

STUDENTS' GRIEVANCE

REDRESSAL COMMITTEE

/

STUDENT WELFARE

COMMITTEE

18.02.2019

The Student's Grievance Redressal Committee (SGRC) and Student Welfare Committee (SWC) play a crucial role in ensuring that student needs and concerns are addressed effectively within the college environment. The meeting was held on 18.02.2019. Their primary objective is to foster a supportive and conducive atmosphere for academic and personal growth.

OBJECTIVES :

* Canteen Facilities :

- To provide a hygienic and varied menu catering to diverse dietary needs.
- To ensure that food prices remain affordable for all students.
- To address complaints regarding service quality and food availability promptly.

* Rest Room Facilities :

- To maintain cleanliness and adequate supply of essential hygienic products.
- To ensure sufficient restroom facilities for both genders, minimizing waiting times.
- To address accessibility issues for differently-abled students.

* Bus Facility :

- To provide reliable transportation options for commuting students.

- To address issues related to bus schedules, seating arrangements, and overall safety.

- To gather feedback on routes and service efficiency to enhance user experience.

* Classroom Facility:

- To ensure that classrooms are well-maintained, adequately equipped, and conducive for learning.

- To address grievances related to seating arrangements, technology accessibility, and noise levels.

- To encourage student input in the design and layout of new learning spaces.

* Sports Facility:

- To promote physical wellness by providing access to various sports and recreational activities.

- To ensure that sports equipment and facilities are well-maintained and available for student use.

- To organize regular sports events and competitions, encouraging student participation and team spirit.

* Fine Arts:

- To support students in pursuing creative expressions through art, music and drama.

- To facilitate workshops, exhibitions and performances that highlight student talents.

- To address any issues related to resources and space for fine arts activities.

CONCLUSION :

The Students Grievance Redressal Committee (SGRC) and Student Welfare Committee (SWC) are dedicated to improving the overall student experience by addressing key areas such as canteen services, restroom facilities, drinking water, transportation, classroom environments, sports and fine arts. By actively engaging with students and responding to their grievances, these committees contribute significantly to a positive and inclusive campus culture. Regular feedback and assessments will ensure that the needs of the student body are continuously met, fostering a supportive educational environment.

26.09.2019

The students grievance Committee (SGRC) was conducted to address the concerns and enhancing the welfare of students. The meeting was conducted on 26.09.2019. The committee focused on improving essential facilities that contribute to a positive academic environment and overall student satisfaction.

OBJECTIVES

* Canteen facilities

- Ensure the provision of hygienic and diverse food options
- Gather student feedback on menu preferences and pricing
- Monitor cleanliness and service quality regularly.

* Rest room facilities

- Assess the cleanliness and availability of restrooms across campus.
- Address maintenance issues to ensure comfort and hygiene.
- Ensure accessibility for all students including those with disabilities

* Drinking water facility

- Guarantee access to clean and safe drinking water at various campus location.

- Regularly test water quality and maintain dispensers.

- Increase the number of water stations based on student demand.

* Bus facility

- Evaluate the effectiveness and coverage of existing transport services.

- Address students concerns regarding schedules, safety, and comfort.

- Explore potential expansion of routes to better serve student needs.

* Classroom facility

- Monitor the condition and adequacy of classroom spaces for learning.

- Address issues related to furniture, lighting, and technological resources.

- Explore options for expanding and enhance the classroom experiences.

* Parking facility

- Assess the availability and management of parking spaces for students.

Address concerns regarding safety and accessibility of parking areas.

Explore options for expanding parking facilities based on student population growth.

CONCLUSION

The students grievance redressal committee is committed to fostering an environment where students feel supported and valued. By addressing these key facilities, the committee aims to enhance the overall students experience. Regular meetings and feedback channels will ensure that student concerns are heard and acted upon.

Recommendations

- Implement a structural feedback system for continuous assessment of facilities.
- Conduct a structured and conduct regular surveys to measure student satisfaction and identify areas for improvement.
- Increase awareness of the committee's functions and encourage students to voice their grievances.

14.10.2020

The students grievance Redressal Committee (SGIRC) plays a vital role in addressing student concerns and enhancing their academic experience. The meeting was conducted on 14.10.2020 in online mode. This report outlines the committee's objectives concerning online classroom facilities, assignment management, and the use of ICT tools.

OBJECTIVES

* Online Classroom

- Ensure that online classroom platforms are user-friendly and accessible to all students.
- Collect feedback on the effectiveness of online learning environments.
- Address technical issues promptly to facilitate smooth online learning experiences.

* Assignment Management

- Streamline the process for assignment submission and feedback to reduce confusion.
- Gather student input on assignment deadlines and workload management.
- Provide support for students facing challenges in completing assignments, including resource access.

* ICT Tools

- Promote the effective use of Information and Communication Technology (ICT) tools in the learning process.

- Ensure that students are trained to use these tools effectively, enhancing their educational experience.
- Address any technical difficulties students face while using ICT resources.

Conclusion

The Students Grievance Redressal Committee is committed to improving the online academic environment. By focusing on these key areas, the committee aims to enhance student satisfaction and academic success. Regular feedback mechanisms will ensure that student concerns are continuously addressed.

Recommendations

- Implement regular surveys to assess the effectiveness of online classrooms and ICT tools.
- Conduct workshops to help students better utilize digital resources for assignments.
- Establish a dedicated support system for addressing technical issues related to online learning.

24.11.2021

The Students Grievance Redressal Committee (SGRC) / Student Welfare Committee (SWC) is dedicated to enhance the student experience by addressing grievances and promoting welfare initiatives. The meeting was held on 24.11.2021. This report outlines the committee's objectives concerning various essential facilities and programs.

Objectives

1. Drinking Water Facility.

- Guarantee access to clean and safe drinking water across campus.
- Regularly check water quality and maintain dispensers.
- Increase the number of water stations based on student demand.

2. Bus Facility.

- Evaluate the effectiveness and coverage of transportation services.
- Address concerns regarding scheduling, safety, and comfort.
- Explore options for expanding routes

to accommodate student needs.

3. Classroom Facility.

- Monitor the condition and adequacy of classrooms for learning.
- Address issues related to furniture, lighting, and technology.
- Gather student feedback to enhance the overall classroom experience.

4. Parking Facilities.

- Assess the availability and management of parking spaces.
- Address safety and accessibility concerns in parking areas.
- Explore potential solutions for expanding parking facilities as needed.

5. ICT Tools.

- Promote the effective use of Information and Communication Technology in learning.
- Provide training to ensure students can utilize ICT tools efficiently.

- Address any technical issues students face with digital resources.

6. Sports Facility.

- Encourage participation in sports and recreational activities.
- Assess the condition and availability of sports equipment and facilities.
- Organize events and competitions to foster teamwork and relaxation techniques.

7. Yoga Programs.

- Introduce regular yoga sessions to promote mental and physical well-being.
- Facilitate workshops that focus on stress management and relaxation techniques.
- Gather student feedback to tailor programs to their interests.

8. Fine Arts.

- Support and promote fine arts activities, including music, dance, and theater.

- Provide resources and platforms for students to showcase their talents.

- Organize workshops and events to encourage artistic expression.

The Students Grievance Redressal Committee is committed to creating a supportive and enriching environment. By focusing on these key facilities and programs, the committee aims to enhance student well-being and satisfaction. Regular feedback mechanisms will ensure that student concerns are addressed effectively.

Recommendations

- Implement a structured feedback system for continuous assessment of facilities and programs.

Conduct regular surveys to gauge student satisfaction and identify areas for improvement.

Increase awareness of the committee's role and encourage students to voice their concerns.

Through these initiatives, the committee aims to foster a positive, inclusive, and enriching atmosphere for all students.
