Report on International Seminar-“Cyber Security and Forensics Career Pathways”

Title of the Programme : **Cyber Security and Forensics Career Pathways**
Date : **02.08.2023**
Venue : **St. Joseph's college of arts & science (autonomous)
Cuddalore-1**

The PG Department of Computer Applications hosted an inter-collegiate technical competition named "**Cyber Security and Forensics Career Pathways**" on 02.08.2023, from 9:30 AM to 5:00 PM. The International Seminar focused on career opportunities in these rapidly growing fields. Experts from industry and academia shared insights on the rising demand for professionals skilled in cyber security and digital forensics. Key discussions covered the importance of protecting digital assets, the impact of cybercrime, and the role of forensics in investigations. The seminar highlighted the evolving job market and various pathways to enter these fields, emphasizing certifications, hands-on experience, and continuous learning to stay relevant in this dynamic industry.

Report Title: Alumni talk on “Tips to face an Interview”

Date : 12.08.2023

PG & Research Department of Microbiology organized a talk by alumni on 12.08.2023. Hundred and seven students from II PG (13) & III UG (Shift -I- 44, Shift II- 50) microbiology attended the programme. The programme started with an introductory talk given by the Head of the Department, Dr. J. Jayaprakash. Dr. D. Sumitha, Staff in charge – Alumni association (Microbiology shift-II) introduced the Alumni. Ms. Sugaprabha Prasath, Research Analyst, H1 Life Sciences, Hyderabad, and Alumna of our department shared useful tips for facing an interview. She encouraged the students to develop additional skills especially communication skills to face the interview. She also shared the list of important websites for searching jobs. Finally, the final year students clarified their doubts with the Alumna. Dr. C. Swaminathan, Alumni in charge (Shift -I) proposed the Vote of thanks to all people involved in the successful conduct of the event.

Feedback

- Talk by Alumni programme is a good initiative by the department (Arun M-A21MBD01)
- Through alumni interaction I am able to get more confidence to face an interview (Alex Bernad T - A22MMB02).
- The programme gave an awareness on facing the interview and developing the skills in our field (Hemavarshini B- A22MMB07).
- More alumni talks can be organized so that many students will get benefited through their contacts (Lathika S – A21MBE31).

PG & RESEARCH DEPARTMENT OF PHYSICS

Motivation on Competitive Exams-2023-2024 Report:

Date: 28.8.2023

Venue: UG-Physics Lab

Speaker: Miss. Bhuvaneshwari, College Alumni

On a pleasant afternoon, Miss Bhuvaneshwari, an esteemed alumnus of St. Joseph's College, Cuddalore, shared her experiences and insights into pursuing higher education in physics. Her talk aimed to inspire students to strive for academic excellence while preparing them for the challenges and opportunities ahead in their careers.

Miss Bhuvaneshwari began by emphasizing the immense value of postgraduate studies in physics, explaining that it broadens students' understanding of complex concepts and opens doors to a wide array of career paths. Physics, being fundamental to fields like engineering, medicine, materials science, and astrophysics, equips graduates with diverse skills to excel in various sectors. She noted that a strong foundation in physics is increasingly sought after, providing promising job prospects in research, academia, industry, and government.

Addressing the importance of competitive exams such as GATE, CUET, and IIT JAM, she offered practical tips to help students succeed. Early preparation, practicing past exams, and seeking mentorship are essential, she explained, for mastering these exams and building the confidence needed for admission into esteemed institutions. Miss Bhuvaneshwari also highlighted the importance of developing communication skills and a well-rounded personality. She encouraged students to engage in extracurriculars, workshops, and seminars to improve their soft skills and boost their confidence, essential for both academic and professional success. Additionally, she spoke on the value of internships and workshops, which provide hands-on experience and help students explore potential career paths in physics.

In conclusion, she expressed deep gratitude to St. Joseph's College, crediting its nurturing environment and quality education for her success. Her words resonated with the audience, leaving students inspired to pursue their goals and proud to be part of the Josephites community.

Miss Bhuvaneshwari offers practical strategies for cracking competitive exams like GATE and IIT JAM.

Miss Bhuvaneshwari shares her journey and motivates students to pursue higher education in physics.

Report

With the blessings of Rev. Fr. Secretary, PG & Research department of chemistry have organized a programme on *Skill enhancement and Career awareness* at St. Joseph's college of arts & science (autonomous), Cuddalore on **15.09.2023 (Friday)** between 11:30 am to 1.15 pm. The programme was started with the prayer song followed by Tamil Thai vazhthu. Dr. A. Amalorpava Doss, Assistant Professor, PG Department of chemistry delivered the welcome address and Dr. T. Antony Sandosh, Head of the department honored the chief guest with a shawl and addressed the gathering to explain the importance of career awareness, then Mr. G. Anand, Assistant professor (Alumni coordinator for the department) have introduced the chief guest **Mr. C. Gangadharan (2009-2012 B.Sc Batch, A09CHD08) working as a Senior Revenue Inspector, Collector office, Cuddalore-1.** After the introductory note, Mr. C. Gangadharan started the session. At the end of the session, students have actively interacted with Mr. C. Gangadharan. B.Sc final year chemistry and all PG chemistry students have attended the programme. Around 100 students have participated and benefited through

the programme. The programme was ended with vote of thanks followed by national anthem around 1:15 pm.

The PG and Research Department of Computer Science conducted a Skill Development Programme on "Project Development Tips & Tricks" for final-year undergraduate from Shift-I and Shift-II and II P.G. M.Sc., Computer Science on September 15, 2023, at the Library Extension Hall. The event commenced at 11:30 AM, with a welcome address by Ms. L. Keerthana of 3rd Year Computer Science. Faculty members were welcomed, and a memento was presented to the Resource person.

Session Handled by the Resource Person Mr. D. VigneshwaraRaj

The seminar focused on effective project development, covering various approaches and strategies to ensure project validity. The resource person shared online tools for app development, web-based projects, logo creation, and content sourcing. Additionally, they explained how to use AI tools like ChatGPT to assist with project work. The session also included inspiring stories of successful entrepreneurs who turned college projects into multimillion-dollar businesses.

A total of 208 students from both Shift-I and Shift-II participated in the seminar. The session was highly enlightening, and the students expressed their appreciation, stating that the talk was extremely helpful and informative.

FEEDBACK

1. We learned about potential careers in the field of digital marketing during this seminar -

K. Madhumitha (A21CSEA17)

2. In the Digital Age, I developed the knowledge and self-assurance to carefully apply a range of quantitative techniques - R. Premkumar (A20CSDC23)

3. The seminar on digital marketing was extremely thorough and included a wealth of helpful Information - C. Nandhini (A22CSEA23)

4. Everything from email marketing to search engine optimization to social media marketing was covered in the program - P. Saran Kumar (A20CSDB27)

**ST. JOSEPH'S COLLEGE OF ARTS AND SCIENCE (AUTONOMOUS),
CUDDALORE –1
PG & RESEARCH DEPARTMENT OF PHYSICS**

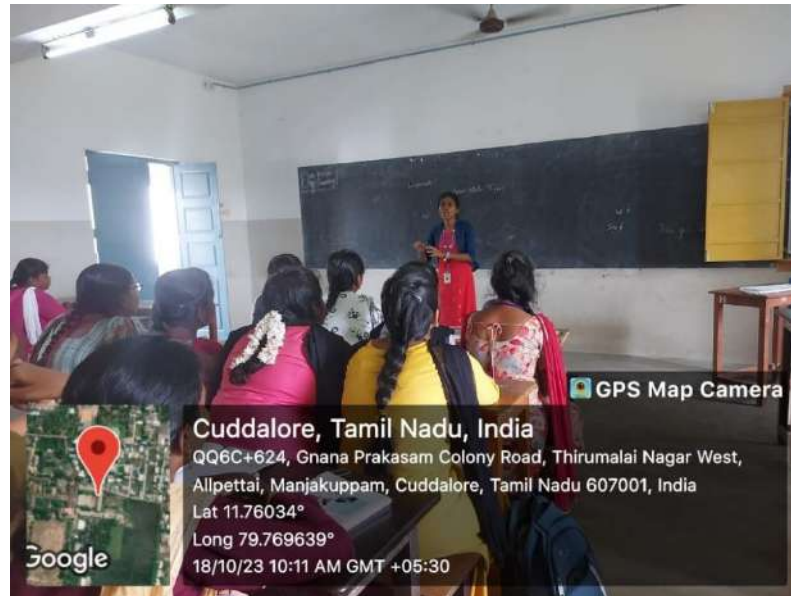

On October 18, 2023, St. Joseph's College of Arts & Science (Autonomous), Cuddalore, organized a guest lecture aimed at inspiring and guiding postgraduate students of Physics in their preparation for the SET/NET exams. The lecture, delivered by Ms. Rehana M, a trainer at Tesla minds Research Foundation, Chennai, was titled "*Navigating Your Future and SET/NET Preparation*" and ran from 10:00 a.m. to 11:00 a.m.

Ms. Rehana began by discussing the importance of essential career skills, including data analytics, job title refinement, and expertise in data science. She emphasized research and development avenues within physics, highlighting the value of training in digital electronics and analog circuits, which are crucial for modern technological applications. Furthermore, she offered suggestions for courses and encouraged students to gain practical experience through small projects and experimentation with fundamental digital circuits. A key part of her presentation was focused on career development, where Ms. Rehana underscored the role of online professional platforms like LinkedIn. She advised students to regularly update their profiles with new skills, certifications, and hands-on experiences, creating a more competitive and visible online presence. The session provided an interactive Q&A segment, allowing students to engage directly with Ms. Rehana. Two students offered positive feedback, expressing appreciation for the session's insightful and motivational approach.

For those preparing for the SET/NET exams, Ms. Rehana shared valuable tips:

1. Familiarize yourself with the exam pattern, syllabus, and marking scheme.
2. Select your subject carefully and create a comprehensive study plan.
3. Use quality study materials, solve past question papers, and take mock tests.
4. Stay updated on the latest advancements in your field.
5. Prioritize personal well-being during preparation.
6. Maintain a positive outlook and strive for continuous improvement.

This session left a lasting impact on the students, motivating them to pursue their academic and career goals with clarity and confidence.

Mrs. Rehana M., trainer at Tesla minds Research Foundation, introduces key career and exam preparation strategies.

PG Physics students attentively listening to insights on SET/NET exam preparation and career growth.

Activity Report

Programme Title : “Entrepreneurship in *Azolla* cultivation”

Date : 05. 01. 2024

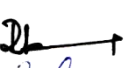

The PG & Research Department of Microbiology organized a skill development programme on 05.01.2024 at Paul Raj Kumar Hall. The theme for the activity is “**Entrepreneurship in *Azolla* Cultivation**”. The resource person of this programme was Alumnus Mr. D. Sathish Kumar, Assistant Professor, Department of Microbiology, Indira Gandhi Government Arts & Science College, Kathirkamam, Puducherry. The Programme was presided over by Rev. Fr. M. Swaminathan, Secretary, and felicitated by Rev. Fr. Dr. A. Alex, Dean of Studies and Dr. J. Jayaprakash, HOD, Department of Microbiology.

Honouring of Chief Guest by Dr. J. Jayaprakash, HOD, Department of Microbiology

In the session, the resource person presented detailed information about how to cultivate the *Azolla*, how we can be an entrepreneur by cultivating and making valuable products from *Azolla*. During the lecture, students interacted with the resource person and got clearance of their doubts on marketing of *Azolla* and its products. The programme was organized by Dr. R. Krishnan and Dr. S. Megala, Assistant Professors of PG & Research

Department of Microbiology. A total of 53 students from II B. Sc., Microbiology (Shift-II) were participated.

Programme Title: Skill Enhancement Programme on “Interview Skills”

Date: 31.01.2024 (Wednesday)

Resource Person: Ms. Dhanuja , I MBA,
Indian School of Science & Management, Chennai

The Department of Commerce (Bank Management) of St. Joseph's College of Arts and Science (Autonomous) organized a comprehensive skill enhancement program on employability skills for the final years on January 31st, 2024. The resource person was Ms. Dhanuja, an alumna of the Commerce Department, presently pursuing her Master of Business Administration at the Indian School of Science and Management (ISSM) in Chennai. The program was presided over by Rev. Fr. Dr. A. Alex, Dean of Studies and Head, Department of Commerce (Bank Management). Dr. G. Bhuvanewari, Assistant Professor, Department of Commerce (Bank Management), was the program coordinator. 65 final year students of Shift II participated in this programme.

The session began with a brief introduction about the resource person, given by Dr. G. Bhuvanewari, which paved the way for the interactive and knowledgeable discussion that was to follow. The aim of the program was to give students the primary interviewing skills that will help them execute the interviewing process correctly in the competitive job market, where many companies go for a thorough interviewing to pick on the best candidates. Narrating valuable input for the students on the type of questions, interviewers generally pose for the candidates and the type of required interpersonal skills expected by the employers from a potential employee, Ms. Dhanuja cited many of her own experiences. She also drew attention to how communication, body language, sitting postures, responses, and punctuality should be observed to create a good impression during interviews.

The question-answer session was lively and had a very proactive response from the students themselves, who answered most of the questions asked by the resource person. Further, a doubt-clearing session was also conducted through which students could raise their queries, which were cleared by Ms. Dhanuja on the spot. The program concluded by conducting a feedback session and vote of thanks, ensuring a hearty and enriching experience for all students.

Objectives of the Program:

1. Provides students with the practical knowledge and the skills to perform better during job interviews.
2. It will boost the confidence of the students to express and interact with ease.
3. To sensitize the students on body language, punctuality, and professional conduct during the interviews

Outcomes of the Programme:

Students got to learn how to be confident and clear when communicating in a professional environment.

Students learned the importance of body language, such as sitting postures and maintaining good eye contact during an interview.

Students Feedback:

1. The session was really informative we were able to learn about the skills that are necessary to crack an interview. (A21BBE17 JAYANTHI. V)
2. That was an interesting session. We came to know about the do's and sot's during the an interview session. (A21BBE49 ROSHINI PATEL. J)
3. The session made us aware about the mindset of the interviewers and their expectations from the side of the candidate applying for the job. (A21BBE70 SWATHI.A.C)

FEEDBACK

1. From this Workshop we learnt how to work with the Project.- **V. Janani**
(A21CSEA09)
2. Through this Workshop we learnt how to develop simple software- **R. Ragul**
(A21CSDC37)
3. We learnt how to develop a project using project Template. **P. Ashok Kumar**

CAPACITY BUILDING AND CAREER AWARENESS PROGRAMME

Report No:	11/2023-24 – NON-FINANCIAL CONTRIBUTION
Report Title:	CAPACITY BUILDING AND CAREER AWARENESS PROGRAMME
Date	14-03-2024
Time	11.30 A.M – 2:00 P.M

With the blessings of Rev. Fr. Secretary, PG & Research department of chemistry have organized a programme on *Capacity building and Career awareness* at St. Joseph's college of arts & science (autonomous), Cuddalore on **14.03.2024 (Thursday)** between 11:30 am to 1.15 pm. The programme was started with the prayer song followed by Tamil Thavazhthu. Dr. A. Amalorpava Doss, Assistant Professor, PG Department of chemistry delivered the welcome address and Dr. T. Antony Sandosh, Head of the department honored the chief guest with a shawl and addressed the gathering to explain the importance of career awareness, then Mr. G. Anand, Assistant professor (Alumni coordinator for the department) have introduced the chief guest **Mr. R. Udhayasooriyan (B.Sc 2008-2011 Batch, A08CHD46) working as a Junior Scientific Officer, Regional Forensic Science Laboratory, Villipuram.** After the introductory note, **Mr. R. Udhayasooriyan** started the session. At the end of the session, students have actively interacted with **Mr. R. Udhayasooriyan.** All M.Sc chemistry students have attended and benefited through the programme. The programme was ended with vote of thanks followed by national anthem around 2:00 pm.
