PG Department of Computer Applications

Report on the Alumni Meet 2020-2021 (Odd Semester)

The PG Department of Computer Applications organized a Virtual Alumni Meet for the academic year 2020-2021 on November 22, 2020, from 4:00 PM to 5:00 PM. This event brought together alumni from the 2012-2015, 2013-2016, and 2014-2017 batches of Shift-I, providing a meaningful opportunity for them to reconnect and reflect on their shared experiences.

The meet began with a prayer song, followed by a warm welcome from Dr. I. Benjamin Franklin, Assistant Professor in the Department of Computer Applications. He expressed his joy at the alumni's participation, acknowledging their busy schedules and extending his gratitude for their attendance.

Dr. I. Benjamin Franklin emphasized the importance of alumni sharing their expertise with current students through webinars and training programs on various topics to enhance their skills. He also led a discussion on the curriculum, noting how their studies have positively impacted their professional journeys. Alumni shared their insights on how the scope of their coursework supported their careers, reflecting on how it had prepared them for professional success. Dr. Franklin encouraged the alumni to maintain unity and actively support one another in job placements, underscoring the value of their collective experiences and strong network. He concluded by highlighting the importance of mutual support among alumni in achieving their professional goals.

Following the welcome, alumni dignitaries shared insights and proposed ideas for a pre-planned counseling program designed to connect alumni with current students. This program aims to guide students in applying for higher studies and preparing for placements and interviews, thereby enhancing the role of the college's Alumni Association.

Key highlights of the session included:

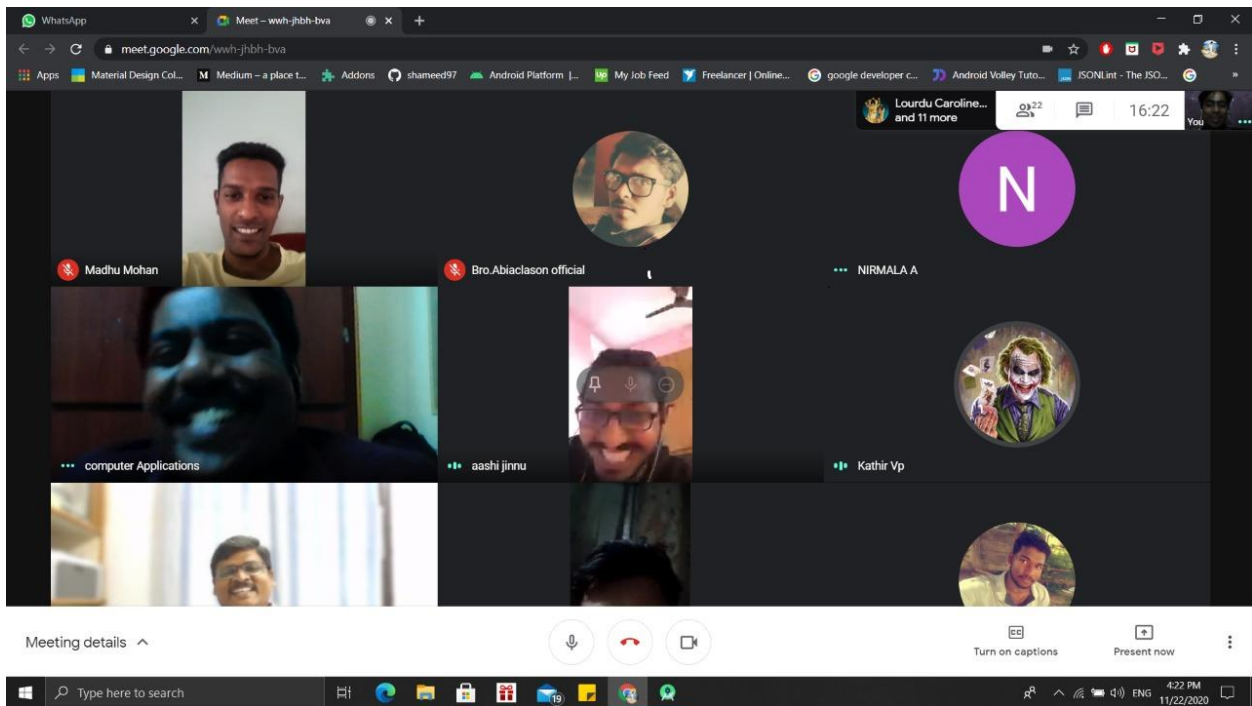

- **Current Industry Trends:** Alumni engaged in a discussion on how industry trends and emerging business opportunities impact students' career prospects. Mr. S. Dhanigasalam, a Web Developer Analyst at Accenture, provided valuable insights into specific trends and their implications, offering practical advice to help current students navigate the job market effectively.
- **Entrepreneurship Insights:** In a brainstorming session focused on strategies for starting new business ventures, alumni shared their entrepreneurial experiences. This exchange provided the current batch with practical insights and encouragement, making the session overwhelmingly valuable.
- **Job Fair Planning:** A group discussion on organizing a one-day job fair led to innovative proposals from alumni, including Mr. R. Ramkumar and Mr. J. Joe Micks. They discussed the logistics and potential impact of hosting such an event to expand career opportunities for students.

The session concluded with a focused feedback discussion led by Mrs. R. Roseline from the PG Department of Computer Applications. Key takeaways from the feedback included:

1. A strong recommendation to increase the frequency of online webinars featuring industry leaders and professionals.
2. A call for more practical-oriented seminars to better prepare students for real-world challenges.
3. A proposal to establish a dedicated Personal Advancement and Career Enhancement Program to provide both technical skills training and soft skills development, utilizing a mix of online and hybrid classes.

The session emphasized the importance of alumni engagement in enriching the educational experience and improving career readiness for current students, thereby fostering a collaborative and supportive community.

In closing, Mr. G. Abiaclason, an alumnus, expressed his gratitude to everyone involved in organizing the event. He thanked all participants for their valuable insights and contributions, underscoring their role in making the alumni meet a meaningful success.

Our alumni expressed gratitude to the institution and staff for shaping their career and personal growth.

Report on the Alumni Meet 2020-2021 (Even Semester)

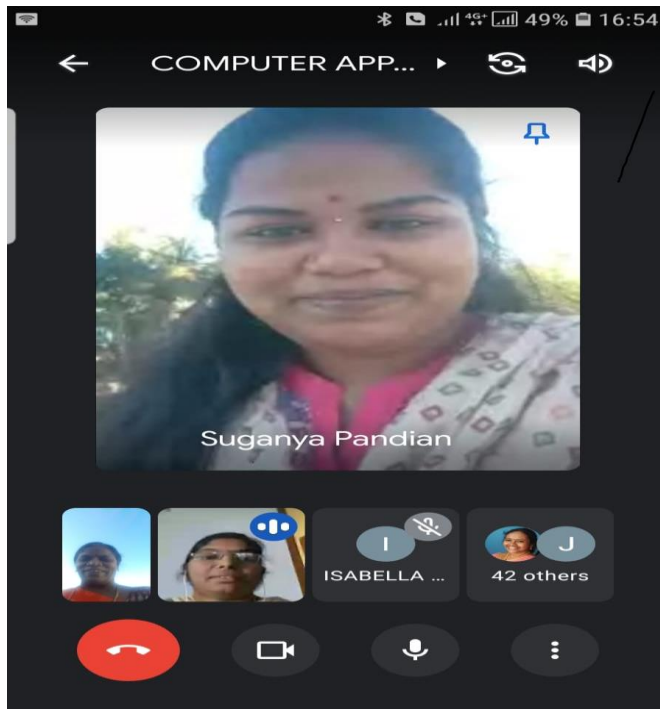

The PG Department of Computer Applications organized its Second Alumni Meet for the year 2020-2021 on May 9, 2021, from 4:00 PM to 5:00 PM for the 2016-2019 and 2017-2020 batches of Shift-II students. The event saw enthusiastic participation from numerous former students, marking a successful gathering. The meet commenced with a prayer song, followed by a welcome speech from Dr. A. Lourdu Caroline, Assistant Professor in the Department of Computer Applications. She expressed her joy at reconnecting with the alumni and emphasized the importance of building a bridge between college life and career. Dr. Caroline highlighted the potential for alumni to provide job opportunities to recent graduates through referrals.

A discussion followed, focusing on the curriculum and how the subjects studied positively impacted alumni in their professional journeys. The session concluded with a vote of thanks delivered by Ms. P. Suganya, who expressed her gratitude to everyone for their presence and contributions.

During the opinion-sharing session, alumni such as Ms. P. Suganya and Ms. M. Lallitha shared their experiences from college and beyond:

- **Ms. J. M. Lalitha**, currently an RPA Developer at Philips GBS in Chennai, suggested registering and connecting all alumni through the college's ERP system to enhance networking opportunities.
- **Ms. P. Suganya**, a Junior Mobile Developer at Glopytex, credited the Mobile Application Development syllabus for helping her secure a placement while still in college. She expressed her appreciation for the faculty's guidance and support throughout her academic journey.

Overall, the meet fostered a strong sense of community and collaboration, reinforcing the importance of alumni connections in supporting current students and enhancing career opportunities.
