**EVERY DROP COUNTS –
CHAMPION OF BLOOD DONATION**

CASE STUDY
EVERY DROP COUNTS – CHAMPION OF
BLOOD DONATION

St. Joseph's College of Arts & Science
(Autonomous) Cuddalore

Impact Report: Every Drop Counts – Champion Of Blood Donation

Programme Overview:

Every Drop Counts - Champion of Blood Donation programme is conducted by the National Service Scheme (NSS) unit of the College. This report presents the key activities and achievements under Every Drop Counts - Champion of Blood Donation Programme for the academic years 2019-2024. Since the inception of National Service Scheme, various blood donation programs have been organized by it.

Location: On-campus and Off-campus

Objectives:

1. Sensitizing the Need for Blood Donation on-campus and off-campus.
2. Instilling a Sense of Altruism among students and the general population.
3. Motivating Regular Blood Donation.
4. Scientific Awareness about Blood Donation.

Context:

- The annual demand for blood in India is 14.6 million units, but often there is a shortage of 1 million units and only 70% of blood donation is voluntary.
- As per WHO recommendations, 1% of the population should be Voluntary Blood Donors. As per the census of 2022, Tamil Nadu requires a minimum of 700,000 units of blood, as per WHO norms. For the year 2022- 2023, 7,17,372 units of blood / blood products had been collected during the year which includes 4,22,521 blood units collected through 4,191 Voluntary Blood Donation camp. During this period 10,836 blood units have been transfused.
- In this context, The SJC Blood Donation Initiative contributes to **voluntary blood donation** as against paid blood donation and contributes to efforts at the state and national level by raising consciousness and enabling people to donate blood.
- Population Growth, increase in accidents, increase in number of surgeries lead to a surge in demand for blood donation, which the program hopes to meet.

Programme:

NSS club of our institution has regularly engaged in blood donation activities. NSS volunteers and students of institution are being educated, inspired, and motivated to become regular and voluntary blood donors, thereby ensuring a stable and sufficient blood supply for those in need. Workshops, Seminars and Interactive Sessions are organized in which healthcare professionals and experienced donors educate students on the importance of blood donation. Information dissemination was done by the distribution of pamphlets and informational brochures across the campus to raise awareness on blood donation.

Principles of the Programme

The following guiding principles underpinned the success of the programme:

- **Voluntary Participation:** All blood donations were voluntary, emphasizing altruism and community spirit.
- **Inclusivity:** The programme actively engaged students from diverse backgrounds, irrespective of age, gender, or -economic status.
- **Education:** Awareness sessions was conducted to dispel myths and misconceptions related to blood donation.
- **Collaboration:** Partnerships with hospital, government agencies, blood banks, facilitated outreach efforts.

The Practise/Key Activities:

- Regular blood donation camps are conducted every six months in collaboration with local blood banks, making it convenient for the students and the faculty to donate blood. Student volunteers are encouraged to volunteer for organizing and promoting blood donation drives.
- Emergency Blood Donations requests are co-ordinated by the NSS officers and suitable donors are contacted and sent to the Hospitals in need.
- Students are appointed as ambassadors to champion the cause and motivate their peers towards blood donation. Certificate of Appreciation is given to regular donors.

Achievements / Key Statistics

1. **Consistent Drives:** Our college organized regular blood drives, both on-campus and in collaboration with local blood donation centres. These drives were well-attended, demonstrating the commitment of our community. A total of **8** on-campus blood donation campus were held during the assessment period
2. **Awareness Campaigns:** We conducted awareness campaigns to educate students about the importance of blood donation. These efforts dispelled myths, addressed concerns, and encouraged more people to participate.
3. **Partnerships:** We colloboarted/co-orindated with hospitals in Cuddalore, Chidambaram, Mundiampakkam and Pondicherry. The hospitals where our students facilitated blood donation on emergency call are:
 1. Krishna Cancer hospital,
 2. Government Headquarters hospital,
 3. Kannan Hospital
 4. Maruthi Hospital
 5. RR hospital
 6. Abirami Hospital
 7. Vallivillas Hospital,
 8. Sarvana Hospital in Cuddalore
 9. Mundiampakkam Government Medical College

10. Mundiampakkam Government hospital in Chidambaram
11. JIPMER
12. Mahatma Gandhi
13. Indira Gandhi
14. PIMS

Uniqueness in Higher Education Context

- **Educational Awareness:** Blood donation programs educate students about the science behind blood types, compatibility, and the critical need for donations.
- **Educational Experience:** Students involved in organizing drives gained practical skills in **event management, communication, and community engagement.**
- **Continued Social Responsibility and Altruism:** Our campaign reinforced the idea that giving back to society is a collective responsibility. It fostered a culture of empathy and altruism.
- **Community Health:** Our campaign extended beyond college boundaries. Donated blood reached patients in neighbouring hospitals, positively impacting their health outcomes.
- **Academic Partnerships:** The programme collaborated with public hospitals and public service institutions.

Alignment with SDG Goals: The outreach program is aligned with the following SDG Goals.

Evidence of Success: Impact Achieved

1. **Total Units Donated:** Over the five-year period, our college community contributed **528** units of blood.
2. **Donor Participation:** We engaged students, faculty, and staff in regular blood drives. The sustained participation of our college community ensured a steady supply of blood for local hospitals. Over **200** students responded to emergency calls for blood donation.
3. **Lives Saved:** Each unit of blood is said to impact up to three patients, making our efforts even more significant. We estimate **1500** patients may have been benefitted from the blood donors.

Problems Encountered and Resources Required:

- 1. Donor Retention:** Encouraging repeat donors was a challenge. We implemented continuous communication to address this.
- 2. Seasonal Variability:** Emergency Blood donation often experienced fluctuations based on the academic calendar, holidays, and exam schedules. Balancing consistent donations throughout the year was difficult.
- 3. Stigma:** Some individuals still hesitated due to misconceptions or fear of needles.
- 4. Sustainability:** Maintaining momentum over a number of years required continuous effort.
- 5. Logistics:** Coordinating blood donations across different locations where students had to travel was complex.

Conclusion

The five-year blood donation campaign at our college exemplifies the power of collective action. Through sustained efforts, we not only saved lives but also instilled a sense of purpose and compassion in our community.

S. No	Type	Units donated
1.	Blood donation camp	533
2.	Individual blood donation on request	216
	Total	749

Student Volunteers Donating Blood

On 19th September 2019, our NSS units organized a mega Blood Donation Camp, which turned out to be a significant event. The camp saw the presence of several distinguished guests who delivered enlightening speeches such as the Superintendent of Police, the Traffic Inspector of Cuddalore, our college secretary, Rev. Fr. G. Peter Rajendiram, along with the Programme Officers. Their support added great value to the event, which also saw active participation from 80 dedicated NSS volunteers from Units I and II. The volunteers worked tirelessly to ensure the smooth running of the camp, which resulted in the collection of 50 units of blood from generous donors. This contribution will greatly benefit patients in need of blood transfusions in the district.

The District Blood Transfusion Officer of Cuddalore acknowledged the efforts put into organizing the camp by presenting a certificate to our college secretary and the Programme Officers. The event was a testament to the commitment of our NSS units to social service and community welfare.

Chief Guest	RDO P.Jagadhishwaran Cuddalore, Dr.N.Hafiza.

On 11th February 2020, a Blood Donation Camp was held at our college with active participation from our NSS volunteers. The event began with an introductory speech by our NSS Coordinator, Dr. L. Santhana Raj, who addressed the volunteers. This was followed by an inspiring speech from our College Secretary, Rev. Fr. Peter Rajendiram. Cuddalore District RDO, Mr. Jagadhishwaran, also delivered a motivational speech to encourage the volunteers.

Dr. N. Hafiza provided detailed information about the importance of blood donation. During the event, Dr. N. Hafiza presented the Best Organizer Award for the Blood Donation Camp to our College Secretary. RDO Mr. Jagadhishwaran awarded the camp certificate to the camp organizers and also presented the Best Blood Donation Camp Organizer Appreciation Certificate to our NSS Coordinator. Additionally, our College Secretary awarded a similar appreciation certificate to our NSS Programme Officer, Dr. A. Annammal. The event was a great success, thanks to the dedicated efforts of our NSS volunteers.

Student Volunteer Donating Blood

Report

On 17.02.2021, a blood donation camp was organized at St. Joseph's College of Arts and Science, Cuddalore. The event aimed to foster social responsibility among students and promote the vital cause of blood donation. The camp was inaugurated by the esteemed Chief Guest, the Sub-Collector of Cuddalore, who commended the college's efforts to support healthcare initiatives. Faculty, staff, and students enthusiastically participated in the camp, contributing to a noble cause. The event highlighted the college's commitment to instilling community values and social service among students, reinforcing its mission to cultivate responsible citizens.

Rev. Dr. Xavier, Controller of Examinations addressing the Volunteers Dt. 29-08-2021

On 29th August 2022, our NSS Units I and II organized a successful Blood Donation Camp. The event was graced by the presence of several esteemed guests, including the Mayor, Mrs. R. Sundari Raja, Mr. Karikala Pari Sankar, and DSP Prabhakaran Augustine. Our college's Vice Principal, Dr. Jon Arokiya Raj, along with the NSS Programme Officers, Dr. L. Santhana Raj and Dr. A. Annamal, also attended the camp, offering their support and encouragement.

The camp saw active participation from 40 NSS volunteers from both units, who assisted in various activities throughout the day. Their dedication and teamwork were instrumental in making the camp a success. A total of 35 units of blood were collected from generous donors, making a valuable contribution to the community's blood supply.

At the conclusion of the event, the organizers were presented with a certificate of appreciation for their efforts in organizing the camp. The event highlighted the spirit of service and dedication within our NSS team.

The NSS unit of St. Joseph's College of Arts and Science (Autonomous), Cuddalore, in collaboration with the Blood Donor Team, organized a successful Blood Donation Camp on 4th November. The program began at 10:00 a.m. with a blessing from Rev. Fr. G. Peter Rajendram, Secretary of the college. Dr. L. Santhana Raj, the coordinator, warmly welcomed the gathering.

Dr. M. Arumai Selvam, Principal, Dr. J. Jon Arokiaraj, Vice Principal, and Rev. Fr. Dr. A. Alex, Dean of Studies, offered their felicitations for the event. The college has a tradition of organizing blood donation camps every year, with both students and faculty members participating enthusiastically.

A total of 100 students participated in the event, and over 50 donors volunteered to give blood, resulting in the collection of 85 units. HDFC Bank supported the event by sponsoring 100 T-shirts and certificates for the donors and volunteers, making the camp a great success.

St. Joseph's College of Arts and Science (Autonomous), Cuddalore, in collaboration with the Government Headquarters Hospital, Cuddalore, organized a blood donation camp on September 15, 2023, from 10:00 AM to 12:30 PM at the college premises. The Cuddalore Municipal Commissioner, Mr. M. Gandhiraj, the College Secretary, Dr. M. Swaminathan, the Principal, Dr. M. Arumai Selvam, and the Vice Principal, Dr. Jon Arockiaraj, were present to highlight the event. NSS Shift I Program Officer, Dr. L. Santhana Raj, gave an introductory speech about the camp, and the event was inaugurated by Municipal Commissioner Mr. M. Gandhiraj.

The camp featured the participation of Mr. K. Kathiravan, District Supervisor of DAPCU, Cuddalore, and Mr. S. Shahul Hameed, an awareness advocate for blood donation, along with Mr. Ramkumar from the Ratha Uravugal Trust. Approximately 50 units of blood were donated by college students to support patients severely affected by dengue fever. Appreciation certificates were awarded to Dr. M. Swaminathan, Dr. M. Arumai Selvam, Dr. Jon Arockiaraj, and Dr. L. Santhana Raj by Municipal Commissioner Mr. M. Gandhiraj.

Guava plants and dates were given to blood donors in recognition of their voluntary contributions. Several NSS volunteers also donated blood to support dengue patients. Toward the end of the event, Mr. S. Shahul Hameed delivered an impactful talk on the importance of blood donation and presented a guava plant to the NSS volunteers to acknowledge their cooperation and dedication.
