a) Report:

We the students of **I year B.Sc. Computer Science 'C' – Shift I** of PG and Research Department of Computer Science had an industrial visit to **Kaashiv InfoTech**, Maduravoyal, Chennai on 21.09.2023. We started our trip by 5.00 am with 55 students and accompanied by Dr.S.Muthukumar , Assistant Professor, PG and Research Department of Computer Science from our college campus.

Kaashiv InfoTech, is going through a renaissance, are definition of its philosophy in software field and its business values. The one thing that is constant, however, is its belief in people and technology. Here the students had a wonderful session on Data Science and Artificial Intelligence. The students were educated with the real need of the Industry and how they should prepare themselves for entering in the Software industry. At the end of the Session the company issued certificates to all the students and staff.

After the Industrial visit we started our trip to Queens Land Amusement park. We had a nice relaxation time with our friends. We started our return trip by 5.00 pm and we reached our college campus by 08.30 pm.

We the students of PG and Research Department of Computer Science whole heartedly thank our Department for arranging such a useful and enthusiastic trip.

Thank you.
