“WORLD ENVIRONMENT DAY”

E- POSTER COMPETITION

Enviro club in collaboration with PG & Research department of Computer Applications had organized an E - Poster Competition in online mode on 5th June 2020 in view of celebrating World Environment Day. About 80 students have participated All UG & Higher secondary students from various colleges and schools in the above programme. It exhibited the individual efforts of students who are actively working towards undergraduate and at school level. E - certificates were provided for all the participants.

The image is a colorful announcement poster for an E-Poster Competition. At the top left, it features the logo and name of St. Joseph's College of Arts and Science (Autonomous), Cuddalore-1. To the right, it identifies the organizing departments: Department of Zoology and PG Department of Computer Applications. The central theme is "Environment is in our hands," with a call to action: "For a better tomorrow, plant more trees and make this planet a better place to live in." The poster includes a submission deadline of 12 noon before June 5, 2020. It also lists the participants as college students and 12th standard result awaiting students. The bottom of the poster features a globe with a plant growing on it, and the text "World Environment Day June 5".

BIOMEDICAL WASTE

The Enviro Club organized a webinar on “Biomedical Waste Management” during 31st March 2021 at 03.00 p.m. It was presided over by **Rev. Fr. Secretary. Dr. N. Nehru kumar Vaithilingam** Professor and Head, Department of Civil Engineering, Faculty of Engineering and Technology, Annamalai University was invited as special guest to deliver the lecture about the topic. **Dr. P. Thenmozhi**, Asst. Prof. & Head of the Dept. of Zoology welcomed the dignitaries

and the gatherings. **Rev. Fr. Secretary** delivered the presidential address speaking about the recent trends in environmental rehabilitation processes.

He emphasized the various issues of environment in recent era which in turn reflects on general public. He also enumerated the impact of biomedical wastes in environment if it is not disposed in proper way. There are so many challenges in disposal of this wastes and unfair bio-waste management is highly prone to various types of infectious diseases and health hazards for all living organisms. Nearly 150 students and faculty members from our college and various other colleges have been participated. The session came to an end around 05.00 p. m.

ROTARACT CLUB

Rotaract focuses on the development of young adults as leaders in their communities and workplaces. Clubs around the world also take part in international service projects, in a global effort to bring peace and international understanding to the world.

"Rotaract" stands for "Rotary in Action", although the name originally comes from a combination of "Rotary" and "Interact" (International + Action), the college level program created by Rotary International in 1962.

To be eligible for membership, prospective members must be 18 years of age and over, show that they are committed to Rotaract, and show that they are of good standing in the community.

Rotaract Club of our College sponsored Rs.10,000/- as an **Education Help** to student of I Year M.Sc. Computer Science (2020-2022), St.Josephs College, for his Tuition Fees. He is an Active and deserving student.
