**Sub:** Requesting Industrial Visit Permission for II – B.Sc. Physics  
Students – Reg.

-----

This is a request letter to seek your kind permission for an industrial visit, to the students of PG and Research Department of Physics, in your prominent industry. This visit may aid students in gaining a through understanding of preferred fields making it easier for them to comprehend the real workings of the Thermal power station.

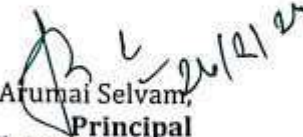

We will be extremely thankful, if you kindly accept my request for 10 B.Sc. Physics Students along with one staff member on 29-02-2024.

Your guidance will be beneficial to our students in their future pursuits.

Thanking You,

Yours sincerely,

### Report on the Industrial Visit to NLCIL, Neyveli

The PG & Research Department of Physics, St. Joseph's College of Arts & Science (Autonomous), Cuddalore, organized an industrial visit for the second-year B.Sc. Physics students to gain practical knowledge about the working of a thermal power station at NLC India Limited (NLCIL), a central public sector company. The industrial visit took place on 29th February 2024 at NLCIL in Neyveli, Cuddalore District, Tamil Nadu. The visit was organized by Rev. Fr. Dr. S. Xavier, Controller of Examinations and Head of the Department of Physics. Dr. K. Elaya Kumar, Assistant Professor, Department of Physics, served as the faculty coordinator for the visit. The visiting team, consisting of 10 students and one faculty member, departed from the College campus at 8:30 AM in a private vehicle. This visit provided the students with valuable insights into the operation of a thermal power station, enhancing their understanding of real-world applications in physics.

Second-year B.Sc. Physics students of St. Joseph's College of Arts & Science (Autonomous), along with Dr. K. Elaya Kumar, during their industrial visit to NLCIL, Neyveli, on 29th February 2024.

To whomsoever it may concern

Dear Principal/Head of the Department (Physics),

We are writing this letter to express our gratitude for your recent visit to Meteorological Department- Puducherry on 23/2/24. It was a pleasure to host I & II-Year B.Sc Physics students (No's : 55) from St. Joseph's College of Arts & Science, Cuddalore and provide insights into our operations and facilities.

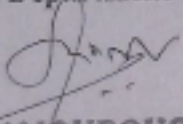

During the visit, we trust that you gained valuable insights into our Scientific-leading practices, technologies and methodologies. We hope that the information shared during the visit was beneficial to your understanding.

We also appreciate the engaging discussions and inquiries made by your team, which contributed to a fruitful exchange of ideas and perspectives. Should you require any further information or assistance following the visit, please do not hesitate to contact us. We are committed to supporting you in any way we can.

Once again, thank you for choosing to visit Meteorological Department- Puducherry We look forward to the possibility of future collaborations and wish you and your team continued success in your endeavors.

Warm regards,

Meteorological Department- Puducherry
