PERSPECTIVE PLAN OF THE OFFICE OF THE CONTROLLER OF EXAMINATIONS (COE)

Objective:

To continuously improve and adapt the examination processes for quality assurance, aligning with the principles of Outcome-Based Education (OBE) and meeting institutional goals.

SHORT-TERM PLAN

1. Strengthening Online Examination and Assessment Tools

- *Plan:* Update the ERP and other digital platforms to streamline online assessments and proctoring features.
- *Action Items:* Regularly update software to enhance system stability, implement enhanced proctoring tools, and create a detailed guide for faculty and students on using these tools effectively.

2. Increasing Transparency and Efficiency in the Result Processing System

- *Plan:* Enhance the result analysis module for detailed and easily accessible department-wise, subject-wise, and class-wise reports.
- *Action Items:* Implement updates that allow for automatic generation of summaries and analytical reports for use by both administrative and academic staff.

3. Revamping Malpractice Prevention Strategies

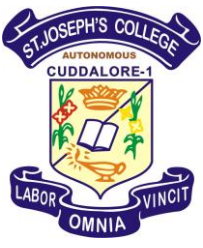

- *Plan:* Appoint dedicated personnel and reinforce policies to prevent exam-related malpractices.
- *Action Items:* Set up a malpractice prevention squad and refine procedures for investigating and addressing malpractice cases. Ensure clear guidelines are communicated to students and staff.

4. Implementing a Comprehensive Hall Ticket System

- *Plan:* Modify the hall ticket system to reflect students' eligibility status based on internal performance.
- *Action Items:* Collaborate with the ERP team to display eligibility for each subject on the hall ticket, indicating any internal arrears.

5. Conducting Instant Exams to Support Continuous Improvement

- *Plan:* Expand the instant exam provision for students who need additional support in their internal assessments.
- *Action Items:* Facilitate additional instant exams to cover multiple subjects as opposed to just one subject, helping students improve their academic standing within the same semester.

MEDIUM-TERM PLAN

1. Transitioning Fully to OBE-Aligned Assessment Criteria

- *Plan:* Refine question paper setting and evaluation to align with Bloom's Taxonomy and OBE standards.
- *Action Items:* Train faculty members on creating OBE-compliant question papers and establish guidelines for consistent adherence to Bloom's Taxonomy.

2. Encouraging and Accrediting Online Learning (MOOC and SWAYAM)

- *Plan:* Incorporate online courses as part of the official curriculum to support lifelong learning and additional skill acquisition.
- *Action Items:* Formalize registration and evaluation of MOOC and SWAYAM courses, printing additional credits earned by students on their grade cards.

3. Enhancing Practical Learning through Credits for Industrial Exposure

- *Plan:* Award academic credits for industrial visits and internships as a means to enhance practical learning.
- *Action Items:* Create structured rubrics for evaluating field visits and internships, integrating these experiences into the overall academic credit system.

4. Introducing New Roles for Exam Conduct

- *Plan:* Appoint dedicated invigilation roles to streamline exam supervision and management.
- *Action Items:* Form a list of standby invigilators, assign specific duties to staff, and ensure that roles such as Additional Chief and malpractice squads are well-supported.

LONG-TERM PLAN

1. Developing a Fully Automated and Contact-Less Examination System

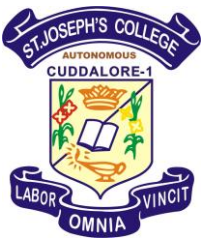

- *Plan:* Implement a hybrid or fully online examination system with the potential for remote submission and evaluation of answer scripts.
- *Action Items:* Develop processes for both online and offline assessment submission, improving document scanning and digital storage capacities for assessments.

2. Continuous Improvement in Evaluation Techniques

- *Plan:* Conduct periodic reviews of evaluation processes, emphasizing fairness and accuracy in grading.
- *Action Items:* Institute a committee that revises evaluation methodologies regularly, incorporating feedback from faculty and students.

3. Establishing National Benchmark Standards for Assessments

- *Plan:* Develop exam and assessment guidelines that align with national standards, making the college a model for effective examination practices.
- *Action Items:* Regularly Benchmark College practices with national and international examination standards.
