PG & Research Department of Biochemistry has conducted the three days Online Quiz Programme on World Haemophilia Day April -2021 from 17-4-2021 to 19-4-2021 to create the awareness on World Haemophilia Day. Totally two hundred and fourteen number of students and research scholars were participated and received E- certificate from various educational institutions. Questions were taken based on weeding the ignorance on haemophilia and blood clotting disorders. Higher number of participation and getting the E- certificate with good score indicates the curiosity among the participants to learn about blood related disorder studies and the aim of our programmme was effectively reached in the students' community. Aim of this programme is to spread the awareness, do's and don'ts by the haemophilia and blood clotting disorder peoples and the others to help to have successive life.

Time: Shift-I 11.30 am - 1.00pm

Shift II 1.30pm -3.000pm

Date: 16-05-2022

PG and Research Department of mathematics organized an Exhibition on Mathematical Model on 16/05/2022 for shift-I at 11. 30 am and Shift II at 1.30 pm. The Head of the Department of Mathematics Dr. J. Jon Arockiaraj has inaugurated the exhibition. The Students from various classes have come and visited the exhibition. Both shift I and shift II of the UG students were participated in the exhibition. The participants have explained their model very well. They are prepared models in various topics like Graph theory, Real Analysis, Complex analysis, geometry, functions etc. The best presentation certificate is given for the students who have presented the model using the typical application of mathematics.

PG & Research Department of Physics

Date: 28/02/2022

Venue: Physics UG Lab

Time: 9:30 AM to 12:30 PM – Shift – I

2:00 PM to 5:00 PM – Shift – II

The PG & Research Department of Physics organized a National Science Day - 2022 event for undergraduate (UG) and postgraduate (PG) students from both Shift I and Shift II. The event was held on 28th February 2022 in the UG Physics Lab, and it aimed to foster scientific knowledge and enthusiasm among the students.

Dr. V. Periyanygasamy, M.Sc., M.Phil., Ph.D., Assistant Professor, Department of Chemistry, St. Joseph's College of Arts & Science (Autonomous), Cuddalore, was the invited speaker for the event.

The event commenced at 9:30 AM for Shift I students. Rev. Fr. Dr. S. Xavier, COE & Head of the Department, introduced the invited speaker to the attendees, highlighting his expertise and contributions to the field of Chemistry. The afternoon session started at 2:00 PM for Shift II students, with the same agenda being followed.

Dr. V. Periyanygasamy delivered a special lecture on Raman Spectroscopy and Its Applications. The lecture offered students a comprehensive understanding of Raman Spectroscopy, its fundamental principles, and its diverse applications in various fields of science and research. The session was highly informative, sparking intellectual curiosity among the participants.

After the lecture, Dr. V. Periyanygasamy conducted an engaging quiz program for the students. The quiz covered various topics related to science. Students participated enthusiastically, demonstrating their knowledge and interest in the subject matter.

Following the quiz, Dr. V. Periyanygasamy awarded prizes and certificates to the winners and participants, appreciating their efforts and active participation.

The National Science Day - 2022 event was a great success, providing a platform for students to enhance their scientific knowledge and engage in interactive learning activities. The event concluded with a vote of thanks, acknowledging the efforts of the organizing team, the guest speaker, and the enthusiastic participation of the students.

Date	29-03-2022
Time	08.30 A.M – 9.30 A.M & 2.00 P.M – 3.00 P.M

The PG and Research Department of Chemistry at St. Joseph's College of Arts and Science (Autonomous), Cuddalore, conducted a quiz competition for Shift I and Shift II students on 29-03-2022, from 08.30 A.M – 9.30 A.M & 2.00 P.M – 3.00 P.M with topic on "General Chemistry." The welcome address was shared by Dr. T. Antony Sandosh, Head of the Department, Department of Chemistry, St. Joseph's College of Arts and Science (Autonomous). Due to prior notification, students were able to register early.

A portion of the students actively participated in quiz competition

Sixty students expressed interest and actively engaged. There are three rounds to the quiz programme, and prizes are given to the victors. Overall, Mr. S. Albert Nikson, Assistant Professor, Department of Chemistry, St. Joseph's College of Arts and Science (Autonomous), Cuddalore, oversaw the entire programme as the Chemistry Association Coordinator.

The introductory address was shared by Dr. T. Antony Sandosh, Head of the Department, Department of Chemistry, St. Joseph's College of Arts and Science (Autonomous). Due to prior notification, students were able to register early. The knowledge of the question types asked in competitive exams was beneficial to the students. Students received precise instructions on how to get ready for exams that are competitive. Students enrolled in undergraduate programmes learned about JAM, Central, and State University admission exams. PG students learned about the NET, GATE, SET, GRE, and TRB in their field of study. On 18-03-2022 students took the mock exam and received their individual question sheets. In all, one hundred and twenty-five PG and UG students took part in this programme.
