BUSINESS CONNECTION

This event commenced by 11.30 am in Dr. Paul Rajkumar Hall after a coffee break which made the participants from colleges in and around Cuddalore . We had judges who were the person of sworn to render a verdict. We had Dr. James Mary (Dept. of commerce) and Mr. I. Benjamin Franklin (Dept. of computer application) . Business Connection had 4 rounds. Even though Business connection had the larger number of participants when compared to other events in BANCOBEAT'19 we were able to short list them to 15 pairs in preliminary round. In the final round there were 5 pairs and questions were little durable in timings.

Even though we had lots of question and judges to asses them but it was only viable to culminate deftly the phenomenon with the staff co-ordinator Dr.G.Bhuvanewari (Dept.of BBM & BBA (CA)). The freak had a very great ending has it had a hard beginning

AD-MAD

This event started at 2.30 pm after having a paradise lunch in Dr. Paul Rajkumar Hall. The Hall was crowded with 10 colleges to express their talents in making interesting ADS. With new ideas in short period given to them, even though the topic was given on spot

The event was accompanied by astonishing panel of juries Mr. A. Albert Ravi & Dr. P. Arul Prasad from the Dept. of commerce. The event was a great success with the help of our staff organizer Dr. G. Bhuvanewari (Dept. of BBM & BBA (CA)). By the given opportunity, the college expressed their rights and wants on how the product to should be designed.

SKILL SHOP

Skill shop event was commenced by 11.30 am in the LIBRARY EXTENSION HALL which was co-ordinated by Dr.S. Barani Dharan . We had the juries Dr.S. Joseph Christain Daniel (Head of the Department of Microbiology)and Mr.J.Jon Arockiaraj (Head of the Department of Mathematics) . The skill shop event was bisected into two sub-events namely:

*FRUIT CARVING.

* ART OUT OF WASTE.

In the fruit carving event 15 participants were there from various colleges and institutions in and around Cuddalore and Tamil Nadu. The participants in the event implemented many varieties of gadgets and faces of animals etc.,. In art out of waste there were nearly 10 participants who created things with waste which we thought they wouldn't be useful anymore. The students who participated in the skill shop were really young interesting inventors.

PHOTOGRAPHY

The event which was started with all the snapshot, Photostat, flashes etc., with 14 photographers from different colleges. The event was conducted between 2 to 4 pm in LIBRARY EXTENSION HALL. Our college was the lens spot for the paparazzo for 1 hour 30 minutes. Captured multitudinous multivalent likenesses were judged by our blue ribbon judges Mr. A. John Pradeep Ebenezer (Head of the Department of Computer Application) and Mr. Mohan. The event ended with the astonishing spectrograph which amused all the participants and others who were present there.

START-UP

The event start-up had a kick-start for the young minds at 11.30 am in Dr. M.A. RATCHAGAR HALL which had a very pleasant and ingenious vibe. We had 3 colleges who genuinely uttered the acquisition and attribute of a proficient commercial speculator with the given amount of Rs.2,00,000/- as seed fund to fire-up a Business or an Organization within the given quantum.

The young entrepreneurs came out with bewildering conceptualization which awestruck the 2 judges Dr. I. Savarimuthu (Head of the Department of Commerce) and Mr. Krishnakumar- Assistant Professor (Department of Commerce). It wouldn't be a great success without the staff co-ordinator Er. Mr. M. Om Prakash -Assistant Professor(Department of Business Administration-Computer Application).
