PG&RESEARCH DEPARTMENT OF MICROBIOLOGY
ST.JOSEPH'S COLLEGE OF ARTS AND SCIENCE (AUTONOMOUS)
INDUSTRIAL VISIT REPORT

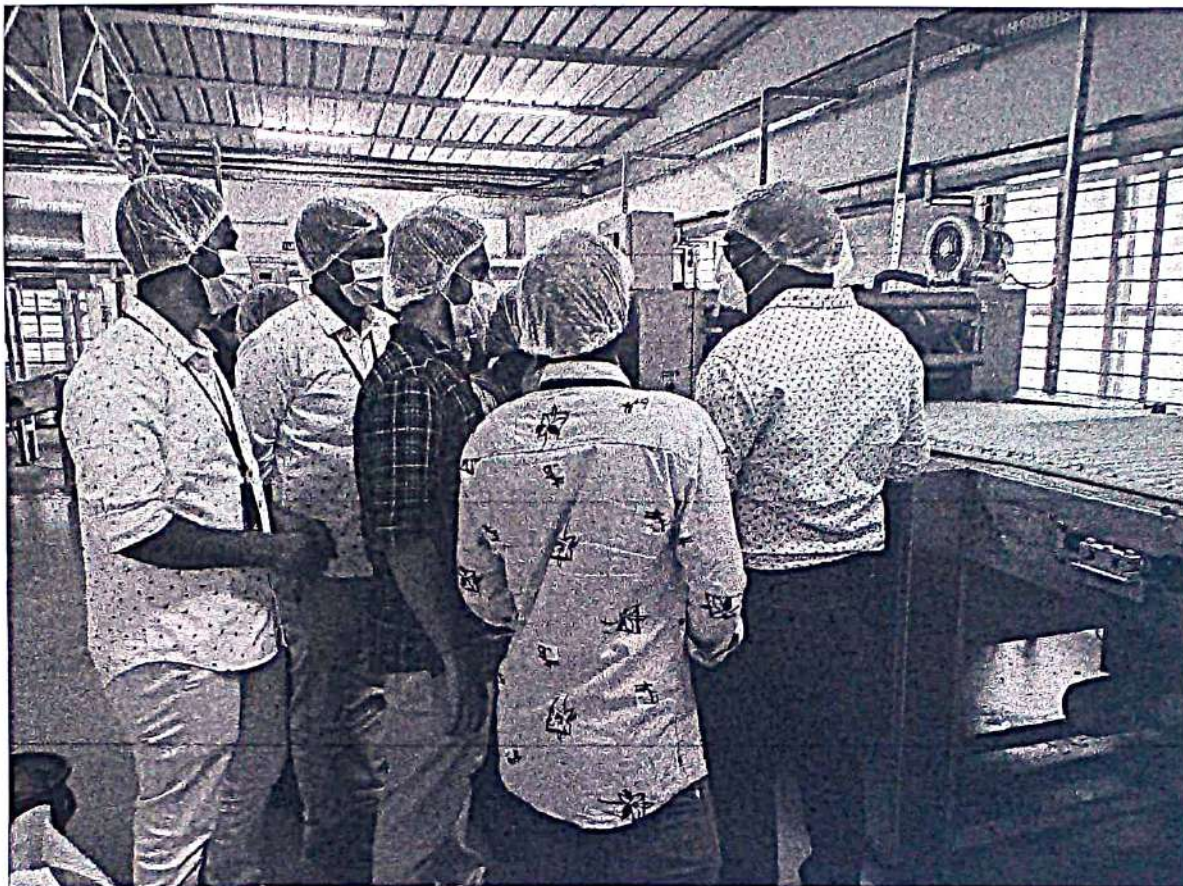

The industrial visit arranged on 20th December 2021, Our Department II-MSc Students 18 members visited the Britannia Industries Ltd. CP unit: Chamundi Food product, Vella koil, Tamil nadu-638111.

Initially there was a presentation about the factory discussing the protocols to be followed during an industrial visit Mr.Sathyadasan officer-Production, Quality and Commercial, Chamundi Food Products.

Mr. Sathyadasan officer-Production, Quality and Commercial explaining the students about the industrial set up and list of Instruments .

Mr. Sathyadasan officer-Production, Quality and Commercial explaining the students on Baking of Biscuits

The industry maintains various sections to upgrade their product without contamination such as stocking room, sieve room, dough mixing, sheater section, baking section, metal detector section, cooling section and Packaging section with various workers maintaining all the activities.

The visit was aimed to enhance the student's knowledge and entrepreneurship skills and help their academic activities to a greater extent.

Details of students participated from II. MSc Microbiology.

Title of the Field Visit: Clinical Laboratory Visit

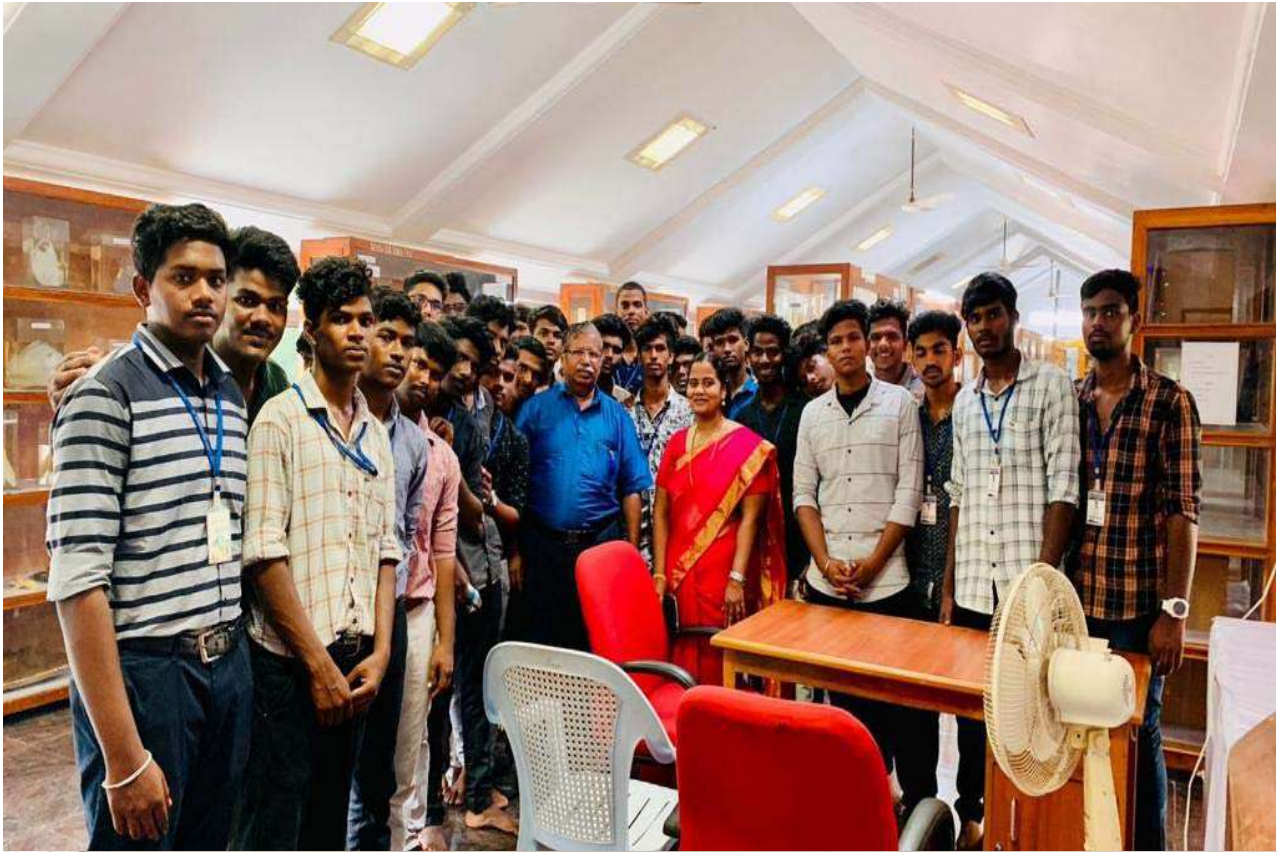

Date: 20.05.2022

Place: The Centre of Advanced Study (CAS) in Marine Biology, Parangipettai.

Our I year UG students (Shift I) 40 Numbers have gone for an field visit to (CAS) in Marine Biology, Parangipettai on 20.05.2022. The students visited clinical laboratories where they gained knowledge about the usage of biochemical instruments such as MalDI-ToFF, ICP, HPLC, HPTLC, Microbial Identification system, GCMS, CHNS&O analyzer, Fluorescent Microscope, Elisa Reader, 2D Gel electrophoresis, Scintillation Counter, UV-VIS Spectrophotometer, Spectrofluorometer, High speed refrigeration centrifuges, Mercury analyzer, PCR, RT-PCR, Gel documentation system and freeze dryer. Other facilities include Cell and tissue culture facility, Seawater circulation system, Marine Botany research laboratory, Plankton identification and culture facility, Aquaculture demonstration ponds. The library houses a sizable collection of text books (nearly 7,000) and more than 10,000 volumes of journals (both national and international) dealing with research in Marine Science. An excellent display and reference collections of authentically identified specimens of flora and fauna of this area collected over a period of 40 years are maintained at the Museum. The students are really very interactive during the visit and they gained knowledge about the Instruments, and Marine Organisms.

Staff Incharge: Dr. K. Shagirtha.

Title of the Field Visit: Clinical Laboratory Visit

Date: 02.05.2022

Place: Siddha Regional Research Institute, Kuyavarpalayam, Puducherry

Our I year UG students (Shift II) 50 Numbers have gone for an industrial visit to Siddha Regional Research Institute, Kuyavarpalayam, Puducherry on 02.05.2022. The students visited clinical laboratories where they gained knowledge about the usage of biochemical instruments such as SDS PAGE, Biorad 400, Urine analyser, electrolyte analyser, CBC analyser, ELISA (RAPID). They also visited cell culture lab where they focus on laminar air flow, liquid nitrogen tank, deep freezer (-86°C) etc. In due time they have also visited herbal garden and one of the staff explained about the medicinal uses and values of the herbs and plants. The students are really very interactive during the visit and as a take home message they intended to grow herbal garden in their homes which will be useful for their medicinal treatments instantly at their needy time.

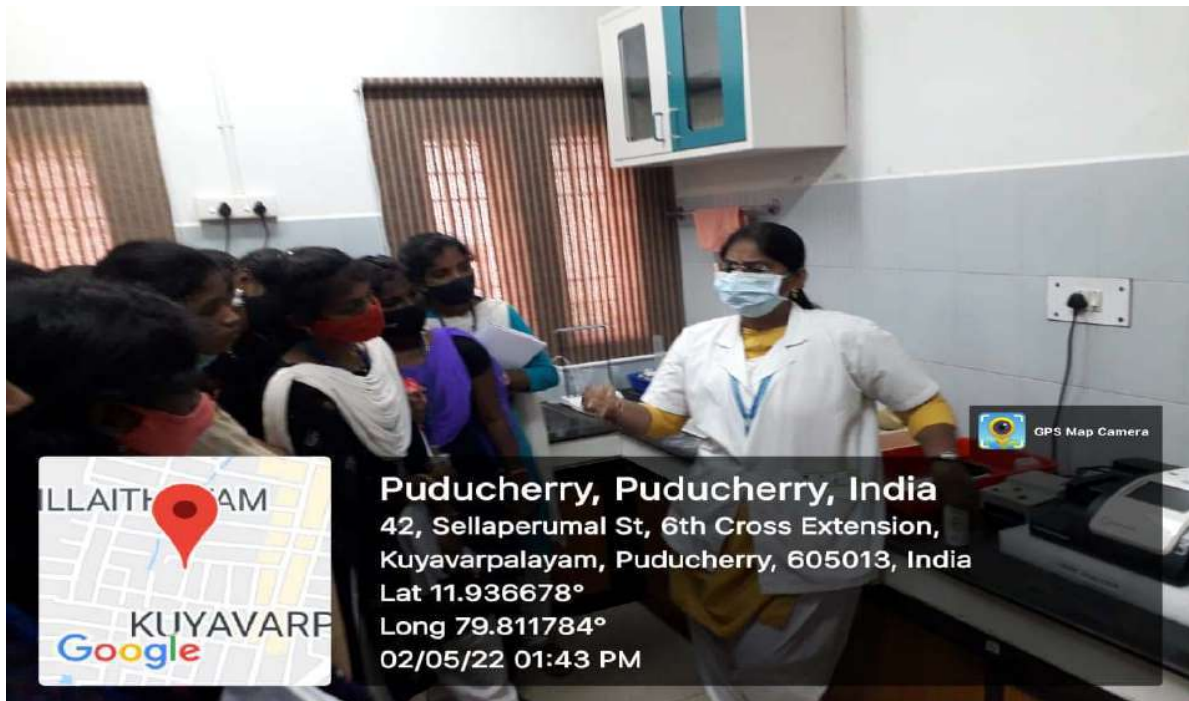

Staff Incharge: Dr. N. Priya

EDUCATIONAL TOUR REPORT 2022

PG & Research Department of Biochemistry organized the two days educational trip for PG students on 13th and 14th May 2022. 40 M.Sc students along with 2 staff members went to Centre for Marine Living Resources and Ecology (CMLRE), Cochin Kerala. Working principle and applications of HPLC, Colorimeter, UV- spectrometer, Spectro fluorimeter, Flow cytometer, PCR and elemental analyser were systematically explained by the experts. Students learned the reagent preparation and method of preservation of marine organisms. This tour also helped the students to know the importance diversity in marine ecosystem and the role diatoms in photosynthesis and its impact on maintenance of atmospheric oxygen. This trip was informative one ton the PG Biochemistry students for inculcating the research among students and maintaining good environment and ecosystem for our national development.

Cuddalore.

To

Rev. Fr. Secretary,
St. Joseph's college of Arts & Science (Autonomous),
Cuddalore.

Respected Rev. Father,

Sub: Requesting permission for industrial Visit -Reg

This is to request your permission to allow our M.Sc., Physics, students (Both I and II year) and I B.Sc Physics (Shift II) for visiting the Indian Meteorological Center and Birla Planetarium, Chennai on 27th April 2022. The list of students visiting the center and list of faculties accompanying them are enclose for you kind perusal. Kindly provide the bonafide letter for our students in this regard.

Thanking you,

Your's truly
