Programme Title: Eco Alternatives Expo & Start-Up Conference 2022

Date: 27.09.2022 (Tuesday)

Venue: Chennai Trade Centre, Nandambakkam, Chennai - 600069

The **SJC Institution's Innovation Council** organized an exposure visit to “**Eco Alternatives Expo & Start-Up Conference 2022**” organized by the Tamil Nadu Pollution Control Board, in coordination with Government of Tamil Nadu and Ministry of Environment, Forest and Climate Change, Government of India. 20 students from the Department of Business Administration (CA) & Commerce (Bank Management) participated in the Eco Alternatives Expo & Start-Up Conference. Mr.M.Om Prakash, Assistant Professor, Business Administration (CA) coordinated the exposure visit.

Objective of the visit:

- To enable the students to interact with various startuppreneurs and understanding the nuances of establishing a Start-up.
- To identify the pressing problems and environmental challenges being faced in a day-to-day basis which needs a commercially viable solution.
- To expose the students to various start-ups who developed and exhibited their product lines at the National Expo.

The National Expo on Eco Alternatives for banned Single Use Plastics (SUPs) was inaugurated by Bhupender Yadav, Hon'ble Union Minister for Environment, Forest & Climate Change, Government of India in the presence of Dr. L Murugan, Hon'ble Union Minister of State for Fisheries, Animal Husbandry and Dairying, Government of India and Thiru. Siva. V. Meyyanathan, Hon'ble Minister for Environment, Climate Change & Youth Welfare and Sports Development, Government of Tamil Nadu.

The objectives of the Expo are to:

- Exhibit the eco alternative products for banned Single Use Plastics (SUPs) and Sales of the eco-friendly products.
- Exhibit of machineries used for manufacturing Eco-alternative and Eco friendly products.
- Interaction with stakeholders.
- Funding opportunity for the Start-Ups.

More than 150 eco-alternative manufacturers from across the nation exhibited their products in the expo. Products derived from natural fibres such as coir, bagasse, rice, and wheat bran, plant and agricultural waste, banana and areca leaves, jute and fabric were included in the eco-alternatives.

The Start-Up Conference was inaugurated by Ashwini Kumar Choubey, Hon'ble Union Minister of State for Environment, Forest & Climate Change, Government of India in the presence of Siva. V. Meyyanathan, Hon'ble Minister for Environment, Climate Change & Youth Welfare and Sports Development, Government of Tamil Nadu. Special dignitaries including Secretaries of various Ministers of Government of India and Chairmen, State Pollution Control Boards/Pollution Control Committees would be attending the event.

The Start-up Conference focused on finding alternatives to single-use plastics and managing air quality. The Conference was performed in the manner of Panel discussion where the startuppreneurs, innovators, organizations and government departments exchanged their ideas on the startup ecosystems of the nation.

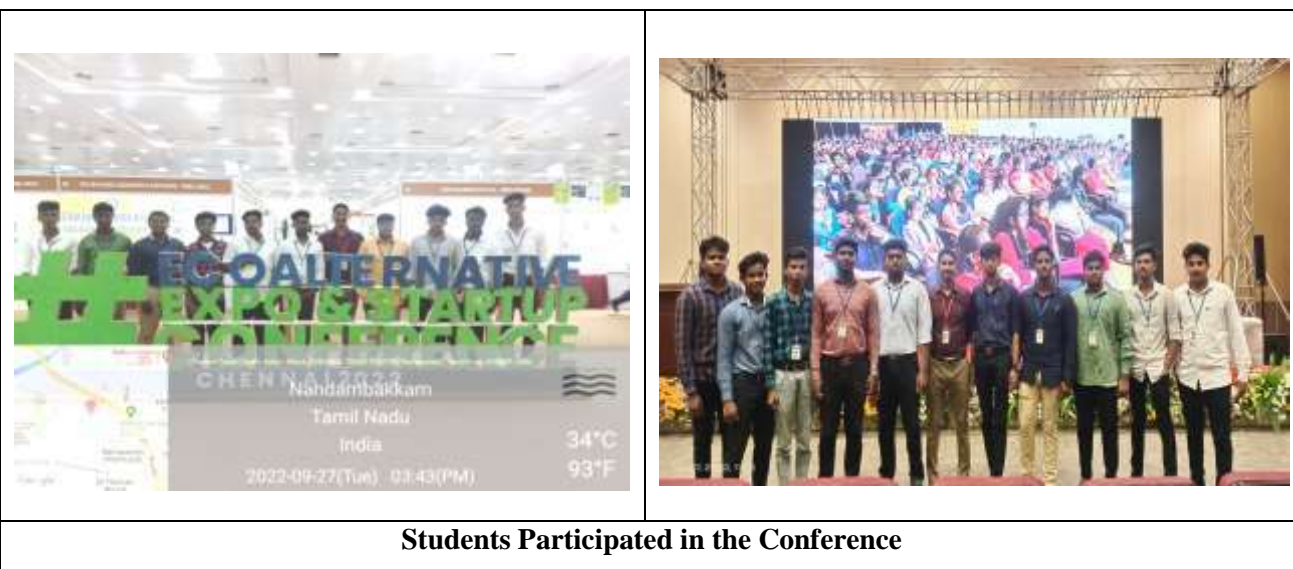

Thematic panel discussions were held on

- Marine plastic Litter – difficulties, challenges, and way forward.
- Manufacturers of Eco- Alternatives to banned Single Use Plastic Items
- Start – ups in the field of alternatives to Single Use Plastics
- Start –Ups in the field of Air Quality Management
- The role of Financial Institutions in the development of the eco – alternative to SUPs and innovative approaches in plastic waste management & air quality management

Learning Outcomes:

By participating in the Startup Expo and Conference students gained awareness about the harmful effects of single-use or disposable plastics. The students are exposed to a platform where they are able to know the availability of eco-alternative products. The students interacted with numerous start-ups and gained knowledge on how to establish a start-up to scale up their solutions to the pressing problems of Single-use or disposable plastics.

Through the Conference the students gained opportunity to interact with various startuppreneurs, innovators, entrepreneurs and funding agencies for the startups. The exhibition provided an opportunity to identify potential sellers and buyers of alternatives to SUPs and establish contact with them.

The **SJC Institution's Innovation Council** in association with Innovation & Entrepreneurship Development Cell celebrated “**National Energy Conservation Day**” on 19.12.2022 (Monday) in offline mode. The theme for the activity is “**Scope of Renewable Energy Start up**”. The Programme was presided by Rev. Fr. G. Peter Rajendiram, Secretary of St. Joseph's College of Arts & Science (Autonomous), Cuddalore. Dr.M.Arumai Selvam, Principal, Dr.J.JonArockiaraj, Vice-Principal and Rev. Fr. Dr. A. Alex, Dean of Studies, felicitated the programme. The programme was organized by Dr. P. Marie Arockianathan, Head, Biochemistry Department, Ms.R.Anitha, Assistant Professor of Biochemistry and Mrs.S.Seethalakshmi, Assistant Professor of Biochemistry. 179 students participated in this programme.

Objective of the programme:

- To commemorate National Energy Conservation Day.
- To understand the importance of energy conservation. and renewable energy

To bring awareness among people about energy efficiency and conservation, a programme was conducted on December 14th to commemorate national energy conservation day. The Bureau of Energy efficiency (BEE) of India implemented the energy conservation act in 2001. The ministry of power was celebrating energy conservation week from 9th to 14th December 2022 under BEE mass drive to raise awareness about energy efficiency and its conservation..

Theme:Scope of Renewable Energy Start up

The resource person for the session was **Mr.R. Dhasarathan**, Founder & Managing Director, Shree Shakthi Shambhavi Renewable Energy Pvt.Ltd Cuddalore. He started the programme by giving introduction to National Energy Conservation Day. The aim of the event was to encourage entrepreneurial qualities and innovative ideas among students to start a business. He briefly spoke about usefulness of entrepreneurship and startups for youngsters. He elaborated on the requirements of a successful enterprise and quality of the product and service rendered by the entrepreneur which is a pre-requisite for being successful. He also shared his own experience and revealed his success and failure stories during his journey. He also emphasized on the proper and effective use of social media to create awareness and showcase the product on a large platform. He also pointed out that passion, creativity, dedication and determination was the key to any start up.

Resource Person Mr.R. Dhasarathan delivering the lecture

Outcomes of the Programme

The students gain knowledge about importance of conserving energy resources and its utilization. The students also learnt how to start a business and what are the difficulties and benefits of being entrepreneur.

Objective of the programme:

- To celebrate National Youth Day.
- To create awareness about Youth empowerments.

The programme started with the motto of celebrating “National Youth Day”, which is to commemorate the birth anniversary of Indian thinker, philosopher and social leader Swami Vivekananda. The event focused on celebrating the birth anniversary of Swami Vivekananda and his achievements. The discussion leads to importance of Legal consciousness among youngsters and Youth empowerments.

The Theme: Legal Awareness of Youth:

The chief guest for the occasion was Mrs. K. Selvapriya, MA., BL., Advocate & Former Special Prosecutor, Mahila Court, Cuddalore. She addressed the students with her inspiring speech. She explained how to approach all the legal problems of youth. She encouraged girl students to raise their voice against the harassments on them as they have many perks while the process of inquiry. She mentioned various types of legal issues that young people could face and asked the students to be aware of those issues. She also mentioned the function of some laws on Women Rights like The Dowry Prohibition Act, The Sexual Harassment of Women at Workplace Act, The protection of Women from Domestic Violence Act. She insisted the need of legal awareness in student community so that they could handle the issues involving the law. She insisted students to be aware of cyber crimes in which they could be easily get victimized. She assured that the access to justice is impartial, transparent and nondiscriminatory to all citizens and it can be facilitated at the maximum outreach through legal consciousness. She discussed about the Remedies guaranteed by the law and motivated to protest against injustice with the aid of practical knowledge about the various organs of the Justice delivery system available for redressal of grievances.

The chief guest Mrs. K. Selvapriya addressing the event and Rev. Fr. Secretary honoring the chief guest.

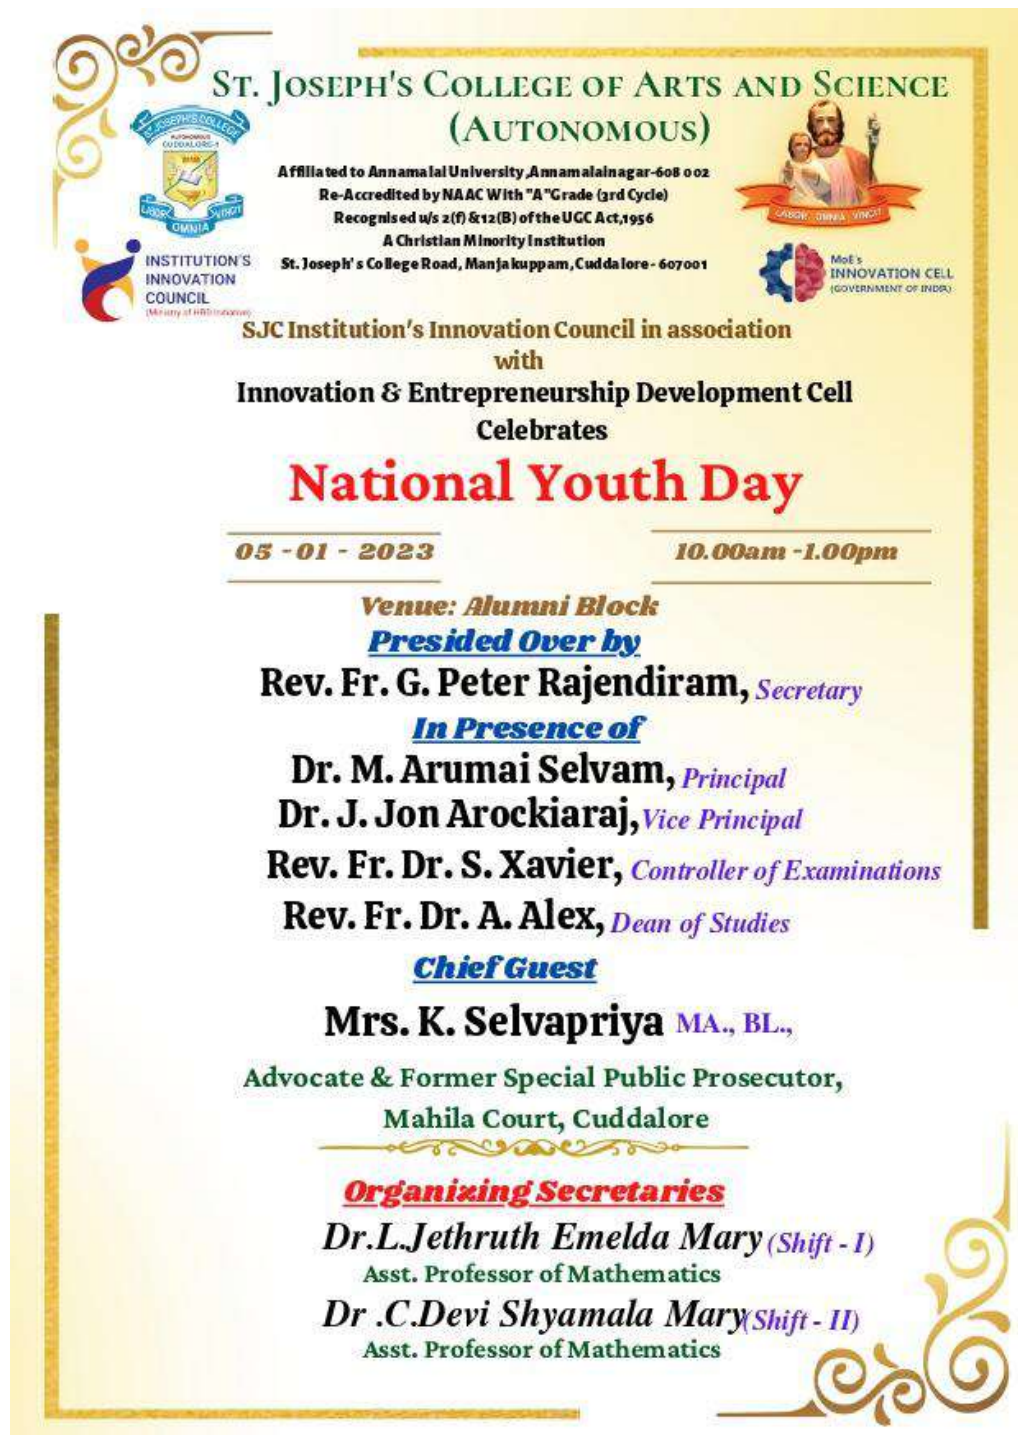

Later, the street play was performed by the students of MSW department in the theme, Protecting women from sexual harassments. Students from department of Mathematics created awareness about Youth empowerments via Mime and Drama.

Students of MSW department performing Street play and students of Mathematics acting Mime.

The **SJC Institution's Innovation Council** in Association with Innovation & Entrepreneurship Development Cell Organized “**INNOPRENE**” an Interdepartmental Innovation and Entrepreneurship Competition on 10.01.2023 (Tuesday) in offline mode. The competition was organized by Mr.A.Albert Ravi, Assistant Professor, Department of Commerce, Dr.P.Arul Prasad Department of Commerce, IEDC co-coordinator and Dr. H. Jude Leonard Hilary, Department of Physics, Co-coordinator of IIC.

Objective of the event:

- To provide opportunity to showcase the innovative and entrepreneurial competency of students.
- To understand the innovation methodology, framework & build on skills and tools.
- To perform brain storming and ideation session.
- To prepare the students with skills like critical thinking, design thinking, innovative thought process and entrepreneurial mindset.
- Introduce students to the fundamentals of entrepreneurship, including identifying opportunities, developing business models, and assessing market potential.

The competition was aimed to provide students with a platform to showcase their entrepreneurial competence, allowing them to present their innovative business ideas and provide them with an opportunity to turn their ideas into successful business ventures. The competition had two categories: Innovation and Entrepreneurship. In the innovation category, the participants were required to submit plans for products or services that addressed a specific problem or need in the market. In the entrepreneurship category, the participants were required to submit plans for new or existing businesses that were innovative and had the potential to scale-up. The competition helped the students gain practical experience in developing the business plans and presenting them to the judges.

The competition received an excellent response from the students, participating from different departments. The business plans were evaluated based on various criteria, including feasibility, innovation and commercial viability. The students presented their ideas in the form of power point presentation. They express their ideas relevantly in the their field of specialisation.

The competition was open to all the students of the department, and a total of 15 teams participated in the competition.

Outcomes of the event:

The competition was a grand success, providing an excellent opportunity for students to showcase their entrepreneurial and innovative competence. The competition provided students with an opportunity to expose their ideas and receive valuable guidance from the juries. The competition received positive feedback from the students, faculty members, and judges. The participants learned how to develop business ideas and innovative projects, present them effectively, and respond to questions. This competition has given students the confidence towards an entrepreneurial pursuit.

The **SJC Institution's Innovation Council** in Association with Innovation & Entrepreneurship Development Cell organized **Design Thinking, Critical Thinking and Innovation Design**, on 30-01-2023 (Monday) for the III-BCA-“A & B” Students of both (Shift I). Totally 112 Students participated in the programme.

Objectives of the programme:

- Design Thinking
- Creative Problem Solving
- Reflection
- Objectivity
- Applications

Outcomes of the programme:

Design Thinking and Critical Thinking. Design Thinking is a process that involves stages of observation and interaction, empathy, problem formulation, solution deduction, testing, alteration and reiteration. Innovation with design thinking demands critical thinking because we must understand our assumptions that frame our ideas and shape our design.

Programme Title: National Startup Day

Date: 06.02.2023 (Monday)

Resource Person: Mr. V. Vinayan, Proprietor, Neofin Investments Solutions, Puducherry.

The **SJC Institution's Innovation Council** in association with Innovation & Entrepreneurship Development Cell celebrated “**National Startup Day**” on 06.02.2023 (Monday) for the final year students (shift-I) of computer science department in offline mode. The theme for the activity is “**Startup of an Entrepreneur**”. The Programme was presided by Rev. Fr. G. Peter Rajendiram, Secretary, St. Joseph's College of Arts & Science (Autonomous), Cuddalore. Dr. M. Arumai Selvam, Principal and Head, P.G. & Research Department of Computer Science delivered welcome Address, Dr. J. Jon Arockiaraj, Vice-Principal and Rev. Fr. Dr. A. Alex, Dean of Studies, felicitated the programme. This programme was organized by S. Antony Jones, Assistant Professor of Computer Science.

Objective of the programme:

- To celebrate : National Startup Day.
- To understand what is Startup and How to become Entrepreneur.

The programme started with the motto of celebrating “National Startup Day”, announced by Prime Minister Shri Narendra Modi. In 2022, Prime Minister Narendra Modi announced that January 16th would be celebrated as National Startup Day to promote the startup culture at the

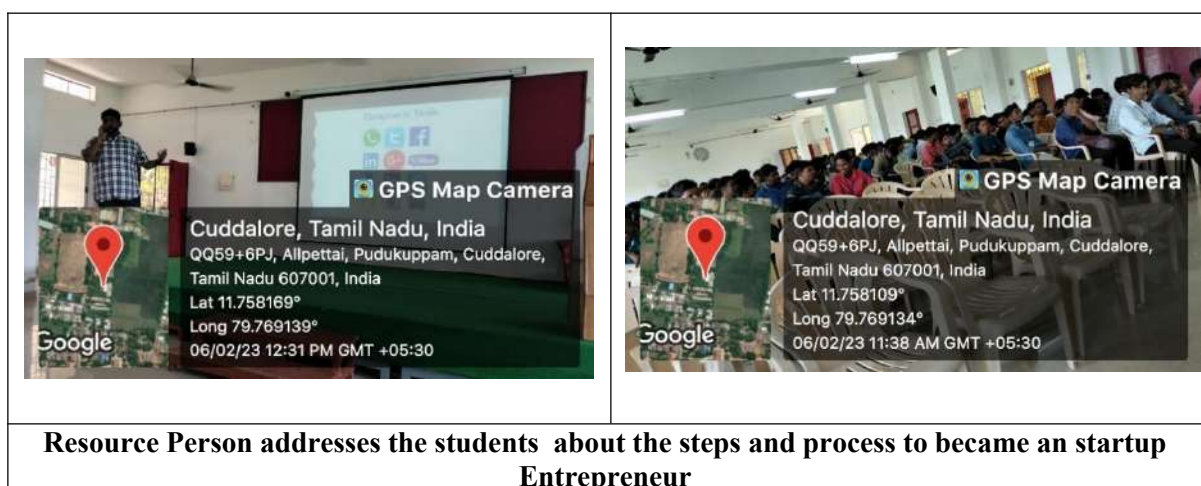

grassroots level.

India is known as a hub for startups, and government initiatives like this one help to further encourage innovation across various sectors. To celebrate National Startup Day and the Indian startup ecosystem, the Department for Promotion of Industry and Internal Trade (DPIIT), within the Ministry of Commerce and Industry, is organizing the Startup India Innovation Week.

The initiative will bring together successful entrepreneurs to collaborate, innovate, and excel.

The Theme: Startup of an Entrepreneur:

The resource person for the session was Mr. V. Vinayan, Proprietor, Neofin Investments Solutions, Puducherry. He started the seminar by giving introduction to Startup of an Entrepreneur. The resource person also explained about the differences between Business man and Entrepreneur. He gave ideas about how to become Entrepreneur with examples. The resource person has addressed the students well about entrepreneurship and it was informative

Outcomes of the Programme

The students were able to understand the difference between initiative and startup. Most students got clarity about entrepreneurship. This seminar was helpful to students for their future endeavour.

Students gave a positive feedback about the session.

The resource person gave some empowering quotes about Startup at end of the session,

- “The biggest risk is not taking any risk... In a world that’s changing quickly, the only strategy that is guaranteed to fail is not taking risks.” – **Mark Zuckerberg**
- “A big business starts small.” – **Richard Branson**
- “Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do.” – **Steve Jobs**
- “I knew that if I failed I wouldn’t regret that, but I knew the one thing I might regret is not trying.” – **Jeff Bezos**
- “Your most unhappy customers are your greatest source of learning.” – **Bill Gates.**

Title of the Programme:	LAB & INDUSTRIAL VISIT
Date:	11.02.2023
Place:	RGCA - Sirkali, Mayiladuthurai

Institution Innovation Council Programme the students of 1st B.Sc. Zoology were taken to an Lab and Industrial Visit to Rajiv Gandhi Center for Aquaculture (RGCA) on 11.02.2023 at Sirkali. The students were accompanied by all the five staff members (Dr. P. Thenmozhi, Dr. A. Arul Prakash, Dr. Ganeshkumar, Dr. N. Jayaprabha and Dr. S. Pravina Mary) in the department. The journey was started with the blessings of our **Rev.Fr. Secretary** and we reached the destination around 10.30 a.m.

At first the students were given a brief introduction about the centre and the various researches carried out in it by **V. Krishnakanth, Senior Field Officer**. After which they were taken to the laboratories in which the bioinstrumentation and the methods of using instruments were explained clearly. The mud crab hatcheries and the cultural practices of crabs with a demonstration were given by **Dr. D. Kannan, Senior Scientific Officer**. Around 2:45 PM the students were taken to the sea bass hatchery and there they were imparted with the steps in sea bass cultivation. At 7:00 p.m, we reached Poombuhar to visit the museum and beach .Thereafter we left the premises around 7:45 PM. We had reached college back at 11.00 p.m.

At the outset, the students of zoology have learnt about the process of cultivation of different varieties crab and sea bass, preparation of feed for sea bass and crab, identification of diseases, DNA extraction methods, working principles of many biological instruments like laminar air flow chambers, microtome, electrophoresis units , molecular cloning ,diseases diagnosis – histopathology, embedding, hot block , preparation of permanent samples and slides, diseases

diagnosis – microbiology, micro pipette, RT – PCR machine , centrifuge machine, incubator ,etc...in the laboratories and learned about the water purifying techniques for Aquaculture. About 53 students have participated in this programme.

We express our thanks to our **Rev. Fr. Secretary** who permitted and insisted the Industrial visit for the students to inculcate the practical knowledge

Programme Title: Launch of 5G Services in India (IIC - MIC Driven Activity)

Date: 01.10.2022 (Saturday)

Chief Guest: Shri. Narendra Modi, Honorable Prime Minister of India.

The **SJC Institution's Innovation Council** organized an online meet to witness the official launch of 5G services in India by the Honorable Prime Minister of India on 01.10.2022 at 10.00 am during the India Mobile Congress 2022 being held in Pragati Maidan, New Delhi. The meet was presided by Rev. Fr. G. Peter Rajendiram, Secretary of St. Joseph's College of Arts & Science (Autonomous), Cuddalore. Dr.M.Arumai Selvam, Principal, Dr.J.Jon Arockiaraj, Vice-Principal, Rev.Fr.Dr.A.Alex, Dean of Studies and Rev. Fr. Dr. S. Xavier, Controller of Examinations, felicitated the programme. All heads of the department, teaching and non-teaching staff members, were part of the event. The event was organized by Mr. I. Anand Raj, SJC- IEDC Co-Ordinator. 110 students participated in the event.

Objective of the Event:

- To visualize the technology shift, a greater picture to leverage technology for a better future.
- To understand the scope for interdisciplinary innovation and cross-sector entrepreneurship.

5G use cases have tremendous applications across sectors and hold the promise of innovations across the economic sectors. By participating in this event virtually it is beneficial and helps in visualizing the technology shift, a greater picture to leverage technology for a better future and to understand the scope for interdisciplinary innovation and cross-sector entrepreneurship. The inaugural session was live telecasted at Rev.Fr.M.A.Ratchakar Hall.

Honorable Prime Minister of India Shri. Narendra Modi officially launching the 5G services in India

Outcomes of the workshop

The students learnt and understood about the 5G services, scope and benefits of the technology. The impact of the fastest internet network technology in the modern business landscape has been well presumed. The students understood the scope for interdisciplinary innovation and cross-sector entrepreneurship which shall be powered by the fastest 5G services.

To:

Dear IIC Members and Innovation Ambassadors,
Greetings!

We are elated to share with you all that 5G is being launched by the Hon Prime Minister of India on Oct 1st, 2022 at 10.00 am during the IMC(Indian Mobile Congress) 2022 being held in Pragati Maidan, New Delhi. It is requested that all IIC Institutions - faculty and student members including Innovation Ambassadors watch the live telecast of this inaugural session.

Detail of the Inauguration Program:

Date: 1st October 2022

Time: 10.00 AM

Link to watch: <https://pmindiawebcast.nic.in/>

Therefore, we request our IIC institutions to make necessary arrangements to screen the inaugural in their auditorium and enable as many students to participate in the inaugural program.

And also upload the report in the following google form on or before 3rd October 2022. One report from each institute. Do not circulate this google form link with the participants.

Report

The National Science Day is being celebrated in our country on February 28 every year in commemoration of **Sir C. V. Raman's** discovery of the **Raman Effect** on February 28, 1927, for which he was awarded the Nobel Prize in 1930. The programme was initiated by Department of Science and Technology to trigger science popularization activities throughout the country and to disseminate scientific education about the current issues of science and technology amongst the citizens of the country. The day is celebrated to mark the importance of contributions made by scientists towards the development of our Nation and the world as a whole. It is used to create awareness about the role of Science in Society.

The theme for National Science Day 2023 is **“Future of STI (Science, Technology and Innovation): Impacts on Education, Skills and Work”**.

The SJC Institution innovation council, IEDC and PG and Research Department of Microbiology is going to celebrate National Science Day on **14.02.2023** in **offline mode**. In this connection, we are conducting the following events for Life Science (Biochemistry, Microbiology and Zoology) evening college students:

- Poster presentation
- Models presentation

The above events will be based on the following topics:

- Recent technology in the field of biological sciences.

Tirupur

The **SJC Institution's Innovation Council (SJC-IIC)** & Department of Business Administration (CA), St.Joseph's College of Arts and Science (Autonomous), Cuddalore organized **One day Workshop on "Achieving Problem Solution Fit and Product Market Fit"** on 27.02.2023 (Monday) for the Shift I & II BBA(CA) students in blended mode. The resource person for the workshop was, Mr.E.Sakthivel, Founder Chairman, Punarbhava Sustainable Products, Tirupur. The programme was presided by Rev.Fr.G.Peter Rajendiram, Secretary, felicitated by Rev.Fr.Dr.A.Alex, Head, BBA(CA) and Dean of Studies. The programme was coordinated by Mr.M.Om Prakash, Assistant Professor, BBA(CA). **100 students** participated in the Workshop.

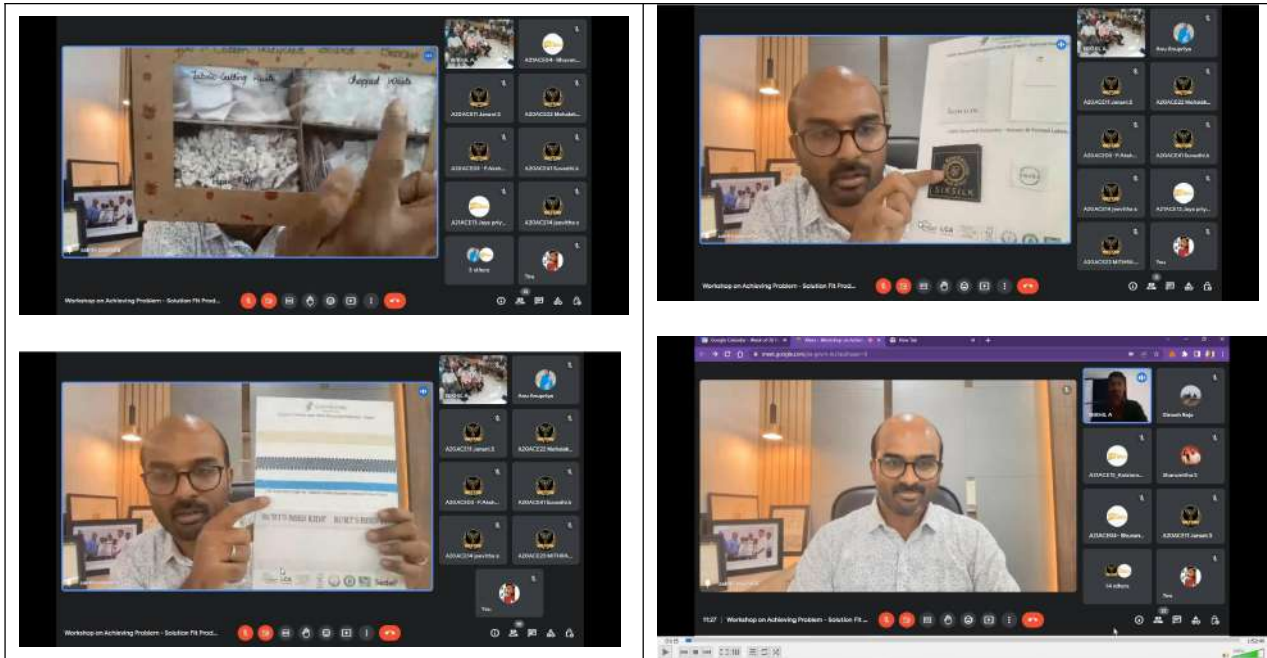

Objective of the programme:

- To understand about the Problem Solution Fit and Product Market Fit.
- To learn how to integrate the market research at the early stage of start-up planning.
- To perform brain storming and ideation session.

The resource person emphasized that one should strive to achieve three kinds of fit before one begins any tasks related to execution: Problem-Solution Fit, Product-Market Fit, and Business Model Fit. Achieving these three kinds of fit will help aspiring entrepreneurs to minimize the risk of failure. He described the meaning of the product solution fit as solution to a problem with customer specific approach not as money making approach. He illustrated, that the first stem is identifying the problem and then the customer should be identified which may have usual buying behaviour.

The usual consumers are willing to try new products or sometimes forced to adopt to the new solutions. Right solution fit is required to meet all types of consumers. He further stated that consumers these days are open to adopt change and try new solutions and therefore nowadays understanding the consumer behaviour becomes challenging endeavour. He illustrated that more an entrepreneur thinks as a customer for a solution, better fit would be the solution and its success. He defined a frame work for solution fit as acronym -I (Ideate) D (Developing the content of the idea) E (Engaging the customers to retain them) A (assessing the roadmap and outcome).

The resource person explains how he customized and designed products that fit the European and American Market. One of the student discussing his idea with the resource person.

He defined as product fit not only as a product which is accepted but also is retained. An entrepreneur always test the product and do refinements to make it market fit product and enhance the product to make it accepted and retained. Production can be done by systematic manner. Open and quicker approach is required for iteration. He explained that business model and plan are different. He suggested that adopting segregation at each step, for example at identification of problem, action plans, solutions would help the entrepreneur to develop a market fit product. He summarized that right set of approach for a market fit product involves understanding of a market fit product i.e, acceptable and retained, strategy to develop the product and engaging the customers; and the vision of the organization and scalability.

Outcomes of the workshop

The students are able to understand about the problem solution fit and product market fit and learnt how to integrate the market research at the early stage of start-up planning. The students are engaged in performing brain storming and ideation session through which the students learnt how to remain innovative in developing problem solution fit and product market fit.

Date: 28.02.2023 (Tuesday)

Resource Person: Mr.Rajkumar Thangavel, Senior IT Architect, Chennai.
Mr. R. Karthikeyan, Project Head, Photon Interactive, Chennai

The SJC Institution's Innovation Council (SJC-IIC) & Department of Business Administration (CA), St.Joseph's College of Arts & Science (Autonomous), Cuddalore organized an Expert Talk on "**Process of Innovation Development, Technology Readiness Level (TRL), Commercialisation of Lab Technologies & Tech-Transfer**" on 28.02.2023 (Tuesday) for the Shift I & II BBA(CA) students in online mode. The Resource Persons for the programme were Mr.Rajkumar Thangavel, Senior IT Architect, Chennai. Mr. R. Karthikeyan, Project Head, Photon Interactive, Chennai. The programme was presided over by Rev.Fr.G.Peter Rajendiram, Secretary, felicitated by Rev.Fr.Dr.A.Alex, Head, Department of BBA(CA) and Dean of Studies. The programme was coordinated by Mr.M.Om Prakash, Assistant Professor of BBA(CA). **100 students** participated in the programme.

The resource person explains about Commercialisation of lab technologies & tech-transfer.

Objective of the programme:

- To understand about the Process of Innovation, Technology Readiness Level (TRL).
- To learn how to commercialize lab technologies.
- To know about transfer of technology.

Process of Innovation Development & Technology Readiness Level (TRL):

The resource person started the session with day to day challenges which deliberately needed a solution. Every solution will arise through creativity which eventually lead to a sustainable innovate products/services. He then explained about the innovation funnel where every innovation is an outcome of every possible trial and error which happens in a controlled environment.(performed in specific kind of laboratories and research centres). He briefly explained about various levels of Technology Readiness Level from TRL -1 to TRL - 5. He also emphasized the difference between each TRL.He explained the role of Technology parks, incubation centres, research parks, R&D centres in enhancing and supporting the development of Innovation.

Commercialization of Lab Technologies & Technology Transfer:

The next session discussed about Commercialization of Lab Technologies & Technology Transfer. The resource person emphasized that the best innovative solutions developed in the laboratory will flow through a sequence of process before massive production and reaches the market place **(L2M) process**. He also stated that without commercialization, the innovative solutions remain useless and does not serve any purpose to the world community. Many of the innovations originate in different parts of the world but it shall be commercially viable through the process of Technology Transfer. Technology transfer enable the innovative solutions to cross boundaries of various countries and enter the best market places in the world. He also gave the examples of Mobile technology, 5G evolution, green energy and also quoted that India has the best technology in space sector developing most competitive satellites and transfer the technology to other countries.

Outcomes of the programme:

The students understood about Process of Innovation and Technology Readiness Level (TRL). The students learn how to commercialize lab technologies and the process of technology transfer, need, significance and impact of technology transfer.

Date: 07.03.23 & 08.03.2023

Resource Person Details: Mrs. J.Jansi Rani, Huzur sheristadar (General)/ Tahsildar,
District Collector's Office, Cuddalore.

The PG Department of Computer Applications organized “**Womenza’ 23**” on 07.03.2023 and 08.03.2023 for the Shift II, BCA students in offline mode. Rev.Fr.G.Peter Rajendiram, Secretary, presided over the function. Dr. A. John Pradeep Ebenezer, Head of Department convened the event. Dr. R. Roseline, Assistant Professor, PG Department of Computer Applications was the organizing secretary of the event. 197 students from BCA Shift II were recipients who witnessed the talk of Mrs. J.Jansi Rani, Huzur sheristadar (General)/ Tahsildar, District Collector's Office, Cuddalore. Girl students of the entire college participated in the food festival.

Objectives of the Event:

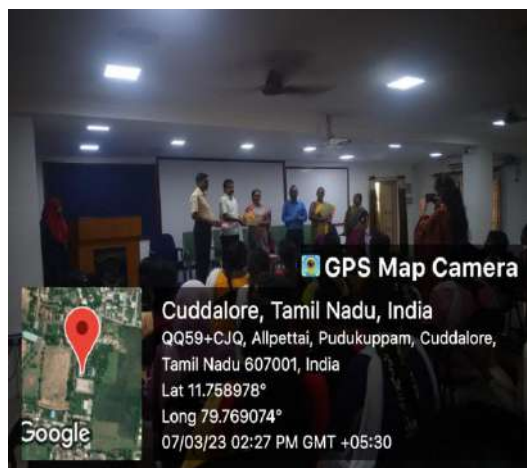

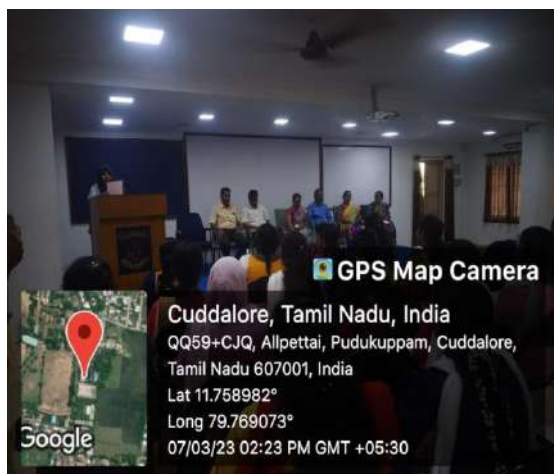

Motivation talk

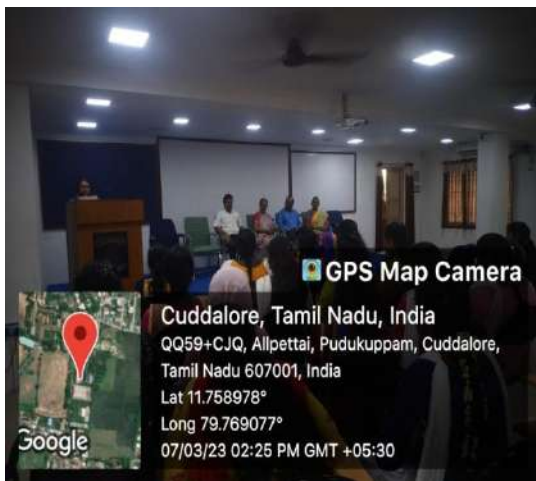

- To obtain a sound knowledge of the current situation of the ladies in and around Cuddalore district.
- To get to know the acts done against the women in society.

Food Festival

- To bring out the talents in the field of cookery.
- To kindle the art of business and management among the young women.

1. Invited Talk on 07.03.2023

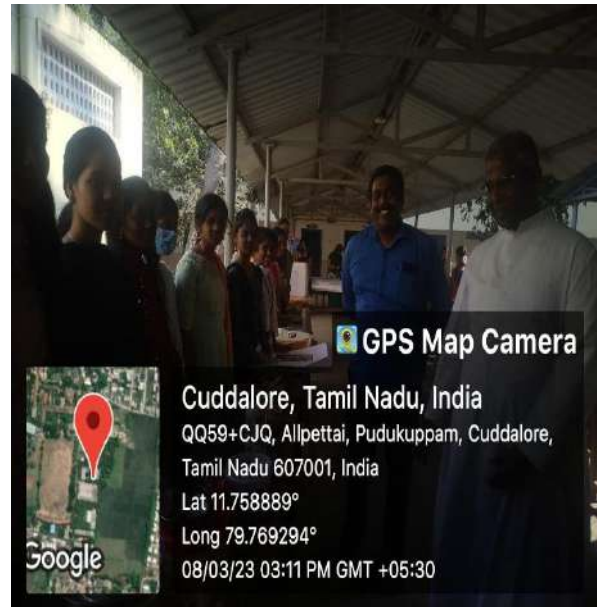

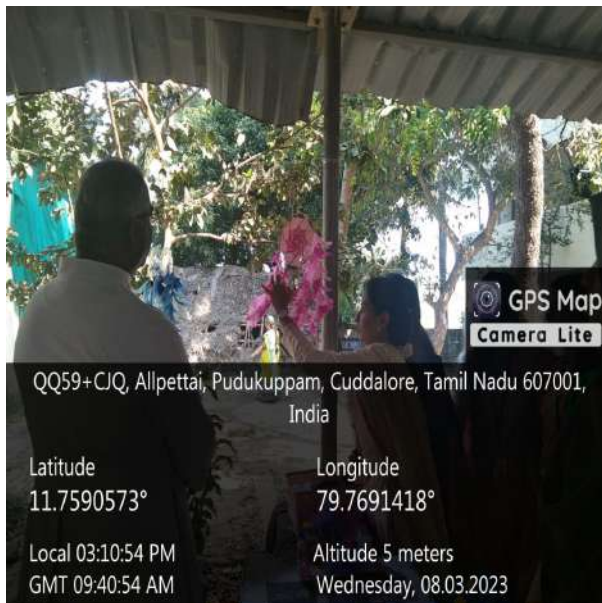

The event was inaugurated by events' organizing secretary, Dr. R. Roseline, she introduced the chief guest to the gathering. Students of BCA Shift II participated in the event. Principal and vice principal also added their felicitation for the event followed by keynote address by Mrs. J.Jansi Rani, Huzur sheristadar (General)/ Tahsildar, District Collector's Office, Cuddalore.

Madam Tahsildar, shared her experience about the women and atrocities done against her in recent times, hurdles and causes of hurdles a women meets right from her adolescent till old age, different case that are filed in court were the key note of her speech. The digital fraud done against women and ways and means to overcome all these were point of attraction in madam's speech.

Her talk was really an eye opener for our girl students who are unaware of all these types of crime caused against them in the outside world.

2. Food Festival on 08.03.2023.

The food festival helped the students to bring out their cookery talents and was a platform to learn to deal with customers and understanding a business procedure.

Learning outcomes from the event:

Self-motivation in life, getting to know crimes done against women in society and art of doing a business, attracting customers, handling huge of customers at a single instance was the learning outcome of this event “ Womenza’ 23” .

Programme Title: World Intellectual Property Day Celebration

Date: 03.04.2023 (Monday)

Chief Guest: Mrs. Preethi Narayanan, Patent Consultant, Chennai.

The PG & Research Department of Mathematics in association with SJC Institution's Innovation Council celebrated "**World Intellectual Property Day**" on 03.04.2023 (Monday) in offline mode. The Programme was presided by Rev. Fr. G. Peter Rajendiram, Secretary of St. Joseph's College of Arts & Science (Autonomous), Cuddalore. Dr.M.Arumai Selvam, Principal, Dr.J.Jon Arockiaraj, Vice-Principal felicitated the programme. Rev. Fr. Dr. A. Alex, Dean of Studies & convened the programme. The programme was coordinated by Dr. L. Jethruth Emelda Mary, Assistant Professor of Mathematics (Shift – I) and Dr. C. Devi Shyamala Mary, Assistant Professor of Mathematics (Shift – II). 236 students participated in the programme.

Vice Principal Dr.J.Jon Arockiaraj honoring Secretary, Rev. Fr. G. Peter Rajendiram and Principal Dr.M.Arumai Selvam felicitating the programme.

Objective of the programme:

- To celebrate World Intellectual Property Day.
- To create awareness about Intellectual Property Rights.

Theme: Intellectual Property Rights

The celebration started with conduct of various activities such as poster presentation, power point presentation, drawing and logo presentation. The students created awareness about Intellectual Property Rights and Innovation for better future. Later the session was handed over to the resource person Mrs. Preethi Narayanan. The lecture was conducted in the offline mode. She explained about the five types of Intellectual properties such as Patents, Copyrights, Geographical Indications (GI), Trademarks and Industrial Designs. She insisted

that only through the Intellectual Property Rights one can claim their Intellectual Properties. She also explained the procedures to claim patent rights. She mentioned that Intellectual property rights refers to the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. The main purpose of intellectual property law is to encourage the creation of a wide variety of intellectual goods and services. This gives economic incentive for their creation, because it allows people to benefit from the information and intellectual goods they create, and allows them to protect their ideas and prevent predatory copying of their ideas and innovations.

Students presenting their ideas through PPT presentatio.

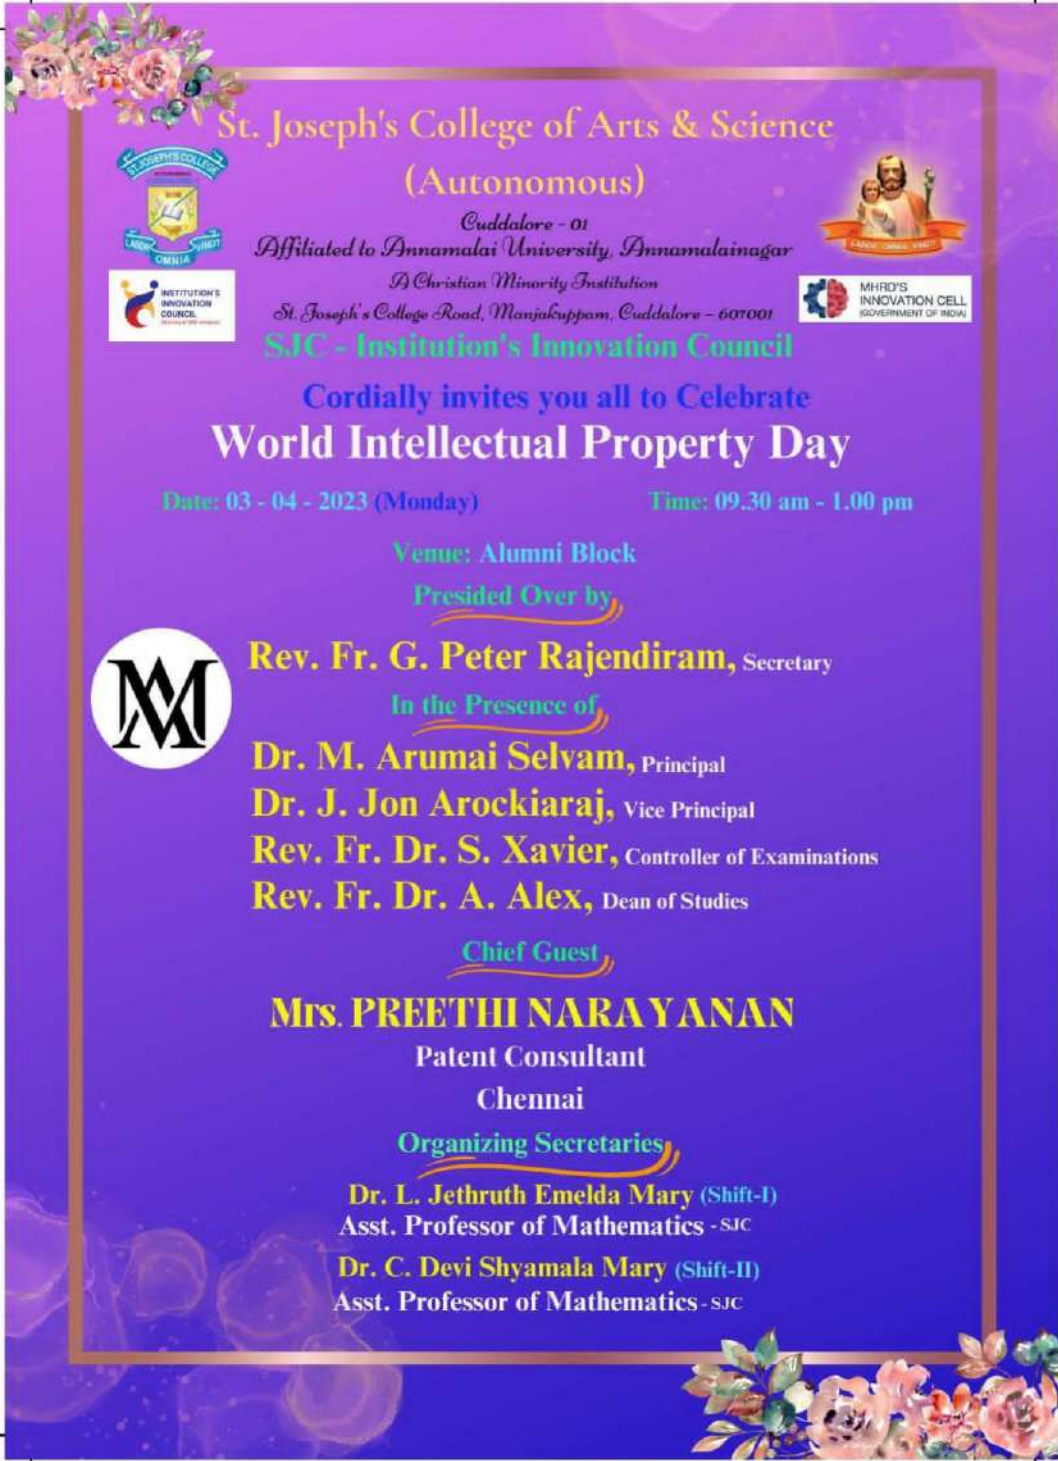

Later, students visited the poster presentation site and learn various concepts about Intellectual property and advanced future technology.

Students witnessing Poster Presentation.

Outcomes of the Programme:

The students acquired fundamental knowledge about IPR and are able to understand the process of applying for patents, copyrights and other IPRs. The students staged their PPT presentation and posters about Intellectual Property Rights.

Program Title: Workshop on Prototype Design & Development

Date: 05.04.2023

Resource Person: Mr.S.Victor Jayaseelan

District Vice-President, Tamilnadu Science Forum.

The PG & Research Department of Physics and SJC Institution's Innovation Council (SJC-IIC) organized one day Workshop on **Prototype Design & Development** on 05.04.2023 for Physics students. The Workshop was convened by Rev. Fr. Dr. S. Xavier and it has been coordinated by Dr. H. Jude Leonard Hilary. The programme began with the blessings of our Head of the Department Rev. Fr. Dr. S. Xavier. The resource person Mr.S.Victor Jayaseelan,, District Vice-President, Tamil nadu Science Forum, delivers the speech for both UG & PG students.

The resource person, discussed the various concepts of physics and the ideas in making prototype modules. The skills and knowledge of the students should be streamlined in such a way that they should provoke to involve themselves in creating models incorporating physics concepts. They can work in improving technology, developing new energy sources, advancing medicine, and exploring the mysteries of the universe. Following the workshop, students interacted with him, asking him questions about developing the prototype. The resource person validates the various exhibits explored by the students. The programme was coordinated by Dr. H. Jude Leonard Hilary (Shift-I). 18 students participated in the workshop.

The **SJC Institution's Innovation Council** organized **The Business Plan Competition** a pitching event for entrepreneurial ideas on 20.04.2023 (Thursday) in offline mode. The programme was presided by Rev. Fr. G. Peter Rajendiram, Secretary of St. Joseph's College of Arts & Science (Autonomous), Cuddalore. Dr.M.Arumai Selvam, Principal, Dr.J.Jon Arockiaraj, Vice-Principal and Rev. Fr. Dr. A. Alex, Dean of Studies, felicitated the programme. The event was organized by Mr.A.Domnic Xavier, Assistant Professor, Department of Commerce (Bank Management) . 15 students participated in the contest.

Objectives of the programme:

- To enable the students present their novel business ideas.
- To provide opportunity to develop business model effectively to progress the business.

.Participants expressing their novel ideas with presentation.

The event had a reinforcing knowledge into the entrepreneurship pitch competitions which enabled a positive experience for the students and their creative ideas. The students willingly participated in all the activities with a motive to mutually learn from their fellow competitors. The students are able to effectively sort out some of the toughest competition around. The students strongly realized that the pitching competition is one of the profound ways to foot into entrepreneurship world. The event had a good interactive audience which paved way for different opportunities to be made for their future business ambitions.

Participants expressing their novel ideas with presentation.

Outcome of the Event:

- Students are able to think critically on every aspect of their business.
- Students are able to identify and channelize the problems to be solved.
- Students feel more confident while pitching in the contest.
- Students presented their novel business ideas and relatively developed business model effectively to progress the business.

The **SJC Institution's Innovation Council** in association with innovation & entrepreneurship development cell organized "**Workshop On Business Model Canvas**" on 25.04.2023 (Tuesday) in offline mode for shift-1 final year students of commerce department. The program was organized by **Mr.a.Albert Ravi**, Assistant Professor Department of Commerce and **Dr.P.Arul Prasad Department of Commerce, IEDC Co-Coordinator**. 138 students participated in the workshop.

Workshop on the Business Model Canvas (BMC) – a dynamic framework for business planning, innovation, and entrepreneurship. The workshop aimed to equip students with practical knowledge and hands-on experience in using the BMC to craft, assess, and refine business ideas.

"Resource person addressing the participants"

Objective of the Programme:

- Introduce students to the fundamentals of entrepreneurship, including identifying opportunities, developing business models, and assessing market potential.
- Provide students with practical tools for starting and managing a business, including financial management, marketing strategies, and operations planning.
- Encourage students to think creatively and develop innovative solutions to business challenges.
- To develop entrepreneurial spirit and skills so that the students can seamlessly pursue entrepreneurship which is a much needed attribute in today's dynamic economic scenario.

Outcome:

The program provided students with a comprehensive understanding of entrepreneurship and equipped the students with practical knowledge and hands-on experience in using the BMC to craft, assess, and refine business ideas.

The **SJC Institution's Innovation Council** in association with Innovation & Entrepreneurship Development Cell organized **Workshop on “Problem Solving and Ideation”** on 18.11.2022 (Friday) in blended mode. The Programme was presided by Rev. Fr. G. Peter Rajendiram, Secretary of St. Joseph's College of Arts & Science (Autonomous), Cuddalore. Dr.J.Jon Arockiaraj, Vice-Principal and Rev. Fr. Dr. A. Alex, Dean of Studies, felicitated the programme. The workshop was organized by Mr. M. Om Prakash, Assistant Professor, BBA (CA) and Mr. I. Anand Raj, IEDC Co-Ordinator. 100 students participated in the workshop.

Felicitations of the guests and part of student participants witnessing the workshop.

Objective of the programme:

- To understand the Innovation methodology, framework & build on skills and tools.
- To perform brain storming and ideation session.

Session 1: Innovation methodology, framework & build on skills and tools.

The resource person for the session was Mr.K. PonVenkatesh, Business Collaborator, Sunbird Straws, Bangalore. He started the session with the start-up journey of Sunbird Straws, an eco-Start-up, which is a brain child of Professor.Dr.Saji Varghese. He insisted that starting point of any innovation comes from simple observation and visualizing things in a different dimension. He taught the students the innovation funnel methodology through which an idea passes through a rigorous refinement process. He also discussed about the fundamental skills and tools for developing an innovation framework. The key takeaways are, keep things simple, constantly developing and bettering ideas, in the journey of innovation lot of sub innovations always emerge.

Session 2: Brain storming and ideation session

The resource person for the session was Mrs.S.Radhalakshmi, Founder, CEO of ASR Exports, Coimbatore. ASR exports is an Eco startup which involves in production and exporting of eco products developed from coconut shell. The session started with the failures she faced in many ventures. Then she continued with the evolution of ASR exports, the initial stages of struggling in the start-up journey. The rapid scaling up from a 5 lakh company to a 10 crore exporting company within a shorter span of 2years. She organized a brainstorming session through which the students came up with different ideas. The session brought forward the different ideas in the craziest forms. She narrated how to categorize the raw ideas, filtering ideas which can be further developed into a viable commercial product. She strongly recommended registering a particular design once finalized and patenting the final products. She also explained how to pitch in foreign markets, identifying genuine clients for the products.

Rev. Fr.Dr.A.Alex moderating the brainstorming session. One of the student discussing his idea with the resource person.

Outcomes of the workshop

The students are able to understand about the innovation funnel methodology, the fundamental skills and tools for developing an innovation framework. The students are engaged in performing brain storming and ideation session through which the students learnt how to develop and refine an idea.

The **SJC Institution's Innovation Council** in association with Innovation & Entrepreneurship Development Cell organized a motivation programme titled "India Start-up Day - Successful Journey of a Start-up founder" on 19.11.2022 (Saturday) in blended mode. The Programme was presided by Rev. Fr. G. Peter Rajendiram, Secretary of St. Joseph's College of Arts & Science (Autonomous), Cuddalore. Dr.M.Arumai Selvam, Principal, Dr.J.Jon Arockiaraj, Vice-Principal and Rev. Fr. Dr. S. Xavier, Controller of Examinations, felicitated the programme. The workshop was organized by Mr. M. Om Prakash, Assistant Professor, BBA (CA) and Mr. I. Anand Raj, IEDC Co-Ordinator. 100 students participated in the workshop.

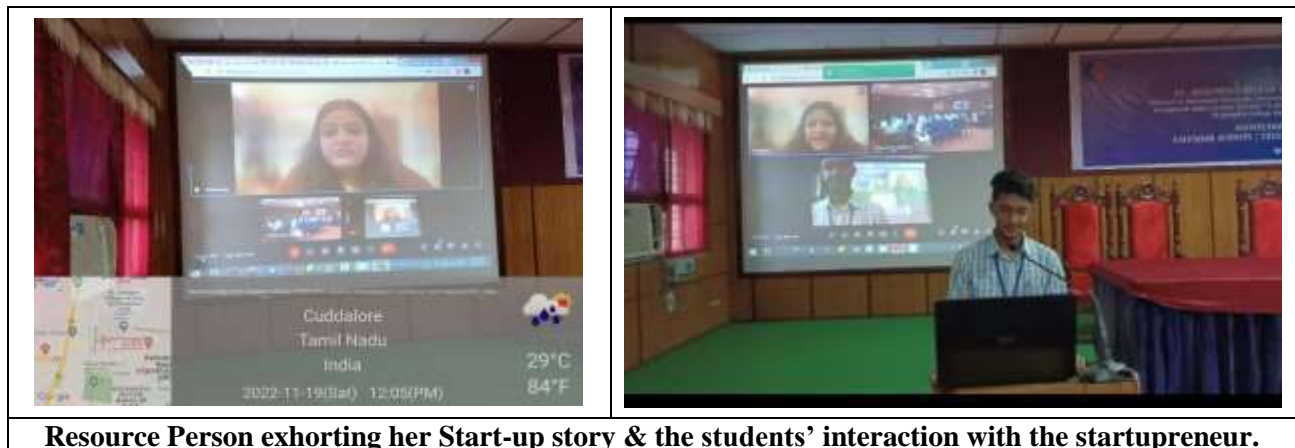

Mr.R. Punniyaseelan introducing the start-up and its founder to the students.

Objectives of the programme:

- Enabling the students to interact with startupreneur and to understand the nuances of establishing a Start-up.
- To understand about risk taking opportunity & critical thinking.
- To learn how to - build a team, raise capital, learn from failure.

The session started with a brief introduction about the resource person, her education, her expertise and field of operation. The resource person narrated the journey of her startup – **Bullsmart** which is a financial start-up rendering a fully comprehensive platform for young investors and speculators. Bullsmart is a knowledge rendering platform which educates young investors and speculators with respect to capital markets. She narrated how she identified her niche in developing the start-up. The breakthrough idea emerged from the failure of her first start-up, which is an e-tail business. She exhorted herself as a self-made woman who constantly learn from her failures and bounce back strongly. She also educate the students how to identify the niche and taking calculated risk while pursuing the start-up journey. She recommended the students to participate in innovation expo, pitching events and start-up events to get better exposure, to understand how an idea is presented, how to find seed money, and how to win initial stages of funding from angel investors. She strongly described the strongest pillars of the start-up is the core team which elevates the start-up through a long term. The best team will remain intact and pass through the tougher times together and create synergy with at most faith in each other.

Resource Person exhorting her Start-up story & the students' interaction with the startupreneur.

Outcomes of the programme

The students had an opportunity to interact with the startupreneur and understood how a start-up evolves from simple idea. They are able to learn the following through the programme.

- Qualities a startupreneur must develop especially the risk taking ability.
- Ability to face the failure and learning from the failure.
- Sharp observation of day to day happenings which is a key for innovation.
- The importance of acquiring and updating relevant skills.
- Critical thinking which leads to innovative solutions to pressing problems.
- Identifying opportunities through various sources.
- Building a successful team for a long term evolution.
- Importance of participating in various pitching events which helps to raise capital.

Resource Person: Dr. P. Marie Arockianathan, Associate Professor & Head, Department of Biochemistry, St.Joseph's College of Arts and Science, Cuddalore.

The **SJC Institution's Innovation Council** in association with Innovation & Entrepreneurship Development Cell celebrated “**National Education Day**” on 21.11.2022 (Monday) in offline mode. The theme for the activity is “**New Education Policy 2022**”. The Programme was presided by Rev. Fr. G. Peter Rajendiram, Secretary of St. Joseph's College of Arts & Science (Autonomous), Cuddalore. Dr.M.Arumai Selvam, Principal, Dr.J.Jon Arockiaraj, Vice-Principal and Rev. Fr. Dr. A. Alex, Dean of Studies, felicitated the programme. The programme was organized by Dr. L. Jethruth Emelda Mary, Assistant Professor of Mathematics and Dr. C. Devi Shyamala Mary, Assistant Professor of Mathematics. 236 students participated in the seminar.

Rev.Fr.Dr.Alex, Dean of Studies & IIC Convener and Dr.J.Jon Arockiaraj, Vice-Principal felicitating the programme.

Objective of the programme:

- To celebrate National education Day.
- To understand the concept of New Education Policy 2022.

The programme started with the motto of celebrating “National Education Day”, which is to commemorate the birth anniversary of India's first Education Minister Maulana Abul Kalam Azad. The event focused on celebrating the birth anniversary of Maulana Abul Kalam Azad and his contribution for Indian education. The discussion leads to importance of education in India's growth, development and the nation's commitment to all aspects of education.

The Theme: New Education Policy 2022:

The resource person for the session was Dr.P. Marie Arockianathan, Associate Professor & Head, Department of Biochemistry, St.Joseph's College of Arts and Science, Cuddalore. He started the seminar by giving introduction to New Education Policy 2022. He explained about the differences between Old Education Policy and New Education Policy 2022. The new **NEP** is based on four pillars which are **Access, Equity, Quality, and Accountability**. In this new policy, there will be a 5+3+3+4 structure which comprises 12 years of school and 3 years of Anganwadi/ pre-school replacing old 10+2 structure. He insisted that the NEP 2022 will bring about massive reform and change in our country. He mentioned that the aim of the NEP 2022 is to reduce the curriculum load of students and allowing them to be more Inter-disciplinary and Multi-lingual. By this policy, the students will be provided systematic education so that they have improved their Knowledge, Skill & Attitude (Competency). The students will be provided foundation literacy and numeracy. He also discussed about the disadvantages and difficulties in implementing the NEP 2022. The key takeaways are, understanding the overall concept of NEP 2022 and the necessity for this new policy in our country's Education system which powers the National Development.

Outcomes of the Programme

The students are able to understand the salient features of New Education Policy 2022. The students got clear view about advantages and disadvantages of NEP 2022 and learnt how to adapt to this new policy.
