

Respected Sir/ Madam,

Sub.: Request for Internship - B.Sc.(Computer Science)- Reg.

We deem it a great privilege to inform you that our prestigious institution is affiliated to Annamalai University, Annamalai Nagar. Our prime aim is to inculcate discipline, sound knowledge and provide innovative ideas to our students.

As a part of the curriculum, Second year B.Sc. (Computer Science) student has to undertake a Internship during his/her fourth semester (3 days Minimum, 5 days Maximum). The objective of the Internship is to gain the practical knowledge from the industry/company in association with the curriculum.

We evince keen interest in sending the student to do Internship in your esteemed concern, whereby we expect your co-operation to guide the students for their better future.

I request you to grant permission and provide the facilities required for the Internship to Mr./Ms. ABDUL KALAM M. (ABULSADAI)

Soliciting an early and favorable reply.

Thanking you,

Yours sincerely,

Dr. M. ARUMAI SELVAM, M.Sc.(Maths), M.Sc.(CS), M.Phil.(CS), Ph.D.,
Head, PG and Research Department of Computer Science
St. Joseph's College of Arts & Science (Autonomous),

REPORT ON INTERNSHIP PROGRAMME

Report Title	Internship
Class	II B.Sc Computer Science –‘B’(Shift-I)
No. of Students Participated	42
Date(s)	20-12-2022 to 30-06-2023
Company Details:	1. Three Baboons Technologies, Cuddalore 2. Capital Honda Aadit Auto Company, Cuddalore 3. Chennai Cool Care(Voltas),Chennai 4. TTK Motors, Panruti 5.MACX Technologies,Cuddalore

The II B.Sc Computer Science ‘B’(Shift-I) students from 2021-2024 Batch in the PG and Research Department of Computer Science at St. Joseph’s College of Arts and Science (Autonomous), Cuddalore-1, actively participated in an internship program from various companies. The internship program assists our students in enhancing their practical knowledge in the industry/company association with the curriculum. Our students gained practical experience and a better understanding of their field through the Internship program.

These activities included

- **Project Work:** Students were proactively involved in real projects, where they utilized their programming skills to create software solutions.
- **Training:** The training enabled them to develop proficiency in the software industry.
- **Industrial Exposure:** Students were exposed to the best practices, work flows, and quality standards employed in the software development industry through the internship.

FOUNDER, MD & CEO

THREE BABOONS TECHNOLOGIES

Respected Sir/ Madam, CUDDALORE

Sub.: Request for Internship - B.Sc.(Computer Science)- Reg.

We deem it a great privilege to inform you that our prestigious institution is affiliated to Annamalai University, Annamalai Nagar. Our prime aim is to inculcate discipline, sound knowledge and provide innovative ideas to our students.

As a part of the curriculum, Second year B.Sc. (Computer Science) student has to undertake a Internship during his/her fourth semester (3 days Minimum, 5 days Maximum). The objective of the Internship is to gain the practical knowledge from the industry/company in association with the curriculum.

We evince keen interest in sending the student to do Internship in your esteemed concern, whereby we expect your co-operation to guide the students for their better future.

I request you to grant permission and provide the facilities required for the Internship to Mr./Ms. R. ANTONY CYPRIAN (A21CSDB03)

Soliciting an early and favorable reply.

Thanking you,

Yours sincerely,

Dr. M. ADITHYAN SELVAM, B.Sc. (Hons.) in Computer Science, PGD
Head, PG and Research Department of Computer Science
St. Joseph's College of Arts & Science (Autonomous)
Cuddalore 607 001.

SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that Mr. Harish S from St. Joseph's College of Arts and Science, Cuddalore - 607 001 has successfully completed his internship at M/S Chennai Cool Care (Voltas Authorised service centre) from 04th APRIL 2023 to 8th APRIL 2023.

During his internship, he was exposed to the various activities in **Customer Relationship Management (CRM) and Service Division**.

We found him extremely inquisitive and hard working. He was very much interested to learn the functions of our operation and also willing to put his best efforts and get in the depth of the subject to understand it better.

His association with us was very fruitful and we wish him all the best in his future endeavors.

Report Title	Internship
Class	II B.Sc Computer Science – 'C' (Shift-I)
No. of Students Participated	48
Date(s)	20-12-2022 to 31-05-2023
Company Details:	<ol style="list-style-type: none">1. Three Baboons Technologies, Cuddalore2. Essaar Engineering & Company, Cuddalore3. FlashFit private limited, Cuddalore4. Kamatchi Polymers, Puducherry5. Kawman Pharma, Cuddalore6. MACX Technologies, Cuddalore

The II B.Sc Computer Science 'C' (Shift-I) students from 2021-2024 Batch in the PG and Research Department of Computer Science at St. Joseph's College of Arts and Science (Autonomous), Cuddalore-1, actively participated in an internship program from various companies. The internship program assists our students in enhancing their practical knowledge in the industry/company association with the curriculum. Our students gained practical experience and a better understanding of their field through the Internship program.

These activities included

- **Project Work:** Students were proactively involved in real projects, where they utilized their programming skills to create software solutions.
- **Training:** The training enabled them to develop proficiency in the software industry.
- **Industrial Exposure:** Students were exposed to the best practices, work flows, and quality standards employed in the software development industry through the internship.

To

M. NIJANTHAN

FOUNDER, MD & CEO

THREE BABBOONS TECHNOLOGIES, CUDDALORE

Respected Sir/ Madam,

Sub.: Request for Internship - B.Sc.(Computer Science)- Reg.

We deem it a great privilege to inform you that our prestigious institution is affiliated to Annamalai University, Annamalai Nagar. Our prime aim is to inculcate discipline, sound knowledge and provide innovative ideas to our students.

As a part of the curriculum, Second year B.Sc. (Computer Science) student has to undertake a Internship during his/her fourth semester (3 days Minimum, 5 days Maximum). The objective of the Internship is to gain the practical knowledge from the industry/company in association with the curriculum.

We evince keen interest in sending the student to do Internship in your esteemed concern, whereby we expect your co-operation to guide the students for their better future.

I request you to grant permission and provide the facilities required for the Internship to Mr./Ms. S. AKASTHIYAN (A21CSDC02)

Soliciting an early and favorable reply.

Thanking you,

Yours sincerely,

DR. H. ARJUNAN, VICE CHANCELLOR
Head, PG and Research Department of Computer Science
St. Joseph's College of Arts & Science (Autonomous),
Cuddalore - 607 001.

REPORT ON INTERNSHIP PROGRAMME

Report Title	Internship
Class	II B.Sc Computer Science – 'A' (Shift-II)
No. of Students Participated	40
Date(s)	20-12-2022 to 31-05-2023
Company Details:	1. Capital Honda Aadit Auto Company, Cuddalore 2. NextGen Solutions , Cuddalore 3. V.S.T.Motors Private Limited(TATA Motors),Cuddalore 4. Sridhar F.R.P Works, Cuddalore 5. Vishnu Cars Private Limited, Cuddalore

The II B.Sc Computer Science 'A' (Shift-II) students from 2021-2024 Batch in the PG and Research Department of Computer Science at St. Joseph's College of Arts and Science (Autonomous), Cuddalore-1, actively participated in an internship program from various companies. The internship program assists our students in enhancing their practical knowledge in the industry/company association with the curriculum. Our students gained practical experience and a better understanding of their field through the Internship program.

These activities included

- **Project Work:** Students were proactively involved in real projects, where they utilized their programming skills to create software solutions.
- **Training:** The training enabled them to develop proficiency in the software industry.
- **Industrial Exposure:** Students were exposed to the best practices, work flows, and quality standards employed in the software development industry through the internship.

St. Joseph's College of Arts and Science (Autonomous), Cuddalore-1

PG Department of Computer Applications

Report on the Internship Programme on Web Development

Title of the Programme : **Internship**

Date(s) : 26-04-2023 to 30-04-2023

Time : 7:00 PM to 8:30 PM

Mode : Virtual Mode-Google Meet

Company Name : Marcello Tech, Trichy.

The Marcello Tech Company in Trichy organized a virtual Internship Programme on “Web Development” from April 26, 2023, to April 30, 2023. Students from II BCA-A Shift-I in the PG Department of Computer Applications at St. Joseph's College of Arts and Science (Autonomous), Cuddalore-1, actively participated in the five-day internship program. During the internship sessions, the participants were engaged in a range of activities that contributed to their skill development and knowledge acquisition. These activities included:

1. **Project Work:** Students were actively involved in real projects, where they applied their programming skills to develop software solutions.
2. **Training:** Participants received focused training in programming for web development. This training helped them become proficient in these technologies.
3. **Exposure to Industry Practices:** The internship exposed students to the best practices, work flows, and quality standards used in the software development industry.

PG DEPARTMENT OF COMPUTER APPLICATIONS

REPORT ON THE INTERNSHIP

Title of the Programme	:	Internship
Class	:	II-BCA-B (Shift-I)
No. of Students Participated	:	58 students
Date(s)	:	1-05-2023 to 15-06-2023

Company Details:

1. Lenova India Pvt.Ltd., Puducherry.
2. Kaashiv Infotech, Chennai.
3. ORMATRIX, Cuddalore
4. Capital Honda, Cuddalore
5. Pennecho, Pondicherry
6. Ozeflnic, Cuddalore
7. MACX Technologies, Cuddalore
8. Marcello Tech, Trichy

At the end of the fourth semester of the academic year 2022-2023, the second-year undergraduate students in the PG Department of Computer Applications were required to participate in a compulsory internship program. This program allowed students to gain practical experience and apply their academic knowledge in real-world settings. Students were given the freedom to choose companies, either software or hardware-based, that aligned with their interests.

Objectives of the Internship:

The following are the some common internship objectives for students:

- i) Gain Practical Experience:** To gain hands-on experience in a real work environment related to their field of study. This helps students apply what they have learned in the classroom to practical situations.
- ii) Develop Industry-Specific Skills & Networking:** Interns seek to acquire and enhance industry-specific skills that are relevant to their chosen career path. Students aim to connect with professionals in their field, mentors, and colleagues who can provide guidance and potentially lead to future job opportunities.

- iii) **Gain Exposure to Company Culture:** Understanding how organizations operate, their values, and their work culture is an essential objective. This insight can help students evaluate whether a particular company or industry is a good fit for them.
- iv) **Professional Development:** Students often seek to improve their professional skills, such as communication, teamwork, time management, and problem-solving abilities.
- v) **Project and Task Completion:** Completing assigned projects or tasks successfully demonstrates the student's ability to contribute to the organization's goals and deliver results.

Duration and Participation:

Students were expected to spend a minimum of 5 days and a maximum of 15 days in their chosen companies to complete their internship. This flexibility ensured that students could adapt the internship to their schedules and preferences. For example, Lenovo India Private Limited, a hardware manufacturing company located in Pondicherry, was chosen by some students.

Benefits of the Internship Program

The internship program provided several significant benefits for the students:

- i) **Practical Knowledge:** The program significantly increased the students' practical knowledge, allowing them to apply what they had learned in their coursework to real-world scenarios.
- ii) **Industry Exposure:** By working with companies such as Lenovo India Private Limited, students gained valuable exposure to the industry. They had the opportunity to see how the company operated and what it took to succeed in the hardware manufacturing sector.
- iii) **Skill Development:** Students had the chance to develop and refine their technical and soft skills. They learned how to work in a professional environment, collaborate with colleagues, and solve real-world problems.
- iv) **Networking:** The internship program allowed students to establish connections and build relationships within the industry. This could be beneficial for future career opportunities.

Outcome:

The outcome of the internship program for the students was highly beneficial. They gained practical experience and a deeper understanding of their field. Moreover, they developed skills that will be invaluable as they continue their academic journey and eventually enter the workforce.

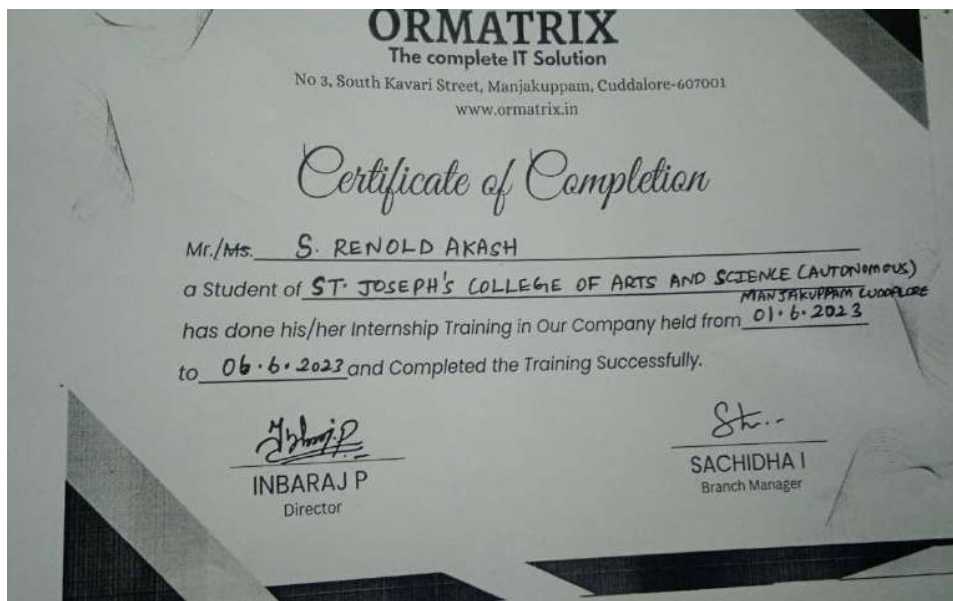

Conclusion

The internship program for the second-year UG students of the PG Department of Computer Applications for the academic year 2022-2023 was a resounding success. It provided students with a unique opportunity to bridge the gap between theory and practice, gaining invaluable experience and skills. The positive outcome of the internship program suggests that it is a valuable part of the academic curriculum.

Report on Internship Programme on Web Development

Title of the Programme	:	Internship
Class	:	II BCA-A&B (Shift-II)
Date(s)	:	26-04-2023 to 30-04-2023
Time	:	7:00 PM to 8:30 PM
Mode	:	Virtual Mode-Google Meet
Company Name	:	Marcello Tech, Trichy.

The Marcello Tech Company in Trichy organized a virtual Internship Programme on “Web Development” from April 26, 2023, to April 30, 2023. Students from II BCA ‘A’ & ‘B’ Shift-II in the PG Department of Computer Applications at St. Joseph's College of Arts and Science (Autonomous), Cuddalore-1, actively participated in the five-days internship program. During the internship sessions, the participants were engaged in a range of activities that contributed to their skill development and knowledge acquisition. These activities included:

- **Project Work:** Students were actively involved in real projects, where they applied their programming skills to develop software solutions.
- **Training:** Participants received focused training in programming for web development. This training helped them become proficient in these technologies.
- **Exposure to Industry Practices:** The internship exposed students to the best practices, work flows, and quality standards used in the software development industry.

Class Mentor

ST. JOSEPH'S COLLEGE OF ARTS & SCIENCE (AUTONOMOUS)

CUDDALORE-1

PG & RESEARCH DEPARTMENT OF ENGLISH

INTERNSHIP REPORT

The students of 2nd BA English from St. Joseph College of Arts and Science (Autonomous) had successfully undergone internship in various places like Central Library, Schools and Media. It was an opportunity for the student to describe the nature of the work they were involved in, the specific skills and knowledge attained, as well as highlight their contributions while working in a professional environment. During the teaching practice, a teacher student receives opportunity to try out the art of teaching before actually entering the real world of the teaching profession. Student teachers also know the value of teaching practice and consider it an important aspect of them. Prepare for the teaching profession as it provides a real interface between student life and Membership in the profession. Students visited the central library the purpose of the visit was to learn from the remarkable librarians of the library on how to provide wonderful and efficient service to the population in the society. The main objective of a visit to the media office is to acquaint them with the realities of their profession, both in print and electronic media.

Total no of students : 43
