Title of the Extension Activity	Rally for the awareness on Child Abuse and Child Labour
Organizing Unit	Rover Crew
Venue	Town Hall to Silver beach,
Date	03/07/2019
Number of Participants	26

A rally was conducted on 03/07/2019 with the elders association, cuddalore in order to create awareness about Child Abuse and Child Labour. One of the biggest social stigmas attached to a society is that of child abuse. Child labour is a problem worldwide, but it particularly affects children in developing countries like India. Child labour not only negatively affects a child's health, but it also negatively affects his/her ability to receive schooling and perform academically. In order to educate the public more than 50 elders and 26 rovers from our institution participated in the rally.

	Number of Participants	50

An extension activity was organized by students of VSL programme of II B.Sc. Mathematics (Shift - I) on 20-07-2019 around 2.30 pm to 4.30 pm. Nearly 50 students have involved in cleaning the school area and given Awareness about Plastic free schools and society. Then the students planted saplings to promote the awareness to save the nature. The students were accompanied by the staff coordinators Dr. S. Anjal Mose, Mr. J. Arockia Aruldooss and Mr. R. Julian Francis. The students cleaned the school campus, gave awareness about plastic free school using placards and also planted saplings. Our students actively participated in the event and started collecting garbage across the school campus. Later they collected all junks in one place and instructed the local residing people to streamline the disposal of the wastes. During the event the students planted saplings at the school campus. The teachers also encouraged our students and with this multi-exposure our students dispersed with staff at 4.30 pm.

The PG & Research Department of Biochemistry in Colloboation with PG Department of Social Work organised “Blood Grouping Camp for School students” on 09.09.2019 at Panchayat Union Primary School, Killai, Chidambaram. Six PG students along with staff member Mr.A.Lawrance, Asst.Prof, Department of Biochemistry, conducted the blood group testing among the Primary School children. They were supported by the 10 students and the 2 faculty of PG Department of Social Work. Nearly 160 students between the age groups 5-10 years were benefited from this blood group camp. The blood group camp conducted in Irular tribe school helped them to know their blood group for the first time and also help them to quote this for any future health issues check-up. This camp also helped them to know the importance of blood & their groups. The blood group camp not only help the students to gain skill in real life situations but also make them to be a part of societal development

	Organizing unit	Department of biochemistry
	Venue	Government Primary School, Shanmuga Nagar
	Date	18.09.2019
	Number of Participants	10

Extension activity is an important activity which contributes to the enhancement of the society. In this regard, 10 of our II year UG shift I students were taken to Government Primary School, Shanmuga Nagar, Parangipettai on 18.09.2019. Our students conducted an awareness programme in this school on the topic “Prevention and treatment for life style diseases”. They gave presentation on the cause, prevention and treatment for various life style diseases and also encourage them to change their life style to meet the ill effects of life style diseases. School children were enthusiastic in listening to their speech on life style diseases and also learnt about health and hygiene. They enjoyed the sessions and very receptive in learning the things. This activity was carried out by the II BCD students along with the class Incharge Dr. K. Shagirtha. Around 60 school children were benefited from this activity. They have learned about the prevention, complications and clinical significance of various life style diseases. Our II year UG (Shift -I) students gained knowledge about the various life style diseases and also improved their leadership, societal conscience and communication skills.

Students created the awareness on “Prevention and Treatment for Life Style Diseases” at Government Primary School students in Shanmuga Nagar, Parangipettai

	Date	23.09.2019
	Number of Participants	40

An extension activity was organized by students of VSL programme of II B.Sc. Mathematics (Shift - I) on 23.09.2019 around 10.30 am to 12.30 pm. Nearly 40 students have involved in cleaning the coastal region programme at Veeranampattinam Beach, Pondicheery. Our students actively participated in the event and started collecting garbage across the sea shore. Later they collected all the junks in one place and instructed the local residing people to streamline the disposal of the wastes. During the event the students planted saplings at the coastal regions and also near the local residing areas. A firefighter resident of the Veeranampattinam area gave us the instruction for the safety measures to taken while we are in natural disaster. With this multi-exposure students had a great experience. Finally with the VSL Coordinator students dispersed.

Social work is an academic discipline and profession that concerns itself with individuals, groups and communities in an effort to enhance the social functioning and overall well-being. Community Organization Programme is the process in which efforts are directed towards meeting the community needs and developing integration within the community. The Post Graduate Social Work trainees organized a “Awareness Programme on Ban of One Time Plastic”.

To create a sense of cooperation integration and unity among the people and to harmonizes the roles and responsibilities of the individuals among the trainees resource person was Mr. R.S. Velumani, District Coordinator, Swachh Bharat Mission, Cuddalore. The Resource Person talked about, Plastic waste is at epidemic proportions in the world's oceans with an estimated 100 million tonnes dumped there to date, according to the United Nations. Scientists have found large amounts of micro plastic in the intestines of deep-dwelling ocean mammals like whales. India, which uses about 14 million tonnes of plastic annually, lacks an organised system for management "The toxins, poisons and persistent pollutants present in some of these plastic products leach and enter human bodies where they cause several diseases, including cancer, said by Chitra Mukherjee, Head of Advocacy and policy at Delhi based Chintan Environmental Research and action Group.

He also spoke some motivation talk to the students to improve their concentration in studies. He explained his old memories with students and explained about exam stress management. Rev. Fr. A. Vincent Amal Raj parish priest & corresponded St. Mary's high school. Krishnakuppam, started his speech by thanking everyone for this opportunity. He said that every students of this school have low exam stress management. He also the asked students that to face the exam without any fear. The quickest and most effective way to eliminate feeling of stress and panic is close your eyes and take several long, and slow deep breaths. Give yourself a mental pep- talk by repeating 'I am clam' or "I know I will do great". If your mind goes blank focus on deep breathing slowly for about one minute. Mr. B. Micheal Raj started his speech by thanking everyone for this opportunity. He explained about psychology divided in to various time based. According to time psychology gets changes and developed. thoughts only makes stress in human mind. He also said "knowledge" is to share and he also said the groups' discussion is easy way to remember the lessons. He said that stress will bad to eating disorder and disturbances in their routines life. He explained that Tamil Nadu rates first in suicide. He said that the story about thoughts which are the root cause to become a bad life. He requested teachers to teach about menstrual cycle to the students.

Exam stress sometimes the pressure of exams may cause your stress. Stress is your response to pressure and while a small amount of pressure can be useful to keep you focused on during exam time, if it becomes too much study can seem impossible. Trainee learnt how to organize the programme in community. Trainee learnt about exam stress management and learnt about rural people. Trainee learnt about organizing skill. Finally programme came to end by giving feedback. Trainee read vote thanks community organization programme was social work prancing it was very good learning experience though village people are gain more benefits as well as trainee gained. The trainee gathered a lot of information.

Extension activity is an important activity which contributes to the enhancement of the society. In this regard, our II year UG students of shift II (15 students) were taken to Mulligrampet on 14.11.2019 for Children's day programme.

Our students actively participated in conducting games to the children. They interacted with the children and had a healthy conversation with them. The school children actively participated. Mrs. Padma Priya flagged off the sports activities. Children in that school were really enthusiastic and sportive. They enjoyed the session and they were very much receptive and the school authorities thanked us. Building Resource Teachers Mrs. Lakshmi and Mrs. Padmapriya gave motivational speech to the children. This programme was carried out by the II year UG Students with the help of staff in-charge Mrs. T. Shalini.

	Title of the Extension Activity	Campaign on Palm tree plantation
	Organizing Unit	Enviro club
	Venue	Perumal Lake, Cuddalore
	Date	10.01.2020
	Number of Participants	15

As a part of taking initiative in conservation of natural water bodies in Cuddalore District the Enviro club of St. Joseph's college have conducted a **Campaign for Planting Palm Tree seeds and saplings around Perumal Lake in the part of near Kullanchavadi on 10.01.2020**. The main objective of the campaign is awaking the students with good knowledge of significance of protecting the water resources such as lakes, river etc. from land encroachments and any further 'deterioration' and thereby protecting the environment.

To convey the menace of environmental degradation among the students **Dr. T. Ganesh Kumar**, Asst. Prof. in Department of Zoology gave a talk about importance of lakes and ponds and the methodologies of protecting the water resources. He emphasized about the water retention capacity of palm tree which are very essential for the embankments of water bodies due to flood and landslides. The **Inspector of Police** for Kullanchavadi region **Mrs. Pathima** is participated in this program and encouraged the students for such social activities. There were 15 enviro club volunteers from Shift I have been participated in the above programme, and they were imparted with a thorough knowledge of Water conservation strategies.

On behalf of our college, about 500 saplings of palm trees were planted by using the student volunteers. The programme came to an end by distributing tea and snacks.

AN Cleanliness drive was organised in Anna stadium on 27<sup>th</sup> January 2020. The main purpose of this programme was to create awareness among the students regarding cleanliness and its importance. Rev. Fr. A. Alex, Head, Department of B.COM (BM) and BBA (CA) & Director of VSL programme, Mr. J. Durai raj, Head, Department of Social Work & Chief coordinator of VSL programme, Dr. Devasena, Assistant Professor from Department of Tamil, Dr. G. Bhuvaneswari, Assistant Professor, Department of B. Com (Bank Management), 25 Students from Department of Tamil, 49 Students from Department of B. Com (Bank Management), 20 Students from Department of BBA (CA) took part in cleanliness drive. Rev. Fr. A. Alex, Inaugurated the programme. He spoke about the ways in which dirty surroundings can lead to many problems and diseases. Mosquitoes and flies which carry diseases causing organisms live in dirty places. He further added that dirty surroundings have a negative impact on the minds and life style of the people. Thereafter, Mr. J. Durai Raj, Head, Department of social work & Chief coordinator of VSL programme delivered the speech, telling us the importance of sanitation. He also described about the cleanliness and the care every individual should practice in his day to day life. Rev. Fr. A. Alex started the Programme by cleaning the corners of the stadium. The cleanliness drive began at 10.30 am and went on until noon. After that, the professors divided the students into groups and gave them the masks and gloves. Some of them were given implements to collect and throw the garbage.

Each group of students would be under a supervision of a teacher. They worked in different areas in the stadium. Students collected all the renewable materials such as dry leaves, twigs, paper, etc., and the non renewable wastes such as carry bags, plastics items etc....were collected separately. They also plucked out unwanted creepers which was hazardous for aquatic life, they started picking wrapper lying scattered there. After collecting this they threw them into the dust bin. The cleaning drive is ended with the talk of Rev. Fr. A. Alex. He briefed about the goals of VSL programme.

	Title of the Extension Activity	Cleaning Public Places
	Organizing Unit	National Cadet Corps
	Venue	Silver Beach, Devanampattinam, Cuddalore.
	Date	11.02.2020
	Number of Participants	30

Our college one of the NCC has organized an extension activity on “Cleaning Public Places- Beach Cleaning”, programme, in Silver Beach, Devanampattinam on 11.02.2020. This programme was headed by J.John Robert, Associated NCC Officer, and Mr. Indresh Kumar, Chief instructor, Sunil Kumar, Petty officer 5(TN) Naval NCC Unit with 30 NCC Cadets. The impact of beach clean drives contain many benefits for marine animals and human health. Since the polluted beaches may endanger or hazards of human lives by beach accidents. Many items left on beaches such as broken glasses, sharp metals, or hard plastics, paper, wood, damage fish nuts, etc., may injure beach-goers physically. Finally our NCC cadets were gathering 170kg waste materials.

NCC cadets energetically participated to beach cleaning

	Title of the Extension Activity	Awareness Programme on Dengue Fever & Corona Virus
	Organizing Unit	Department of Biochemistry
	Venue	Government Primary School, Aarangnur, Pondicherry
	Date	02.03.2020
	Number of Participants	12

Twelve students of III year UG (shift-II) students along with staff member Mrs.S.Seethalakshmi, Asst.Prof, Department of Biochemistry, carried out an extension activity in Government Primary School on 02.03.2020 at Aarangnur, Pondicherry. We conducted an awareness programme on “Dengue Fever & Corona Virus” among the primary school students, in order to create awareness and to take precaution on these dreadful diseases. Apart from this, the students also conducted extracurricular activities among the children to make them involve in the programme and also distributed stationary items, biscuits and chocolates to the children. We also sensitized them with knowledge about these diseases by knowing the symptoms and to take proper precautions. We encouraged them and also insisted to pass this information to the family members. Nearly one hundred and twenty school children benefited from this awareness programme. Our III year UG (Shift -II) students gained knowledge about the diseases and also improved their leadership, societal conscience and communication skills.

Voting awareness Rally was conducted on 16/04/2020. The Rovers from St. Joseph's college joined hands with Apex Club of Cuddalore in order to register the importance of Voting in the Mind of the people. This rally was conducted with an aim to promote democratic values, the campaign leverages to make voters aware of the value of their invaluable vote and how each vote can strengthen democracy. In democracy, it is not simply enough to inform voters about election dates. It is quintessential to sensitise them about the importance of participating in the electoral process. Moreover, voters were educated about the process, made aware of their manifestos, backgrounds of the contesting candidates, and armed with several other information to help them cast an 'enlightened' vote.

Student Volunteers Donating Blood

On 19th September 2019, our NSS units organized a mega Blood Donation Camp. The camp saw the presence of several distinguished guests who delivered enlightening speeches such as the Superintendent of Police, the Traffic Inspector of Cuddalore, our college secretary, Rev. Fr. G. Peter Rajendiram, along with the Programme Officers. Their support added great value to the event, which also saw active participation from 80 dedicated NSS volunteers from Units I and II. The volunteers worked tirelessly to ensure the smooth running of the camp, which resulted in the collection of 50 units of blood from generous donors. This contribution will greatly benefit patients in need of blood transfusions in the district.

The District Blood Transfusion Officer of Cuddalore acknowledged the efforts put into organizing the camp by presenting a certificate to our college secretary and the Programme Officers. The event was a testament to the commitment of our NSS units to social service and community welfare.
