# HOLISTIC DEVELOPMENT OF SCHOOL STUDENTS

2019 - 2024

2024

[www.sjctnc.edu.in](http://www.sjctnc.edu.in)

2019

**Introduction:**

The college conducts a number of programmes focusing on holistic development i.e., academic, non-academic, mental-health programs, and rights-based programs for school students in Cuddalore district.

**Context/Need for the Programme:**

A national survey suggests that 7.5% of children in India struggle with mental health disorders. Students generally suffer from exam anxiety, depression and other issues. Addressing these issues is essential to create a supportive educational environment that promotes overall student well-being in the district.

**Objective of the program:**

- To improve the self-esteem of rural students so that they improve their academic and co-curricular performance.
- To motivate students to work hard to achieve recognition and acceptance from the society as well as people around.
- To provide personality development training through various activities to develop resilience.

**Programme Activities:**

We have conducted programmes which can enhance the students at various venues like school campus, community centers, and public spaces ensuring that participants from diverse backgrounds can easily access them. Each programme has been carefully designed to address specific interest of the students. Our initiatives have shown the power of education and community service in making a meaningful difference in the lives of marginalized communities.

Figure 3 Chief Guest Addressing the audience on Goal Setting

Figure 4 Personality Development Among School Student

Figure 6 Resource Person Interacting with Participants

Figure 7 Basic English Grammar

Figure 8 Computer Literacy Program

Figure 9 How to Face Examinations

Some of the specific topics/trainings offered under this program include

- importance of yoga
- life skills to face examination fearlessly
- personality development
- promoting yoga for healthy life
- leadership development
- exam related stress management
- significance of attitude formation
- career enhancement
- importance of physical education
- importance of moral values
- awareness on POCSO act
- importance of social values
- say no to smoking and yes to life
- behavior intervention and health system
- social media impact on teenagers' health and well-being
- how to address barriers in family bonding
- goal setting
- hygiene practices
- children's day celebration
- computer literacy programme.
- blood grouping campaign
- importance of Poshan Abhiyan.

### **SDG Goals**

The outreach program is aligned with multiple SDG GOALS such as:

### **Impact of the Programme:**

All these programmes contributed to the holistic development of the students:

- Students' attitude, skills, values and mindset have been cultivated to fit into the life of the society. Character formation among the students was stimulated and achieved by our training program.
- Awareness on Stress-management Techniques and Being Resilient.
- Awareness on POCSO Act.

### **Conclusion:**

Overall, we have done significant work in promoting psycho-social wellness of the students and our efforts have had a positive impact on society at large. Thus, our extension service with the motto of 'enhancing the self-esteem of rural students' effected a positive effect on the students' academic performance and holistic development.

	Title of the Extension Activity	Sanitation awareness among the school students
	Organising Unit	PG & Research Department of Microbiology
	Venue	Ramanathankuppam, Kurinjipadi, Cuddalore
	Date	11.06.2019
	No. of Participants	5

Students from the PG and Research Department of Microbiology at St. Joseph's College of Arts and Science (Autonomous) dedicated their time to serving the rural community through a meaningful outreach program. Coordinated by Dr. J. Jayaprakash, Assistant Professor of Microbiology, this initiative aimed to enhance public health awareness in the local area. As part of the program, the students engaged with school children, explaining proper sanitation guidelines that are crucial for maintaining a healthy environment. They emphasized the importance of cleanliness, personal hygiene, and the safe disposal of waste to prevent health issues. The interactive sessions encouraged the students to ask questions and share their thoughts, making the learning process more engaging. By educating young minds about sanitation, the college students aimed to instill lifelong habits that would contribute to the overall health of the community. This initiative not only benefited the children but also fostered a sense of social responsibility among the college students.

The students from the PG and Research Department of Microbiology at St. Joseph's College of Arts and Science (Autonomous) dedicated their time to serving the rural community through an internship program focused on rural community service for college students. Coordinated by Dr. J. Jayaprakash, Assistant Professor of Microbiology, the initiative aimed to promote awareness of hygienic practices among government school students at Ramanathankuppam. During the program, our students conducted interactive sessions to educate the children about proper sanitation, hygienic practices, and the correct use of toilets. The primary goal was to inculcate good hygiene habits that would contribute to the overall health and well-being of the students. By engaging the children in discussions and activities, our students helped to foster a deeper understanding of the importance of cleanliness and sanitation. This initiative not only benefited the school community but also enriched the students' learning experiences, reinforcing their commitment to social responsibility and public health.

Organising Unit	Social Service Club
Venue	Middle School, Thirmanikizhi
Date	28.6.2019
No. of Participants	5

On 28.06.2019, students from the SSC conducted an important activity promoting personal hygiene and toilet usage at the primary and middle school located in Thirumanikuzhi village. This initiative aimed to educate young students on the significance of maintaining good hygiene practices and the proper use of toilets. Supervised by Chief Coordinator Mr. C. Justin Marshal, the event successfully engaged the student beneficiaries, who gained valuable knowledge about personal hygiene, including handwashing, sanitation, and the importance of cleanliness. A total of five student volunteers participated in this initiative, leading interactive sessions that encouraged active participation and discussion among the children. Through games, demonstrations, and informative presentations, the volunteers effectively communicated the core messages about hygiene. The positive feedback from the students indicated that they were not only informed but also inspired to adopt better hygiene practices in their daily lives, contributing to healthier habits within their community.

Title of the Extension Activity	Rally for the awareness on Child Abuse and Child Labour
Organising Unit	St. Joseph's Rover Crew
Venue	From Town Hall to Silver beach
Date	03/07/2019
No. of Participants	26

On 03/07/2019, a rally was conducted in collaboration with the Elders Association in Cuddalore to raise awareness about the critical issues of child abuse and child labor. These social problems are significant stigmas in society, particularly in developing countries like India. Child abuse undermines the safety and well-being of children, while child labor deprives them of essential educational opportunities, negatively impacting their health and academic performance. Recognizing the urgency of these issues, the rally aimed to educate the public and encourage community action. Over 50 elder participants, along with 26 rovers from our institution, joined forces to amplify the message. Together, they marched through the streets, distributing informational materials and engaging with the community to highlight the importance of protecting children's rights. This collective effort not only raised awareness but also fostered a sense of responsibility within the community to combat these pervasive issues and advocate for a brighter future for children.

Title of the Extension Activity	Awareness Programme on plastic free school & society
Organising Unit	Department of Mathematics
Venue	Shanmuga Nagar, Parangipettai, Cuddalore District
Date	20.07.2019
No. of Participants	50

An extension activity was organized by the students of the VSL programme of II B.Sc. Mathematics (Shift - I) on 20-07-2019 from 2.30 pm to 4.30 pm. Approximately 50 students participated in a cleanup initiative at the school, raising awareness about the importance of maintaining a plastic-free environment in schools and society. Accompanied by staff coordinators Dr. S. Anjal Mose, Mr. J. Arockia Aruldoss, and Mr. R. Julian Francis, the students actively engaged in cleaning the school campus. They displayed placards to emphasize the need for a plastic-free school and took the initiative to collect garbage throughout the area. After gathering all the waste, they educated local residents on proper waste disposal methods. Additionally, the students planted saplings to promote environmental conservation. The teachers provided encouragement and support throughout the event. The students concluded the activity and dispersed with their staff at 4.30 pm, having made a meaningful impact on their school environment.

Organising Unit	Department of Biochemistry
Venue	Panchayat Union Primary School, Killai, Chidambaram
Date	09.09.2019
No. of Participants	16

On 09.09.2019, the PG & Research Department of Biochemistry, in collaboration with the PG Department of Social Work, organized a "Blood Grouping Camp for School Students" at Panchayat Union Primary School, Killai, Chidambaram. Six PG students and Mr. A. Lawrance, Assistant Professor of Biochemistry, conducted blood group testing for approximately 160 children aged 5 to 10 years. They were supported by 10 Social Work students and 2 faculty members. This camp, particularly beneficial for the Irular tribe students, provided them with their first knowledge of blood groups, which is crucial for future health check-ups. It also emphasized the importance of blood types and fostered community engagement among the participants.

Organising Unit	Department of Commerce
Venue	Municipal Middle School, Mulligrampattu, cuddalore district.
Date	10.09.2019
No. of Participants	10

The PG & Research Department of Commerce organized a Village Service Learning Programme on 10.09.2019. Ten students from II B Com A & B – Shift II raised awareness about promoting human values among the students of Municipal Middle School in Mulligrampattu. They performed a skit and role play focused on themes of gratitude and family expectations, and engaged the children in games that encouraged them to share their aspirations. At the conclusion of the event, students and staff presented notebooks, pens, and snacks to the school children. The programme was coordinated by Mrs. S. Baby Motcharakkini, Assistant Professor in the Department of Commerce.

Title of the Extension Activity	Awareness Programme on Prevention and Treatment For lifestyle diseases.
Organising Unit	Department of Biochemistry
Venue	Government Primary School, Shanmuga Nagar, Parangipettai
Date	18.09.2019
No. of Participants	10

Extension activities play a vital role in enhancing society. On 18.09.2019, ten II year UG Shift I students visited Government Primary School, Shanmuga Nagar, Parangipettai, to conduct an awareness program on “Prevention and Treatment of Lifestyle Diseases.” They presented information on the causes, prevention, and treatment of various lifestyle diseases, encouraging students to adopt healthier habits. The school children were enthusiastic, engaging attentively in discussions about health and hygiene. This initiative, led by Dr. K. Shagirtha, benefitted around 60 students. Additionally, the II year UG students gained valuable insights into lifestyle diseases while enhancing their leadership, social consciousness, and communication skills.

Empowering young minds: students raise awareness about lifestyle diseases at Government Primary School. Parangipettai

Title of the Extension Activity	Charity and Entertainment Programme for the Children
Organising Unit	Department of Commerce
Venue	Global Trust for the Differently Abled Institution, Cuddalore.
Date	20.09.2019
No. of Participants	73

The PG and Research Department of Commerce organized an extension activity with 73 students from II B.Com 'A (Shift-II) at the Global Trust for the Differently Abled Institution in Cuddalore, aimed at meeting the needs of the children there. The students were warmly welcomed by the in-charge of the trust. They conducted games and cultural events themed around the purpose of the program. Lunch was provided, along with snacks at the end of the activity. Nearly 25 pupils benefited from this charity program. Our students gained valuable insights into the challenges faced by differently-abled children, fostering a deeper understanding of the importance of kindness and compassion toward others.

Title of the Extension Activity	Introducing Basic English Grammar
Organising Unit	Department of English
Venue	Oasis Special School, Vanniyarpalayam, Cuddalore
Date	26 .09. 2019
No. of Participants	10

On 26.09.2019, the Department of English organized a special program for children at Oasis Special School, aimed at introducing them to Basic English Grammar. The initiative was led by Mr. Sunny Joseph Sebastian, who expertly guided the participants through engaging activities designed to enhance their understanding of the language. The primary objective of the program was to improve their spoken English skills, providing them with the tools necessary to communicate more effectively. This enriching experience not only focused on language acquisition but also aimed to foster personal development and boost self-confidence among the special children. By participating in such activities, the students had the opportunity to express themselves and interact with others, thereby enhancing their social skills. Overall, the program was a significant step towards empowering these children and helping them build a stronger foundation for future learning and communication.

Date	03.10.2019
No. of Participants	37

The II MSW students organized an awareness program on “Health and Hygiene.” The program started at 10:00 am at Government ADW Middle School, Cuddalore, aiming to improve the life status of school students, to explain self-discipline and cleanliness, and to create awareness about the importance of education among the students. The program began with a prayer song, followed by an inaugural address by Ms. Vishali, Assistant Professor, Dept. of Social Work, who welcomed the participants. The school headmaster gave a short orientation to the participants about life. Then, the chief guest, Mr. Michael Raj, delivered a felicitation to the students. He spoke about the importance of health and cleanliness, sharing short stories and real-life examples to illustrate his points. The participants and their school staff shared feedback afterward. The program concluded with the National Anthem. The event helped the students learn about the importance of health, hygiene, self-cleanliness, and education in their daily lives.

Date	14.11.2019
No. of Participants	8

Extension activity is an important activity which contributes to the enhancement of the society. In this regard, our II-year UG students of shift II (15 students) were taken to Mulligrampet on 14.11.2019 for Children's Day programme.

Our students actively participated in conducting games to the children. They interacted with the children and had a healthy conversation with them. The school children actively participated. Mrs. Padma Priya flagged off the sports activities. Children in that school were really enthusiastic and sportive. They enjoyed the session and they were very much receptive and the school authorities thanked us. Building Resource Teachers Mrs. Lakshmi and Mrs. Padmapriya gave motivational speech to the children. This programme was carried out by the II-year UG Students with the help of staff in-charge Mrs. T. Shalini.

Title of the Extension Activity	Introducing Basic English Grammar
Organising Unit	PG & Research Department of English
Venue	Dhaya Special School, Vanniyarpalayam.
Date	15.11.2019
No. of Participants	8

The Department of English conducted a programme for the Dhaya Special School students on 15.11.2019 in Vanniyarpalayam. The objective of the programme was to introduce basic English grammar concepts to the students. Led by Mr. Sunny Joseph Sebastian, the programme aimed to enhance their vocabulary and spoken English skills through interactive activities and engaging lessons. Participants were encouraged to practice their language skills in a supportive environment, allowing them to gain confidence in their abilities. Such activities play a crucial role in not only improving language proficiency but also in fostering personal development. Ultimately, this initiative helps students build their self-esteem and communication skills for future interactions.

Our department 2<sup>nd</sup> year UG students (Shift II) thirteen in numbers organized an Awareness Programme on Water and Air Borne Diseases at Glory Government School, Pathirikuppam, Cuddalore on 17.02.2020. The students gave a wonderful speech along with poster presentation on water and air borne diseases. The school children involved actively in this programme and learnt the cause, source, symptoms & treatment for various water and air borne diseases. Our students entertained the children with their dance performance and also distributed stationary items to the children who won in the competitions conducted by us. Nearly 150 school children actively participated in this programme. This programme carried out by the 2nd year students in the presence of staff incharge Dr. N. Priya, Assistant Professor, St. Joseph's College of Arts & Science (Autonomous), Cuddalore-1.

The PG and Research Department of English successfully organized an online English Quiz titled "BATTLE OF THE BRAINS" for Higher Secondary Grade students from 06.06.2020 to 16.06.2020. This engaging event aimed to enhance students' knowledge and skills in the English language while fostering a spirit of healthy competition. The quiz comprised a series of challenging questions that tested participants on various aspects of English literature, grammar, and vocabulary.

To encourage widespread participation, the department actively shared information about the quiz across different platforms, ensuring that students were well-informed about the event. The response was overwhelming, with numerous students eagerly signing up to showcase their expertise. The quiz not only provided a platform for students to challenge themselves but also promoted learning in a fun and interactive manner. Overall, "BATTLE OF THE BRAINS" was a resounding success, highlighting the department's commitment to academic excellence and student engagement during challenging times.

The Rotary Club of Cuddalore has given a financial assistance for education, providing a grant of ₹10,000 to support deserving students in the community.

This initiative aims to alleviate the financial burdens faced by families, enabling students to pursue their academic goals without the stress of financial constraints.

The club recognizes the importance of education in transforming lives and is committed to ensuring that no student is denied opportunities due to economic challenges. The funds can be utilized for various educational expenses, including tuition fees, books, and necessary supplies.

The Rotary Club also emphasizes the importance of academic excellence and community service, encouraging recipients to give back to society in the future. This program exemplifies the club's dedication to fostering education and empowering the youth, making a significant impact on the community's development.

Title of the Extension Activity	Awareness programme on Water Saving among Children
Organising Unit	PG Department of Social Work
Venue	Florence Home Foundation, Killai
Date	22.03.2021
No. of Participants	18

The PG Department of Social Work organized an Awareness Programme on Water Saving for children, which commenced with an engaging rally attended by distinguished guests, children, staff, and parents on 22.03.2021 at Florence Home Foundation, Killai. Mr. P. Inbaseakarn from I MSW warmly welcomed the gathering, setting a positive tone for the event. The dignitaries were honored with shawls and mementos, recognizing their contributions to the cause.

Mr. Richard Edwinraj, the Health Inspector for Parangipettai Block, addressed the audience, expressing gratitude for the opportunity to speak. He highlighted the crucial need for educating children about waste and water management, especially in light of potential water scarcity that communities may soon face.

Following a feedback session, Mrs. S. Rajarajeswari from the Florence Home Foundation shared her valuable insights on effective water management practices. The event culminated in a vibrant cultural program featuring performances by the children. Mr. A. Selva Arokiyaraj, Secretary of the Florence Home Foundation, concluded the program by thanking the dignitaries and participants for their involvement.

MSW students are raising awareness about the importance of water conservation among the public.

Organising Unit	National Service Scheme
Venue	Municipality School, Beach Road, Cuddalore
Date	28/07/2021
No. of Participants	20

The Municipal School Vaccination Camp Program was organized by the Cuddalore District Collector on 28/07/2021. This important initiative aimed to provide vaccinations to the community and ensure public health safety. The camp was expertly coordinated by Dr. L. Santhana Raj and Dr. A. Annammal, taking place at the Cuddalore Town Hall, conveniently located next to the New Cinema Theater.

NSS volunteers played a crucial role in the success of the COVID-19 Vaccination Camp. They diligently followed government protocols to ensure safety and efficiency during the event. Their responsibilities included assisting the doctors in managing the crowd, maintaining social distancing, and facilitating a smooth flow of individuals seeking vaccinations. By supporting healthcare professionals and educating the public about the importance of vaccinations, the volunteers contributed significantly to the overall health of the community. This camp not only provided necessary vaccinations but also reinforced the importance of collective efforts in combating the pandemic and promoting public health initiatives.

According to the International Federation of Red Cross and Red Crescent Societies (IFRC), the theme of World First Aid Day 2021 is “First Aid and Road Safety.” Its main aim is to spread awareness of how first aid can prevent injuries and save lives both every day and in crisis situations. The objective of the quiz competition is to provide excitement among the students while also earning accolades. The primary goal of this event was to make participants aware of the importance of first aid and its related activities.

Dr. P. Marie Arockianathan, Convener of this National Level Online Quiz competition, along with Organizing Secretaries Dr. S. Silvan and S/Lt. J. John Robert, ANO, worked efficiently to make this competition a grand success.

The response from students was remarkable: a total of 261 college students and 113 school students actively participated. The students enthusiastically engaged in the quiz, demonstrating their brilliance by rapidly answering questions. Although some questions were quite tricky, the students attempted to answer them with confidence. They found this competition to be very informative and enriching in terms of knowledge.

**Resource Person: Mr. M. Rajkumar**, Clinical Psychologist, Department of Psychiatry, Mahatma Gandhi Medical College, Puducherry.

The resource person, Mr. M. Rajkumar, a clinical psychologist, delivered an insightful talk on promoting mental health among children. He emphasized essential topics such as child health and hygiene, the concepts of good touch and bad touch, and the significance of nutritious food for children's well-being. His engaging style included interactive sessions and games that captivated both children and parents, fostering an inclusive atmosphere.

During the event, trainees performed a powerful drama aimed at raising awareness about child labor, which left a lasting impression on the audience. Mr. Rajkumar created a friendly and welcoming environment in the hall, ensuring everyone felt comfortable. He also organized several games for the children, who participated enthusiastically and enjoyed the activities. To conclude the session, Mr. Rajkumar delivered a motivating speech on women's safety, highlighting the critical importance of understanding "good touch" and "bad touch" in society. The event ended with a heartfelt vote of thanks delivered by Ms. Jeevitha, expressing gratitude to all participants.

Title of the Extension Activity	Motivational Programme on Importance of Yoga
Organising Unit	PG Department of Social work
Venue	Thiruvalluvar Nagar
Date	25.09.2021
No. of Participants	18

The program began with the arrival of the Honourable Chief Guest, Mr. K.V. Sathyavijayan, who was warmly welcomed. The event saw the participation of village youth, children, and their parents. Once everyone, including village residents, students, staff, and the Chief Guest, had gathered, the program officially started with a prayer song performed by the II MSW students, followed by the "Thamizhthai Vazhthu." Mrs. A. Sujitha of II MSW delivered the welcome address. The Social Work Department staff honored the dignitaries with shawls and mementos.

Mr. J. Durairaj, Head of the Department, delivered a felicitation speech, expressing his gratitude for the opportunity and sharing inspiring words with the audience. The Cuddalore District Yoga Secretary, Mr. K.V. Sathyavijayan, then gave a speech introducing the concept of yoga. He offered guidance to the youth on how to pursue yoga as a career, providing valuable insights. Additionally, he educated the children on the idea of "Yoga as a Sport" to raise awareness among them. Following his speech, Ms. Keerthiga M. conducted a yoga demonstration. Mr. M. Madhumathi II MSW student who delivered his heartfull thanks to the dignitaries and the children and the staff and parents who are performed and participate in the programme.

To celebrate World AIDS Day on December 1st, DAPCU (District AIDS Prevention Control, Cuddalore) organized a nutritional supplement distribution for HIV-positive children, along with a Sama Bojana Panthi (Equilibrium Feast). 53 RRC volunteers from our college participated in this meaningful activity, showcasing their commitment to supporting vulnerable communities. The event featured an address by the District Collector, Sri. K. Balasubramaniam, who highlighted the importance of awareness and action in the fight against HIV/AIDS. His words inspired the participants to engage actively in community health initiatives. At the conclusion of the event, all members present took an oath to commit themselves to combating HIV/AIDS, reinforcing their dedication to the cause.

This year's HIV/AIDS motto, "End Inequalities, End AIDS, & End Pandemic," served as a guiding principle for the gathering, emphasizing the need for collective action and solidarity in addressing the challenges posed by the epidemic. The event was a significant step toward fostering awareness and support for those affected by HIV/AIDS.

Title of the Extension Activity	World Mental Health Day
Organizing Unit	NSS- Health Department, Cuddalore
Venue	Town Hall
Date	11.08.2022
No. Of Participants	25

The "World Mental Health Day Rally" was held on 11.08.2022 at the Town Hall in Cuddalore, aiming to draw public attention to mental health issues and promote effective measures for prevention and treatment. The event gathered a significant number of attendees, including prominent health officials and community members. Dr. Ramesh Babu, the District Joint Director of the Health Department, along with Dr. Meera, the Deputy Director, and Dr. Sathyamurthy, the District Mental Health Program Officer, actively participated in the rally. Their presence underscored the importance of addressing mental health as a critical public health concern. The event featured speeches and discussions that highlighted various strategies for improving mental health awareness and accessibility to services. Nurses and other healthcare professionals were also present, emphasizing the collaborative effort needed to tackle mental health challenges within the community. Overall, the rally successfully raised awareness and encouraged a collective commitment to enhancing mental health care.

Sixteen students from Shift II participated in an extension activity at Government Middle School, Pudupalyam, Cuddalore, on January 10 and 11, 2024, from 10 AM to 12:30 PM. Initiated by the headmistress, the program was accompanied by Dr. N. Priya, Assistant Professor in the Department of Biochemistry. It featured practical experiments and stories of great inventors, fostering interest in science. Students engaged actively, answered questions for prizes, and expressed a desire for future visits. The school staff appreciated our efforts and thanked us for the initiative, highlighting its positive impact on the students.

Title of the Extension Activity	“National Birds Day”
Organising unit	VSL- Department of BioChemistry
Venue	Government Middle School, Pudupalayam, Cuddalore
Date	10.02.2024
No. Of Participants	06

On February 12, 2024, six second-year Biochemistry students (Shift II), along with class in-charge Ms. R. Anitha, Assistant Professor, visited Government Middle School, Pudupalayam, Cuddalore, for an extension activity at 10:00 AM. They conducted an “Awareness Programme on National Birds Day” to promote the conservation of birds and their habitats. Ms. R. Santhiya and Ms. A. Ruby Jobitham discussed various bird species, including rare ones, emphasizing the importance of ensuring better living conditions for birds and the release of those in captivity. The students actively engaged with the school children, answering their questions and making the camp both informative and beneficial..

The Department of Zoology conducted an awareness Programme on "Say No to Plastic Bags" on 22.02.2024 at Aarisiperiyankuppam, Cuddalore. The Programme was coordinated by Dr. N. Jayaprabha, Assistant Professor Department of Zoology with 10 students of II ZOE Zoology. Students gave awareness to the students of Government High school, Aarisiperiyankuppam. They were made aware about the hazardous nature of plastic.

Our VSL students also enumerated the impact of pollution on global warming, rapid industrialization, excessive urbanization, deforestation and other man-made activities on environment that have consequentially destabilized environment and have led to an adverse impact over the existence of plant, animals and human beings.

This Programme had great impact on students realizing their social responsibility.

Students actively promoting Awareness to the school students

## St. Joseph's College of Arts & Science (Autonomous) Cuddalore

	Title of the Extension Activity	Computer Literacy Programme for Panchayat Union Primary School Students
	Organizing Unit	VSL- Department of Computer Applications
	Venue	Panchayat Union Primary School, Kozhipakkam,
	Date	12.03.2024
	Number of Participants	50

On March 12, 2024, the students of II – BCA ‘A’ Shift-I, totaling 50 in number, along with a faculty member, embarked on an extension to Panchayat Union Primary School at Kozhipakkam, Annagramam, Panruti. Dr. A. Mary Odilya Teena, Assistant Professor, PG Department of Computer Applications coordinated this activity. The students were divided into several groups to partake in various extension activities. This includes Computer Literacy, Games, Awareness Programs, Quiz and Drawing Competitions, as well as Culturals and Interactive Sessions. Our efforts directly benefited 65 school children, providing them with valuable experiences and knowledge. In a gesture of kindness, the students of BCA sponsored snacks for the event, and prizes were awarded to the competition winners. The participation of esteemed guests, including the village president and members of social groups, added significance to the occasion which provided opportunity to contribute to the welfare of the community.
