**Title** : Field Work

**Date** : 19.02.2024

**Time** : 2.00 P.M - 4.00 P.M

**Venue** : Sadhana Forest

**Incharge** : Dr. C. Devi Shyamala Mary ,Assistant Professor, Department of Mathematics

On 19<sup>th</sup> February 2024, Student visited a Sadhana Forest which was located in Auroville, Puducherry. Sadhana Forest is a volunteer Based organisation focused on reforestation and food security in arid areas. The vision of its founders, Yorit and Aviram Rozin, is to transform 70 acres of severely eroded, arid land on the outskirts of Auroville. In a spirit of human unity , their aim is to introduce a growing number of people to sustainable living, food security through ecological transformation, wasteland reclamation, and veganism which was started its work on 19<sup>th</sup> December 2003.

**Students at Sadhana Forest**

It is a fully fledged forest with the entire land completely covered with the trees, plants and a flourishing wildlife. Sustainable infrastructure was installed that can host local and international participants. All structure are built from local natural materials. A 5000 watts solar system,16 dry composting toilets, and a grey water system have been installed.

### **CONCLUSION :**

Sadhana Forest plays a good role in reforestation and and protecting its beauty. Overall it was a beautiful and pleasant place to have a visit.
