About the College

St. Joseph's College is a legacy of the 19th century, handed down to us by the venerable fathers of the Society of the Foreign Mission of Paris. Its nucleus was the St. Joseph's High School which was started in 1858 A.D. This School was elevated into a college in 1884 A.D. through the efforts of Father Forbes and was affiliated to the University of Madras. The District Gazetteer, South Arcot District, has recorded that the prime educational institution and the only college in the District in the 19th century was St. Joseph's College. It once again became a high school in 1909 due to financial and other constraints. Since then, there have been several attempts to revive the college. The dream became a reality when the college was reborn as St. Joseph's College of Arts and Science in 1991. The college was inaugurated on 11th October 1991, at a valedictory function presided over by His Excellency Bhisman Narain Singh, Governor of Tamil Nadu through the efforts of Rev. Fr. R. Rajendram, Secretary of the College. The college obtained Permanent Affiliation on 08.02.2006, the Autonomous status on 09.04.2008 and 12(B) Status by the University Grants Commission on 28th August, 2015. The NAAC 3rd Cycle of Re-Accreditation with CGPA of 3.31 on seven point scale at "A" Grade was declared on 22nd February, 2017. Under the leadership of the present Secretary of the College Rev. Fr. G. Peter Rajendram our institution is marching towards excellence. The College bears the motto "Labor Omnia Vincit", meaning "Hard Work conquers All". With an abiding faith in the efficacy of her labours, the college strives hard to impart value based education aimed at the formation of the integral personality of the student.

About Departments

Commerce (Bank Management)

The University of Madras granted order to start Commerce (Bank Management) course in 1994. However, the admission was opened from 1996 onwards. It functioned as a part of commerce department from its inception. In 1999, the department was bifurcated and functioned under separate headship. Due to administrative reason, it was again merged with department of commerce from the year 2004-16. It was bifurcated second time and started functioning as a separate department under the headship of Rev. Fr. A. Alex from 14th June 2016.

Business Administration (Computer Application)

The Department of Business Administration (Computer Application) was started in the Year 2017. The model idea behind the inception of the department came out of the industrial setups prevailing in the locality. The requirement of managerial persons to manage the micro, small, medium and large enterprises in the locality paved the way to start such course in our institution.

About E- Conference

Generally, learning organizations are very much intent to the progressive ideas which are available in the human resources. These ideas form emerge and create new leadership concepts. They lead to bring out the efficient decision - making which will not be a main role. This also intends to develop a good partnership among the various professionals from various sectors in the organization. In these new alliances, it is recommended to have emotional intelligence which helps improve the leadership to create/develop and make knowledge transfer. We can make through this re-conferance the motive of emotional intelligence and its influence with respect to management and how it will help share knowledge. We can witness the importance and aim of emotional intelligence through knowledge and learning.

REPORT ON ONLINE FACULTY DEVELOPMENT PROGRAMME ON "TRENDS IN
TEACHING & RESEARCH TECHNIQUE"

Date: 19-04-2021 to 21-04-2021

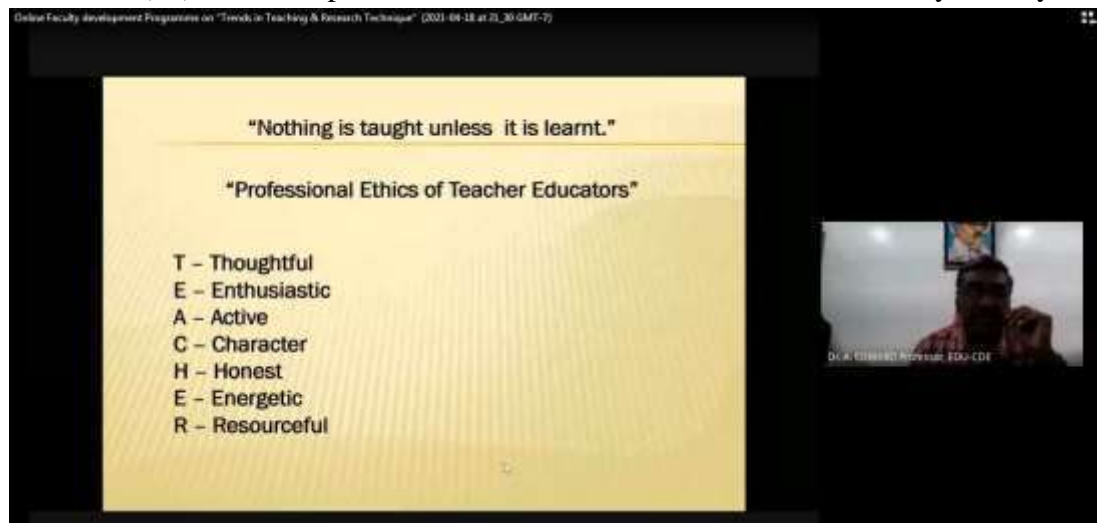

Time: 10.00 AM to 12.00 PM

Venue: [online] Google meet: <https://meet.google.com/pht-rdip-xkj>

With the blessings and support of Rev.Fr.G.Peter Rajendiram, Secretary, Dr.M.Arumai Selvam, Principal, Rev. Fr. Dr. S. Xavier, COE, Rev.Fr. Dr. A. Alex, Dean of studies and IQAC team, We had organized an Online Faculty Development Programme on "Trends in Teaching & Research Technique" for all our faculty members. This was a three day Faculty Development Programme where various related subtopics were discussed in detail by eminent educationists. A very beneficial academic environment was experienced by the participants.

For convenience we had divided the staff members into two batches. Batch- 1 consisted of Staff from all science disciplines and Batch- 2 consisted of Staff from all arts disciplines including BCA department. The faculty members of Batch-1 joined through Google meet and Batch 2 joined through You Tube Live Stream.

The FDP started on 19th April, 2021. The dignitaries were welcomed by Dr.J.Jon Arockiaraj, Vice Principal and Head of the Mathematics Department. The first day session was on the topic 'Professional Ethics of Teachers' and the guest speaker was Dr.A.Edward William Benjamin, Director (i/c), CDE, Department of education, Bharathidasan University, Trichy.

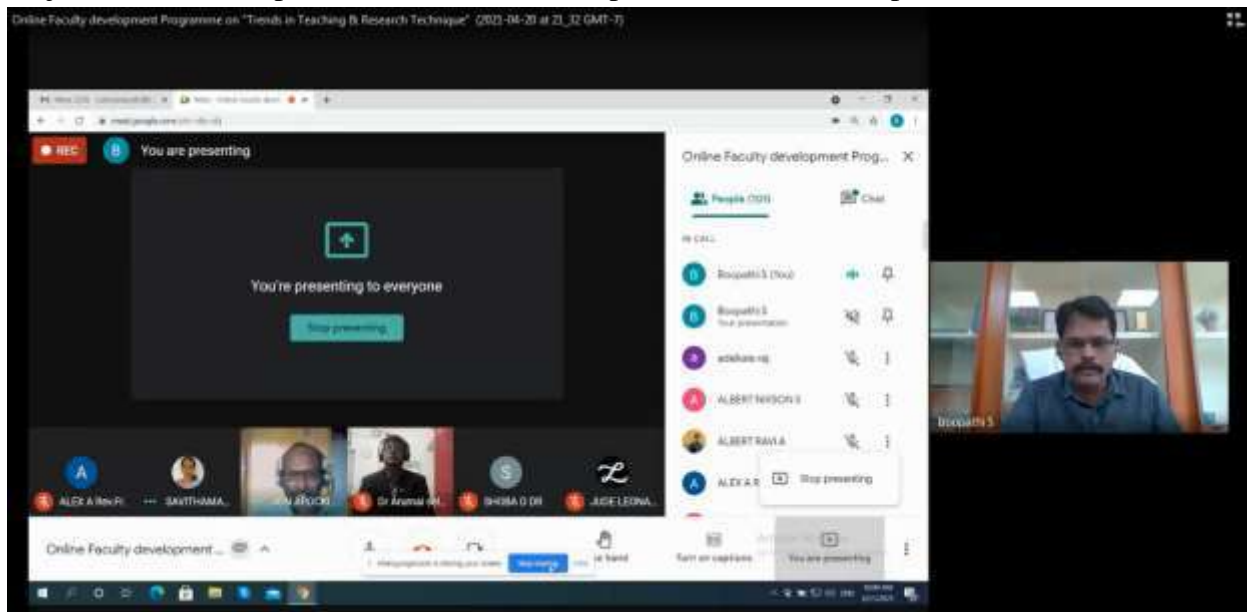

Session Handled by the Resource Person: Dr. A. Edward William Benjamin

The second day started off with a very informative lecture by Dr. M. Surulinathi, Chair(i/c) – School of performing Arts, Head (i/c) Department of Prose, Music & Drama, Bharathidasan University, Thiruchirappalli. He discussed about ‘Publication Ethics, Index, Citations, IRINS’. There were exchange of ideas on the issues concerning the educational researches. On the same day Dr. M. Surulinathi, discussed on how to publish a research article in Scopus journal and how to upload our publications in IRINS.

Session Handled by the Resource Person: Dr. M. Surulinathi

On the third day, the guest speaker Dr. S.Boopathy, Head, Department of Economics, Bharathiyar University, Coimbatore, gave a talk on ‘Project Writing, Documentation and Funded Projects’. The Participants discussed various aspects with the Guest speaker.

Session Handled by the Resource Person: Dr. S.Boopathy

The FDP received a lot of positive feedback from the faculty members. Google Meet was the platform used. The session links and the feedback links for the day were shared every morning. The registered participants were engaged in a special WhatsApp group and email. The recordings were uploaded on the YouTube Channel of SJCTNC. E-certificates were awarded to all the registered participants through email.

Report on the Staff Development Programme: Students Exchange Programme

Date: 18th July 2019

Time: 1:45 PM to 3:15 PM

Venue: Rev. Fr. P. Paul Rajkumar Seminar Hall

Resource Person: Rtn. Adrian Ramsden, Rotary Club of Sand Bach, United Kingdom

The Staff Development Programme titled "Students Exchange Programme" aimed to enhance understanding of international exchange opportunities among staff and faculty members. The session began promptly at 1:45 PM, opened by the program coordinator, who welcomed Rtn. Adrian Ramsden. The resource person introduced the concept of student exchange initiatives and their significance in fostering intercultural understanding.

Content Delivered: Rtn. Ramsden's presentation included:

- The objectives of student exchanges.
- Success stories and benefits observed in previous programs.
- Strategies for implementing effective exchange opportunities within the institution.

The attendees engaged actively during the discussion segment, sharing ideas and asking questions about potential exchange partnerships and logistics. The programme concluded at 3:15 PM, leaving participants inspired and motivated to consider how they could further support student exchanges within their roles. The involvement of 52 participants illustrated a strong interest in professional development related to global education initiatives.

Students Exchange Programme is one way of enriching and sharing knowledge. In this regard, IQAC is organizing a one-day Staff Development Programme for the faculty members of the College. Heads of the Departments are asked to depute two Staff members to attend the programme. There is no registration fee. Interested Staff members can also attend the programme. If they have classes during the programme they have to make proper alterations to the classes with the permission of the Head of the Department. Participants are expected to be present throughout the programme without fail.

Report on Staff Development Programme: "Academic Audit"

Date: 30th August 2019

Venue: Rev. Fr. P. Paul Rajkumar Seminar Hall

The Internal Quality Assurance Cell (IQAC) of St. Joseph's College organized a Staff Development Programme on "Academic Audit" on August 30, 2019. The program aimed to enhance faculty understanding of the academic audit process, promoting continuous improvement in teaching practices and overall academic quality. The event was facilitated by two esteemed speakers: **Rev. Fr. A. Alex**, Head of the Department of Bank Management, who provided insights into the importance of academic audits in maintaining high educational standards and outlined effective audit practices. **Dr. S. Sebastian**, Assistant Professor in the Department of Physics, who shared practical approaches to implementing audit recommendations and demonstrated methods for maintaining accurate academic records. A total of 30 faculty members attended the programme, representing various departments within the college. The session began with an introduction to the principles of academic audits, followed by presentations by Rev. Fr. A. Alex and Dr. S. Sebastian. They covered the objectives of conducting academic audits, the steps involved in auditing academic processes, and the role of audits in fostering a culture of accountability and excellence. The resource persons emphasized the importance of self-assessment, benchmarking, and feedback collection to identify areas for improvement. Interactive sessions allowed participants to engage in discussions, share experiences, and clarify doubts. Case studies and examples of best practices were also discussed to provide participants with practical applications of audit processes. By the end of the programme, participants gained:

1. A deeper understanding of the academic audit process and its benefits.
2. Practical strategies to implement and maintain audit standards in their respective departments.
3. Knowledge of best practices to foster quality improvement and accountability in academic settings.

The Staff Development Programme on “Academic Audit” was well-received, with participants expressing appreciation for the insightful presentations and practical guidance provided by the resource persons. The IQAC plans to organize follow-up sessions to ensure the continued application of audit practices across departments.

Report on Staff Development Programme on “SIP – Self-Management, Inter-personal, and Presentation Skills”

Date: 21st October 2019

Venue: Rev. Fr. M.A. Ratchagar Hall, St. Joseph's College of Arts and Science (Autonomous), Cuddalore.

The Internal Quality Assurance Cell (IQAC) of St. Joseph's College organized a Staff Development Programme titled “SIP – Self-Management, Inter-personal, and Presentation Skills” on October 21, 2019. This programme aimed to equip faculty with essential skills in self-management, interpersonal communication, and effective presentation, all of which are key for enhancing professional growth and fostering a positive work environment. The session was conducted by a skilled team of trainers from **Bhriugu SSS Private Limited**, who specialize in professional development and soft skills training. Their expertise in SIP (Self-Management, Interpersonal, and Presentation Skills) provided participants with valuable insights and actionable strategies for personal and professional improvement. The programme focused on three core skill areas:

1. Self-Management Skills:

Trainers emphasized techniques for personal organization, time management, and goal setting. Participants learned practical methods to enhance productivity and manage stress effectively.

2. Inter-personal Skills:

The resource persons discussed strategies for improving interpersonal relationships and effective communication. Role-playing exercises allowed participants to practice active listening, empathy, and assertiveness, fostering a collaborative work environment.

3. Presentation Skills:

Trainers provided tips on structuring presentations, engaging audiences, and using visual aids effectively. Participants were given an opportunity to apply these

techniques through brief presentations, receiving feedback to enhance their delivery skills.

The programme included interactive sessions where participants engaged in group activities, role-plays, and practical exercises. This hands-on approach helped reinforce the concepts discussed and allowed participants to gain confidence in applying new skills in real-life scenarios. The program equipped participants with:

1. Enhanced self-management techniques for improved personal and professional productivity.
2. Better interpersonal communication skills, promoting teamwork and a positive workplace atmosphere.
3. Improved presentation abilities, enabling faculty to deliver information in a more compelling and effective manner.

Feedback

Participants expressed satisfaction with the programme's content and delivery. The interactive format and relevant examples were especially appreciated, as they made the sessions both engaging and practical. The Staff Development Programme on “SIP – Self-Management, Inter-personal, and Presentation Skills” was a success, with positive feedback from participants. The IQAC plans to incorporate similar programmes into its annual calendar to continue supporting faculty development in essential soft skills.

Report on: Staff Development Programme - "Revised NAAC - SSR Format"

Date: 3rd February 2020

Venue: Rev. Fr. Paul Rajkumar Seminar Hall

The Internal Quality Assurance Cell (IQAC) of St. Joseph's College organized a Staff Development Programme on the "Revised NAAC - SSR Format" on February 3, 2020. This session aimed to familiarize faculty with the updated Self-Study Report (SSR) format introduced by the National Assessment and Accreditation Council (NAAC) and to guide them in aligning with the revised criteria and processes for institutional assessment and accreditation. A total of 15 faculty members from various departments attended the programme, actively participating in discussions on the updated NAAC requirements. The programme covered essential updates to the NAAC accreditation process, with a focus on the following areas:

1. Introduction to the Revised SSR Format:

The session began with an overview of the changes in the SSR format, highlighting the structural modifications and new areas of assessment included by NAAC.

2. Criteria-wise Documentation and Data Presentation:

Faculty members were briefed on the specific documentation required under each of NAAC's revised criteria. Practical examples and templates were shared to help participants understand how to present quantitative and qualitative data effectively.

3. Best Practices and Case Studies:

To provide practical insights, the session included examples of best practices from other institutions that successfully met the revised SSR requirements. Case studies highlighted common challenges and solutions for effective compliance with NAAC standards.

4. Hands-on Session:

Participants engaged in a hands-on session where they reviewed sample SSR documents and practiced compiling data relevant to their departments. This exercise helped them gain confidence in preparing SSR submissions in alignment with NAAC's guidelines.

By the end of the programme, faculty members were equipped with:

- A clear understanding of the revised SSR format and NAAC's expectations for quality documentation.

- Practical skills in organizing and presenting data according to the new SSR structure.
- Enhanced knowledge of best practices in accreditation processes, which can be applied to improve departmental practices and overall institutional quality.

Feedback

The participants provided positive feedback on the programme's structure and the clarity of information presented. They appreciated the practical examples and interactive components, which made the session both informative and relevant to their roles. The Staff Development Programme on "Revised NAAC - SSR Format" proved to be a valuable learning opportunity for faculty members, aligning them with NAAC's updated assessment criteria and reporting standards. The IQAC intends to conduct follow-up sessions to further support departments in the SSR preparation process, ensuring a smooth transition to the revised format.

COMPUTER VISION USING PYTHON –JUPYTER (OPENCV)[online]

PG Department of Computer Applications, St. Joseph's College of Arts and Science (Autonomous), Cuddalore-1 in collaboration with Spoken Tutorial, IIT Bombay organized a Faculty Development Programme on Computer Vision using Python-Jupyter (OpenCV) on 1st and 2nd of May,2020. About 72 Staff members from our college attended the online FDP. The prerequisite sessions commenced on 26th April ,2020 and it was completed on 29th April,2020. Mr. A.John Pradeep Ebenezer, HOD, Computer Applications was the resource person for the prerequisite sessions. The Classes delivery mode for the prerequisite session was through Skype, Whatsapp and E-Lecture (handouts as pdf). At the end of the day Online test was conducted through Google Forms. On 1st and 2nd of May, 2020 the classes deliver mode was through video tutorial from Spoken Tutorial IIT Bombay.
