Student Feedback

1. Participating in the cleanliness drive at the Government Middle School was a fantastic experience.. This activity taught me the value of community service and how important it is to maintain a clean and healthy environment. (A22BBE04 BHUVANAPRIYA.M)

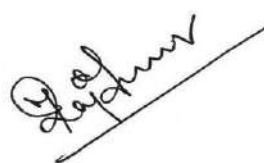

2. The cleanliness drive at the Government Middle School was a highly impactful event. It felt good to contribute to their learning environment and make it more pleasant and safe. This experience has motivated me to continue participating in such community service activities and promote cleanliness wherever I go.(A22BBE26 RAJESWARI.K)

3.The experience highlighted the importance of maintaining clean surroundings and how it can positively influence learning environments. Working together with my classmates and under the guidance of our professors made the task enjoyable and efficient. This activity has not only benefited the school but also instilled a sense of responsibility and pride in us. (A22BBE42 VARSHA. R)

Student Feedback

1. It felt great to contribute to the community and see the immediate impact of our efforts. Working alongside my classmates, I learned the importance of teamwork and responsibility. This activity not only improved the cleanliness of the temple but also strengthened our bond as a group. (A22BBE01 ADLIN SHYLO. S)
2. It made me realize how small actions, like cleaning up a public space, can make a big difference in our community. The appreciation from the temple staff and devotees was very motivating. (A22BBE05 CHISTINAL DEVAKUMARI. M)
- 3.. The activity taught me a lot about the importance of public health and the role we can play in enhancing it. Seeing the temple transform through our collective efforts was very satisfying. (A22BBE08 DHANUPRIYA. A)

	Title of the Extension Activity	Awareness Programme on Dengue
	Organizing unit	Department of commerce (bank management)
	Venue	Salakarai, Thiruvandhipuram Village
	Date	27.09.2023
	Number of Participants	17

On September 27, 2023, the Village service learning programme, in collaboration with MNTN and Lions Club, organized an extension activity titled "Awareness on Dengue" at Salakarai. The event, took place from 10:00 a.m. to 11:30 a.m., with 17 VSL students from II Commerce (Bank Management) of Shift II. The primary objective was to educate the local community about the dangers of dengue fever, its severe consequences, and the critical preventive measures required to control the spread of this debilitating disease. The programme was coordinated by Dr. G. Bhuvaneswari, Assistant Professor and SLP core committee member, along with Mr. R. Rajesh Kumar, Coordinator of SLP of our college. The students organized the programme with a small skit on perils of dengue fever. They highlighted how dengue is transmitted by Aedes mosquitoes and the serious health risks it poses, including severe illness and death. They emphasized the importance of early detection and treatment, and how critical it is to be aware of the symptoms, such as high fever, severe headache, pain behind the eyes, joint and muscle pain, rash, and mild bleeding.

The students were engaged in creating awareness on Dengue

Following this, Dr.G. Bhuvanewari discussed the preventive measures necessary to curb the spread of dengue. She provided practical advice on how to eliminate mosquito breeding sites by removing stagnant water, using mosquito repellents, and ensuring proper sanitation. The VSL students actively engaged with the community members, distributing pamphlets and educational materials that summarized the key points of the programme.

The dengue awareness programme successfully achieved its objective of educating the Salakarai community about the risks associated with dengue and the importance of preventive measures. By equipping the local community with essential knowledge, the VSL students contributed to fostering a healthier and more informed society. This initiative stands as a testament to the commitment of our students and faculty to public health and community service.

Student Feedback

1. Participating in the dengue awareness programme at Salakarai was an eye-opening and rewarding experience. The skit we performed really helped in conveying the seriousness of dengue fever to the community in an engaging way. I was pleased to see how attentive and responsive the villagers were.(A22BBE02 BALAMANI.A)
2. Performing the skit helped us to effectively communicate the dangers of dengue and the importance of early detection and treatment. It was gratifying to see the community members paying close attention and participating in the discussions. (A22BBE13 JAYA PRITHEKA. M)
3. This experience has deepened my understanding of public health and the importance of community engagement, and I am eager to participate in more such initiatives.(A22BBE24 NEGHA. S)

Student Feedback

1. I enjoyed the sense of teamwork and community as we worked together to plant the seeds along the shoreline. It felt great to contribute to an environmental cause, knowing that these palm trees will enhance the beauty and ecosystem of the beach for years to come.(A22BBE33 SOWMIYA.D)
2. It was my first time doing something like this, and I was amazed at how simple actions can have a big impact on the environment. The whole process was very educational, and I left with a greater appreciation for nature and the importance of preserving our beaches.(A22BBE38 TAMILSELVI. B)
3. It was a beautiful day, and planting seeds while looking out over the ocean was a unique and peaceful experience. This activity not only helped the environment but also brought the community closer together, and I'm glad I was a part of it.(A22BBE41 VALLIL)

	Number of Participants	13

An extension activity was organised by the PG and Research Department of Commerce for the 2nd year students of shift-II at Otteri Village on 16.10.2023. The activity was conducted with the view of high lighting the importance of cleanliness, social awareness and environmental conservation. A total of 13 students participated in the programme and were accompanied by Dr. S. Baby Motcharakkini, Assistant Professor of Commerce. The students reached the village at 10:00 am in the morning along with the coordinating staff. They spent almost 3 hours at the venue where the students staged a miming performance in the presence of the villagers with the motive of creating social awareness among the villagers. The students also did some cleaning activities in a nearby park. All the students were very much engaged in the activity of providing service and they felt that the extension programme was a great opportunity to gain practical knowledge and experience about social service and environmental protection.

	Organizing Unit	Department of Social Work
	Venue	Primary School, Krishnakuppam
	Date	16.10.2023
	Number of Participants	29

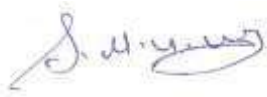

PG Department of Social Work conducted an awareness programme. The programme focused on raising awareness among school children about child drug addiction and dengue. The event began with Ms. Rithika A., a 1st-year MSW student, delivering a compelling speech on child drug addiction. Mr. Chandru K., also a 1st-year MSW trainee, contributed insights during this session. Following this, Mrs. Mariya Sneha, another 1st-year MSW trainee, spoke passionately about dengue awareness. A dramatic presentation by the trainees effectively highlighted the seriousness of dengue in today's society.

PG Department of Social Work Students of I MSW have undertaken "Group Project" at Killinjikuppam on 17.10.2023. Mrs. Perkish Salomina, Assistant Professor of Department of Social Work gave inaugural message to the village people. Ms. Monisha. L of I MSW trainee spoke to the people on "Suicidal Prevention" and Ms. Astline Mariya has shared her views on "Skills to be nurtured among rural youth" for employment. Followed by this, I MSW students sensitized people on personal hygiene through awareness song and dance. The students have also entertained the people through street play. Around 80 people were present in the programme. Mr. Anbazhagan, Head Master of Primary School, Killinjikuppam thanked the staff and students of I-MSW for organising the programme for the welfare of people. This programme was successfully initiated by the guidance and blessings of Rev. Fr. Secretary of our College.

	Title of the Extension Activity	Human Trafficking Awareness Programme
	Organizing Unit	Department of Bio Chemistry
	Venue	Vivekananda Nursing Institution, Paathirikuppam
	Date	9.01.2024
	Number of Participants	08

About 8 numbers of second year biochemistry students (shift-II) along with class in-charge Ms.R.Anitha, Assistant Professor, were taken for an extension activity to the Vivekananda Nursing Institution, Cuddalore on 9.1.2024 at 11.00 am. We conducted an “Awareness programme on Human Trafficking” among public and nursing students to make them aware and to take precaution against this. The importance of the camp was highlighted by Ms.P.Priyadarshini of II B. Sc Biochemistry and Ms. K.Ayeesha Sithika and Ms. D.Geetha Priya enlightened the audience about human trafficking. The awareness camp mainly focused on the causes, ways, risk factors and different reason for human trafficking. The people in that place raised many questions regarding the trafficking and our students also guided them regarding this prevalent problem. This awareness camp was highly informative and a great help for the public and students to learn underlying risk factors that make students vulnerable for other issues such as drugs, suicide, dating violence etc would help prevent from trafficking.

Students gave awareness about human trafficking among the public & students

	Title of the Extension Activity	Instilling the young minds with scientific temper
	Organizing Unit	Department of Bio Chemistry
	Venue	Government Middle School, Pudupalyam
	Date	10.01.2024 and 11.01.2024
	Number of Participants	16

Our students sixteen in number (Shift-II) participated in this extension activity by creating scientific temper among the students of Government Middle School, Pudupalyam, Cuddalore-1 on 10.01.2024 and 11.01.2024 at 10 am – 12.30 pm. This programme was initiated by the middle school headmistress. Dr. N. Priya Assistant Professor, Department of Biochemistry has accompanied the students. The programme comprised some practical experiments and also narration of the history of some great inventors which instill interest in the field of science. Students actively participated and learnt some basic experiments in this programme. The feedback and the learning outcome of the activity was tested among the students. Those who gave correct answers were rewarded with prizes to encourage them. Students also raised questions on the concepts and the experiments which we conducted. Students were very much involved in this activity and requested us to visit them again. Finally, the school staff appreciated our efforts and also thanked us for this initiative.

	Title of the Extension Activity	Youth Day Rally Programme
	Organizing Unit	Department of English
	Venue	K.N. Pettai
	Date	12.01.2024
	Number of Participants	19

PG & Research Department of English organised a Youth Day rally programme at KN pet, Thiruvanthipuram Panchayat on 12.01.24, between 2:30pm to 3:30pm. The students of II BA English (shift -1) have participated and organized an inspiring rally programme. The event aimed to celebrate the power and potential of youth and to promote awareness on key issues affecting young people today. National Youth Day, celebrated on the birthday of Swami Vivekananda, focuses on inspiring young minds to contribute positively to society. Mr. E. Arokiadoss, staff coordinate spoke about the challenges faced by today's youth, such as unemployment, mental health issues, and social media pressure, and urged them to become agent of positive changes. The programme focuses on 3 main objectives;

1. To celebrate the contributions and potential of youth.
2. To raise awareness on critical issues affecting young people.
3. To encourage students participation and social development.

About 14 numbers of second year biochemistry students (shift-I) along with class in-charge Dr.S.Silvan, Assistant Professor, went to Periyakumati Village, Cuddalore District on 12.02.2024 in the presence of Mrs. Maragatham, President and Karunaivizhligal samuga Sevai Trust, Periyakumati Village. We conducted an “Cancer Awareness programme” among the village women. The importance of the camp was highlighted by Mr.T.Krishnaraj, Mr.F.Reekan Salaman and Mr.R.Balaji of II B. Sc Biochemistry. they enlightened the audience about cancer awareness and they mainly focused on the causes, symptoms, diagnosis and treatment of the various types of cancer. The people in that village clarified the doubts regarding cancer and our students answered them patiently and gave suggestions about its treatments. This awareness programme was more useful for the village women and also benefits our students to share their knowledge with the society.

About 6 numbers of second year biochemistry students (shift-II) along with class in-charge Ms.R.Anitha, Assistant Professor, were taken for an extension activity to the Government Middle School, Pudupalayam, Cuddalore on 12.2.2024 at 10.00 am. We conducted an “Awareness programme on National Birds Day” among school students to spread awareness to conserve and protect these feathered wonders and their habitat. The importance of the camp was highlighted by Ms.R.Santhiya of II B. Sc Biochemistry and Ms. A.Ruby Jobitham enlightened the audience about different types of birds and rare species among them. The awareness camp mainly focused to create awareness about the measures that we must take to ensure that more birds have better living conditions and the ones held or produced in captivity are set free.

Through this activity, many of these youth will lose their lives to drugs and alcohol and a significant number are likely to grow up to become among the drug users. The students contributed to the betterment of their community and developed a sense of social responsibility. The success of this event is a testament to the commitment of the students, faculty members and collaborating organizations towards promoting drug awareness in society
