- Research collaboration in the areas of mutual interest.
- Exchange of academic information, scholarly information, study materials and publications.
- Collaboration in the conduct of National / International Conferences, Seminars, Workshops, Faculty Development Programmes and other Academic meetings

General Terms of Agreement

Specific activities and programme implemented under authority of this MoU shall be carried on the approval of each parties authorized representatives.

Prior to initiating any specific activity or programmes, the parties will negotiate and enter into a definite agreement, signed by each party's authorized signatory, describing the terms of the arrangement, including but not limited to financial commitments, academic freedom commitments, immigration and compliance obligation and details of the exchange or collaborative relationship. This MoU is not intended to create

23.3.21

23/3/21

any legally binding obligation on either institution but it is included to facilitate discussions regarding general areas of cooperation.

Specific Terms

Student Exchange

1. Neither institution will require admission or tuition fees of exchange students under this MoU.
2. Participants will be subjected to the rules and regulations of the host institution, in addition to specific rules and regulations.

Selection and Nomination

The selection and nomination of students is open throughout the academic year. The student nomination should be accompanied by:

- Curriculum Vitae / Resume
- Statement of attitude from a member of the student's institution.
- A specific outline of the programme of study at the host institution and a statement of objectives of the student.

When a nomination is forwarded by the home institution, it is presumed that the sending institution considers the student is suitable for the proposed programme and consents to send the student if selected by the host institution. The host institution will evaluate the nomination and determine their suitability for selection under the Student Exchange Programme.

Where the exchange student is pursuing a research or implementing a project as part of the degree programme, the host institution will provide a suitable faculty member to jointly assist (along with the supervisor of the parent institution) the student in formulating research project or jointly supervising the student in the event that a research project has already been identified.

Exchange of Faculty

1. Both institutions agree to encourage faculty and staff participation in exchange programme activities.
2. Applicants for participation in the exchange will be selected by the home institution and will be subject to acceptance by the host institution.
3. The period of exchange will be determined by the purpose of the exchange. The duration of the faculty and staff exchanges shall be arranged as appropriate and in accordance with the established rules and practices of the host institution.

23.3.21

27/3/21

4. The home institution will maintain their faculty/staff member on full salary and benefits for the period of exchange. The host institution will supply office space, library privileges, technology linkage, and other facilities appropriate to the position at the host institution.

Research Collaboration

Faculty from both Institutions will collaborate in the supervision of exchange students and in joint research in disciplines of mutual interest.

1. Proposals for collaborative research work under this Memorandum will be submitted with the prior approval of the Head of each institution, or his / her nominee.
2. Each institution will nominate one of its members as its representative in charge of the cooperative programme. Individual programmes of work under this Memorandum will be jointly planned and conducted by the nominees of both parties.
3. Progress of work of any individual programme will be reviewed and approved by designated authorities of both parties.
4. The final approval of any project will depend on the availability of guaranteed support funds.
5. Either CKCET or St. Joseph's College will not be held responsible for any liability to the other party, and they shall not be required to purchase any insurance against loss or damage to any property due to activities to which this agreement relates.
6. Every collaboration will have its own agreement / contract which addresses issues such as Intellectual Property Rights (under the legal rights of the constitutions of both the parties), funding pattern, disclosure of information etc.

Commencement, Renewal, Termination and Amendment

This MoU will come into force upon affixing of the signatures of the representatives of the partner institutions and will remain in effect for three years. This MoU may be renewed upon its expiry, with the agreement of both partner institutions.

If either partner institution wishes to terminate the MoU at the end of the three years period it must notify to the other institution not less than three months prior to the expiry of the MoU.

This MoU or its renewal and the actions taken under it may be reviewed at any time. Modifications may be made by mutual agreement and any amendment, extension or termination to the agreement may be formalized by the exchange of letters between the two parties.

23.3.21

23/3/21

Additional Terms

The amendments of the terms of this MoU will not be effective unless made in writing and signed by each party's authorized signatory. Each party represents that the individuals signing in this MoU have the authority to sign on its behalf in the capacity included.
