ABOUT THE COLLEGE

ST. JOSEPH'S COLLEGE is a legacy of the 19th century, handed down to us by the venerable fathers of the Society of the Foreign Mission of Paris. Its seed was the St. Joseph's High School which was started in 1868 AD. This school was transformed into a College in 1884 AD through the efforts of Rev. Fr. Turbes and affiliated to the University of Madras. The District Gazetteer, South Arcot District records, St. Joseph's College was the prime Educational Institution in the 18th Century but, it once again became a high school in 1909 due to financial and other constraints. Since then, there had been several attempts to revitalize the College. The dream became a reality when the College was reformed as St. Joseph's College of Arts & Science in 1991. The College was inaugurated on 11th October 1991 at a state function presided over by His Excellency Bhishma Narain Singh, the then Governor of TamilNadu through the efforts of Rev. Fr.R. Ratchagan, the then Secretary of the College. The College obtained Recognition u/s 2(f) of the UGC Act, 1956 on 4th November 2004, Permanent Affiliation on 7th March 2008, The Autonomous status on 17th June 2008 and 12 (B) status by the University Grants Commission on 28th August 2015. The College was Re-Accredited by NAAC in the 3rd cycle of with CGPA of 3.31 on 7-point scale and awarded the "A" Grade on 22nd February 2017. The College bears the motto "LABOR OMNIA VINCIT" meaning Hard Work Conquers All. With the willing co-operation of parents and the whole hearted support of the public, the College hopes to march triumphantly in its noble endeavor.

Feedback from the students

The results of the feedback collected manually

1. World First Aid Day helps to aware people more of this primary care. Everyone should know how to provide first aid correctly during accidents or serious injuries. This day helps us to gain more knowledge about first aid and how we should react in different situations. Everyone should learn the basics of it at an early age (Ayeeshasithika K- A22BCE45).
2. World First Aid Day is a special day as it underscores the significance knowledge about the impact of first aid in saving lives and reducing serious injuries and illness (Sivasakthi P- A22MBC23)
3. Timely and correctly administered first aid can prevent minor injuries or illnesses from escalating into major health concerns (Nivashini D- A20MTEA13).
