Rev. Fr. Dr. M. SWAMINATHAN AWARD **(A SPECIAL INCENTIVE FOR PUBLICATION OF** **PAPERS/CHAPTERS/BOOKS/PATENTS)**

The **Rev. Fr. Dr. M. Swaminathan Award** is an important recognition instituted by our college to encourage and reward academic contributions by faculty members. This award, presented annually, serves as an incentive for faculty members who excel in publishing journal articles, authoring chapters in books, writing books, and filing patents. By acknowledging these academic achievements, the award fosters a culture of intellectual growth and innovation within the institution.

The award is named in honor of **Rev. Fr. Dr. M. Swaminathan**, Secretary of the college whose contributions to education continue to inspire our academic community. The award recognizes the multifaceted contributions of our faculty in the areas of research and knowledge dissemination.

Categories of Recognition

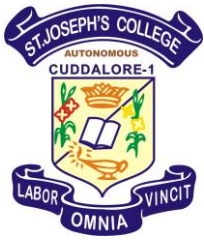

The **Rev. Fr. Dr. M. Swaminathan Award** incentivizes contributions in the following areas:

- **Journal Articles:** Publications in peer-reviewed and indexed journals, including Scopus, Web of Science, and UGC CARE.
- **Book Chapters:** Contributions to scholarly books, where faculty members share their expertise and insights on specific topics within their domain.
- **Books:** Authorship of complete books, reflecting in-depth research, analysis, and contributions to the academic community.
- **Patents:** Filing and obtaining patents for innovative ideas, processes, or technologies that demonstrate original thinking and problem-solving abilities.

Objectives and Impact

The primary objective of the award is to motivate faculty members to engage in high-quality research and creative academic output. By rewarding excellence in these areas, the institution encourages its staff to:

- Pursue innovative research that contributes to the advancement of knowledge.

- Engage in interdisciplinary research collaborations and produce publications of international standards.
- Seek new avenues of intellectual property through patents that add value to their field of expertise.

The **Rev. Fr. Dr. M. Swaminathan Award** aligns with the institution's mission to promote research, innovation, and academic distinction. Through this initiative, our faculty is empowered to excel in their academic careers, contributing significantly to the institution's growth and its standing within the academic community.

By recognizing a broad range of academic endeavors, from publications to patents, the award not only incentivizes research but also fosters a culture of knowledge creation and dissemination, which is essential for research and innovation.
