PROGRAMME**

Title of the Event :	One Day Apiculture Hands on Training Programme
Date:	20.08.2022
Time :	10.00 am
Venue :	S. K. Monisha Apiculture, Chinnapahandai, Panruti
Resource Person :	Dr. S. Pravina Mary

The Department of Zoology have organized a study trip to S. K. Monisha Apiculture farm at Chinnapahandai, Panruti, on 20.08.2022 where there is a well established farm owned by Mr.Selvakumar, one of a famous entrepreneur in Cuddalore District. The students were imparted with the need of conserving beneficial insects especially honey bees .They got a wide exposure on honey bees life cycle, different members of bee colony, honey bee products and their importance. The various methods of bee keeping and the profits of bee hive culture are insisted in a very effective manner. Nearly 26 students of III B.Sc. Zoology of shift I along with Dr. P.Thenmozhi , Asst. of Prof. and Head in Department Zoology and Dr. N. Jayaprabha, Asst. of Prof. in Department Zoology have been participated in this programme. The students were allowed to visit Ponlait (Diary production Farm), Pondicherry at the end part of the programme. At the outset the students have received a practical knowledge about Honey Bee culture.

The Department of Business Administration (CA) organized “**One Day Innovation & Entrepreneurship Development Programme titled “How to Kick Start Innovation and Roadmap to IPR”**” on 25.08.2022 (Thursday) for the Shift I students. Dr. A. Alex, Head, Department of Business Administration (CA) & Commerce (Bank Management) convened the programme. Mr.M.Om Prakash, Assistant Professor, Business Administration (CA) coordinated the programme. 154 students participated in the programme.

Part of participants along with the resource person Professor. Dr. M. Senthil.

The session started with the basic understanding of creativity and innovation. It leads to why innovations are needed and where do India stand in World's Innovation Index. The resource person motivated the students, to identify the challenges they face in the day to day life and try to find a feasible solution to overcome it. He insisted to think simple through which today's crazy idea will turn into tomorrow's greatest innovation.

Resource Person exhorting the need for innovations.

The resource person insisted that there are as many organizations to promote and protect innovative ideas through Intellectual Property Rights (IPR). He clearly explained about the various types of IPR like copyrights, patents, industrial design, layout design, trademarks and geographical indication (GI). He explained about the need for trademark and the power of trademark. He focused on to be vocal on local products and explained how India shall remain self-sustainable through product and service innovations.

Resource Person explaining the various types of IPR and the power of Trademark

The programme was very much motivating and enabled the students to realize the need for innovations and to understand various fundamental things about Intellectual Property Rights (IPR). The session ended with a positive note proposed by Dr.M.Monika, Assistant Professor, Business Administration (CA).

Date: 27.08.2022; Time: 1:00pm – 2:00pm

- ❖ An Entrepreneurial Skill Enhancement Programme was conducted on the topic, “Analytical Technologies and their Applications in Pharmaceutical Industries”.
- ❖ The resource person invited for this programme is **Dr. V. Sivakumar**, *Senior Scientist, Analytical Research and Development Division, Pfizer Health Care India Pvt. Ltd, Chennai.*
- ❖ The function was started with a prayer song followed by “thamizh thai vazhthu”.
- ❖ The welcome address was delivered by Dr. T. Antony Sandosh, HOD, Department of Chemistry, SJC.
- ❖ Felicitation address was given by our beloved secretary, **Rev. Fr. G. PETER RAJENDIRAM**, followed by Principal, **Dr. M. Arumai Selvam**, and Vice-Principal, **Dr. J. Jon Arockiaraj**, SJC, Cuddalore.
- ❖ The Resource person, **Dr. V. Sivakumar** was introduced by Mr. A. Amalorpavadoss, Former Head and Assistant Professor, Department of Chemistry, SJC.
- ❖ The Resource person, **Dr. V. Sivakumar**, delivered a lecture for one hour duration with powerpoint presentation from 1:00pm – 2:00pm.
- ❖ He discussed about how the modern Analytical Technologies used for various applications in pharmaceutical laboratories.
- ❖ He discussed about the various applications of analytical technologies in Qualitative analysis, Quantitative analysis, Chromatographic analysis, Electrochemical analysis, Spectroscopic analysis and Electrophoresis.
- ❖ He also discussed about the importance of Pure medicine, impurities, by-products and related chemicals and their analyses using various analytical techniques.
- ❖ The sophisticated analytical instruments in his talk includes,

Chromatography

- HPLC (High Pressure Liquid Chromatography)
- GC/GLC (Gas Liquid Chromatography)

Spectroscopy and spectrometry

- UV-Vis (Ultra-Violet & Visible Spectroscopy)
- IR (Infra-Red Spectroscopy)
- NMR (Nuclear Magnetic Resonance Spectroscopy)
- MS (Mass Spectrometry)

Hyphenated Techniques

- LC-MS
- GC-MS

Resource person explaining the various Analytical Techniques

- ❖ The session provides the opportunities to the chemistry students to learn and interact with the young Industrialist, who is genuine and passionate about chemistry.
- ❖ The programme illustrated the essentiality of Analytical Chemistry in Pharmaceutical Industries. It also provokes our chemistry students to know the importance Analytical Technologies and to ignite an interest in many of our young students to pursue their career in Pharmaceutical Sciences through Analytical Technologies.
- ❖ This Entrepreneurial talk motivates our students to know and learn about the exciting opportunities and career options that analytical chemistry provides in the field of Pharmaceutical Sciences.
- ❖ At the end of the session there were an open discussion by the resource person with the students and faculties.
- ❖ Many students asked their doubts based on the presentation talk and got clarified by the resource person.
- ❖ Finally, Vote of Thanks delivered by Dr. F. Paul Arokiadoss, Assistant Professor, Department of Chemistry, SJC.

The Department of Business Administration (CA) organized “**One Day Online Workshop on “Developing Entrepreneurial Mindset and Contemporary Opportunities”**” on 27.08.2022 (Saturday) for the Shift I and Shift II students through google meet (blended mode). Dr. A. Alex, Head, Department of Business Administration (CA) & Commerce (Bank Management) convened the programme. Dr.M.Monika, Assistant Professor, Business Administration (CA) coordinated the programme. 118 students participated in the programme.

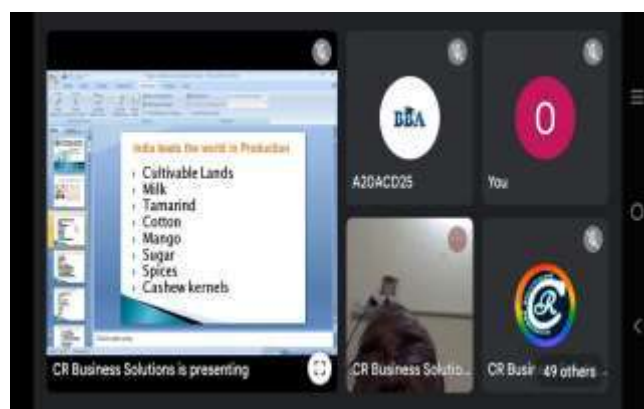

The session started with the case study of Satish Chamyvelumani, founder of **Frshly, a food tech startup** that is creating ripples in the QSR (Quick Service Restaurant) industry through its automated food dispensing units. The dream to build a Rs 1,000 crore turnover company was an inspiring and motivating moral to “**Think Big**”.

The session lead to the legacy of India which clearly described our country stand as leading producer in cultivable lands, milk, tamarind, cotton, mango, sugar, spices, cashew kernels, cattle,

banana, jute, post offices, film production, polished diamond, automobiles, leather garments. He also insisted that the country is aggressively growing in the domains of food processing, textiles & garments building materials, traveling, auto components, information technology, business process outsourcing, engineering items, arts & crafts, iron and steel, aluminum, medical-equipment, pharmaceuticals, energy generation.

The country is keenly focusing on Product and Service Innovation, which is much important to reduce the imports from other countries. The resource person strongly asserted that Innovation is the key to the growth and development of any country. With more innovations the country shall remain indigenous which will enable the country's GDP to grow significantly. He also insisted that the innovations will definitely create more entrepreneurs, through which they are able to create more employment opportunities. The resource person exhorted that the World's best brains who are the CEO's of World's greatest companies are all Indians.

Resource Person exhorting the sectors where huge entrepreneurial opportunities exist and to think big, out of the box to optimal utilization of the opportunities.

The session then lead to the MSME classification, the basic requirements to start a Business and the qualities a person need to develop to become a successful entrepreneur. The session lead to the government schemes, grants, subsidies and other benefits to start a business. Few schemes narrated were Prime Minister's Employment Generation Programme (PMEGP), Tamil Nadu state government incentives, Unemployed Youth Employment Generation Programme (UYEGP) – Scheme.

The programme was much useful to the students, wherein they are positively motivated and able to understand the need for innovation, developing entrepreneurial mindset at a younger age, entrepreneurship, choosing a high growth sector where we are able to pitch our business, contemporary opportunities and the supporting schemes to start a business, through which more employment shall be generated. Mrs.A.Johnsi Gloria, Assistant Professor, Business Administration (CA) proposed the vote of thanks.

The Department of Tamil organized “One Day Innovation & Entrepreneurship Development Programme Titled “**Self Employment Schemes**” on 27.08.2022 (Saturday) for the Shift II Tamil students. **Dr.M. Vanathian** associate & Head of the Tamil department convened the programme. **Dr. A. Madelien**, Assistant Professor, Tamil coordinated the programme. **Dr. A. Annammal**, Assistant Professor, Tamil, **Mrs. S. Leema**, Assistant Professor, Tamil Organizing Committee Members. 98 students participated in the programme.

In this session the students were informed about the new employment schemes, how to create a new job opportunity is also explained. Also the women self help group and how to form a women self help group were clearly explained to the students. By the Proper guidance of Central Government and get loan from bank and make production of incense stick, Candles, Food preparation, buy and selling goods to others, to service and also like this students were instructed to do self employment. Also they were told that rather than Male, Female can get lot of bank loans.

By the Government scheme of Prime minister's Pradhan mantri Rozgar Yojana plan, the Central Government ordered the Reserve Bank of India and the RBI instructed all both Private and Nationalised Banks in Nation to give loan for this plan. The plan is not for individual but for the Groups so every bank should give loan and submit for example in village a bank should give loan for atleast for 20 members in a year, in urban it is atleast 200 members. The Group who apply for loan should pay 5% of loan. The Government will give 25% subsidy for every self employment loans .

Also the loan give for three purpose , 1. Self development , 2.Service, 3. Group . A cantiate of 8th standared passed can get from age limit of 18 to 45 an amount of up to 1 to 5 lakhs. The loan is given for Service, Manufacturing and for self development of people. The Government of India's aim is to obtain employment to lot of people by this plan.

The students clarified their doubts and responded that the program was interactive .

Types of entrepreneurship

Scalable startups are companies that start with a unique idea, think Silicon Valley. The hopes are to introduce a unique product or service and continue growing the company, continuously scaling up as time moves on. These types of companies often require investors and large amounts of capital to grow their idea and reach multiple markets.
